

wheel of fire, from whose centre a tremendous, white dove-shaped light goes out and in. Somehow silently, without a sound and yet it blazes and roars more powerfully and louder than the strongest hurricane. I cannot put it another way. And now comes the peculiar part about the HOLY SPIRIT: if you approach Him, you are drawn so to speak by a magnet and then – all of a sudden, you are in Him, absorbed in Him. And I tell you: it is one of the most wonderful feelings I have ever been able to experience here on earth. To be in Him – it feels cosy, as if you were wrapped in most magnificent plush ...

In the past, I regularly used to have this superb sensation as a Swiss Guard, and also later when I entered the Basilica of St. Peter in the Vatican. This continued until the SAVIOUR told me: „Take My Church with you!“ and I fled from St. Peter’s in horrible pain and weeping inwardly.

That Church possesses the HOLY SPIRIT that has the unity in the HOLY SPIRIT in it. That is why it was most terrible martyrdom of the heart for every pope who devoted all his heart to the Church if in the Church this unity was missing. – To have the HOLY SPIRIT is a certain sign of the true Church.

Please, again in these days implore a new Whitsun, a total renewal through the HOLY SPIRIT, as in the old days people used to pray for the Messiah to come. Because everything must be made new. That alone is still important today. Pray pleadingly especially to the Mother of GOD for it! Amen!

## Whitsun GOD HOLY SPIRIT

My beloved, even as a child I never understood why people pay so little attention and reverence to the HOLY SPIRIT. Mind you, it is the HOLY SPIRIT who accomplishes the will of the FATHER through the merits of JESUS CHRIST. For that reason, without Him nothing would exist. „Therefore I want you to know that ... no one can say, ‚Jesus is Lord,‘ except by the Holy Spirit.“ (1Cor. 12,3)

Though it is true that Heaven repeatedly granted light to mankind for them to venerate the HOLY SPIRIT, yet the Church leaders have often been terribly guilty of neglecting to “absorb” this light of grace, to take it in. My beloved, every heart, also the Church – if you’ll forgive the comparison – must like a powerful vacuum cleaner suck up the HOLY SPIRIT, all that comes from Him, with a most yearning desire. Contrarily, the HOLY SPIRIT Himself is like a powerful suction that wants to attract your heart as well. – Do you see how important it is to venerate Him, to love Him, in order to be caught by His suction.

However, it will be of little avail to you if you pray for the HOLY SPIRIT simply in an over-sentimental way. Rather, you should throw up your arms and implore GOD in this way. Moreover, you should break open your encrusted heart and pray most fervently: „COME, GOD HOLY GHOST!“ Only with an absolute longing surpassing every human desire – you can do it if you imagine the HOLY SPIRIT ever more powerfully – only with a selfless longing which absolutely only wants what He wills, can you obtain GOD the HOLY SPIRIT by prayer. Then the powerful light of the HOLY SPIRIT will instantly dazzle and fling away everything contrary to GOD!

Often, when I am on my knees before the Most Holy TRINITY, the Heavenly FATHER says: „Come!“ and then I am allowed to kneel before Him and lay my head in His lap ... – delightful. I am allowed to go up to the SON at His right hand and talk with Him confidentially. With GOD the HOLY SPIRIT, however, it is quite different. I often see Him also as a Person. But usually He shows Himself above the FATHER and the SON in a vastness beyond our human imagination, without beginning, without end. An enormous
