

## Believe and Have Faith

Today GOD has become sparing with visible miracles. People's piety has been on the wane, people have become more sinful and alarmingly indifferent. Miracles only rarely lead to conversions. Now is the time that GOD withdraws Himself and allows all kinds of so-called faith healers to emerge. Also Satan can work false miracles and make lame persons walk. But what use is a sound leg, if, as a result, the salvation of your soul is endangered? „It is better for you to lose one part of your body than for your whole body to be thrown into hell.“ Mt 5,29 For the Evil One exacts tribute in return for his 'miracles'. How can you discern which spirit it is? The Evil One, the father of lies, can hoodwink and dazzle people so shrewdly, that his 'privileged souls' usually see themselves as privileged by GOD and also behave as such. Know that there is one thing the devil is not capable of: enkindling your heart with love of GOD. „By their fruit you will recognize them.“ Mt 7,16 This is the only reliable feature.

The greatest miracles of our time, though, – and GOD is generous in granting them – are those which give us strength and courage to hold on in all kinds of illnesses and hostilities, in all the hardships of our lives and to be cheerful in spite of everything. That our blessing is able to lead the medical skill and medicine in such a way that a person may recover. We will furthermore be allowed to perform these miracles of GOD's grace, always to the extent in which the petitioner himself is willing to lovingly observe and abide by GOD's Commandments, and is also prepared to forgive. „Forgive us our debts, as we also forgive ...“ it says in the 'Our FATHER'.

### Unless You Become Like Little Children ...

Lift up your eyes to GOD! Be like a child admiring his Creator in wonderment at everything. With your gaze upwards to GOD you will receive grace. „Then when anyone was bitten by a snake and looked at the bronze snake, they lived.“ Num 21,9 Always look at GOD and you will be saved. Blessed and miraculous images will not come to life. But by looking at them, they will act like prisms. They reflect a beam of grace from Heaven for you.

If you are assailed by doubts, if you are seized with terrible inner conflict, then do not hang your head, but raise your eyes to GOD. Thus you will be strengthened and supported. What happened to Peter: full of zeal he ran to meet the SAVIOUR on the water. When for a moment he looked at himself and not at JESUS any more, he was in danger of drowning. It will be the same with you, if you only look at yourself and not at GOD in your spiritual struggles. You will drown in your misery. Learn to always see GOD before your mind's eye, even in the greatest bustle, in worries, affliction, sorrow and joy – learn to listen to Him. We will be glad to give you a helping hand, as CHRIST did with Peter.

Often GOD tells me: „Sit down, I want to talk to you.“ CHRIST called on His Apostles: „Let the people sit down, I want to speak to them.“ So, if GOD wants to tell you something, sit down and do not do anything else but look at Him with your heart and listen. How difficult do many people find it. You would not yourself go and visit your doctor, tell him your aches and pains and then leave him at once without his good advice and the necessary help? Your visit would be of no use. Many people act in that way towards GOD: they talk away at Him with many prayers and gestures and do not take the time to listen to what He has to tell them. How is He supposed to help you, if you do not give Him the opportunity to answer to your questions? I wish you wholeheartedly a childlike love to your GOD! Amen!

the + FATHER and the + SON  
and the + HOLY GHOST. Amen!**
