

not high priests with one exception: Melchisedech. He was or is king and high priest. Yet that is and remains a secret.

After the Communion of the Faithful: If a person does not know what to say to the SAVIOUR while receiving Holy Communion, then he should at least learn one little prayer by heart. If it were only: „JESUS, I'll live to You, JESUS, I'll die to You, JESUS, I am Yours in life and death.“ or simply some other expression of affection. Do not moan or complain to Him. Make Him happy, cheer Him up, thank Him for everything He has done for you. Tell Him: „You have suffered for me and have saved me. Hallelujah!“ The GOD who sits at the right hand of the FATHER in the unity of the HOLY SPIRIT is in your very heart.

The One True GOD – and my Effort?

I have recently read that there is a temple to be built in Fatima for all religions. Among these there would also be some that do not acknowledge the TRINITY GOD. Let us take the Mohammedans for instance. They see CHRIST merely as a prophet, denying His Divinity as a result. Then there are the Jews, who do not acknowledge JESUS as the Messiah, as SON of GOD, who sits at the right hand of the FATHER. There are the Hindus, who worship many gods (idols). Then again there are religions that worship no GOD but try to rise to salvation by their own strength and meditation and so on.

GOD does not share His Temple with idols! As we read in Holy Scripture: „I alone am your GOD, you shall have no other gods before Me!“ Apostle Paul teaches: „It should be confessed that CHRIST is the LORD!“ JESUS teaches: „Go into all the world and teach them to observe all that I have commanded you, baptizing them in the Name of the FATHER and of the SON and of the HOLY GHOST.“

Satan aims at the fusion of religions. Catholic bishops really know how to preach and write so that the faithful only think highly of them, but at the same time their words are often just paper fire which dies out at once. The high priests in former times were teaching according to Sacred Scripture of the Old Testament and

yet the SAVIOUR said: „Do what they tell you but do not do according to their works.“ They persecuted JESUS. He was crucified as a result of their persisting. Today JESUS would have to teach: „Do not do everything they tell you!“ Saint Paul Apostle says: „Whoever gives you a teaching other than the one I have given to you, a teaching, which I received from GOD after all, let him be condemned, and even if it were an Angel, let him be condemned!“

I have just heard on the radio that in the Catholic Church they are trying to accompany the Holy Sacrifice of the Mass with rap and techno music in order to lure youths into the church. So music is to be the attraction, not the Holy Sacrifice of the Mass. Can anyone imagine: JESUS at the Last Supper with techno music? – Or can anyone imagine the Mother of GOD standing at the Cross of CHRIST bobbing and swaying to the rhythm of rap and techno as JESUS is dying a most horrible death? – If a priest allows such things to happen, you can be assured that he has not got the least inkling of a Holy Sacrifice of the Mass, of the most sacred Mystery. Such a Sacrifice of the Mass, if it is one at all, is an abomination before GOD! We shall pray for the priests and bishops who have gone astray. Many of them would never act in this way if they knew what they are doing.

Our concern is the steadfastness of faith, our firm belief with which we are to act in an apostolic way. Then placing all our efforts, struggles, doubts, our day's work with all its difficulties as a sacrifice in the service of the Church and humanity. And not only all this, but also all the affliction, the great many sufferings, the countless humiliations, all great pains in the hearts of men in the whole world. Let everyone in their own way come out with possibilities of practising the good according to their own ability and in this way support the Church and forge links between GOD and men. Do not worry, GOD will sort out the merits and put them in their proper place. Let us forget about only looking after our own salvation. GOD wants everyone to do their

utmost for all men. As CHRIST did not die upon the Cross for Himself, but for all men. An unequalled example. – Not a big crucifix or a handful of medals on the chest are the deciding factor, but your heart is. Your heart, your eyes must speak, otherwise you make a mockery of sacred objects and the Devil is pleased if he is allowed to besmirch them. Have faith in the power of sacred objects and you will experience great protection and help in your life, though often not perceivable for yourself, but to the Devil it is like a shock weapon.

Comments during the Holy Sacrifice of the Mass

After the Confession of Guilt: In cases of possession I often experienced that the fallen angel cried out at a prayer of contrition, especially when it says: „Through my fault ...“ With a good prayer of contrition, and followed by a firm resolution, the Evil One loses this soul. So, if you were so unlucky as to fall into a grave sin, then immediately make a heartfelt prayer of contrition promising GOD to go to confession at the first best opportunity. This also means that you must look for an opportunity. GOD forgives you with this intention and it will happen: „The Almighty and merciful GOD grant you pardon, absolution and forgiveness of your sins.“ Through the Precious Blood that He has shed, He washes away the sins.

After the Kyrie: It may seem exaggerated that I speak about the film “The Passion of the CHRIST” over and over again. Let me ask you a question: What use is it to you now for GOD's cause? Surely you are moved and maybe all churned up inside as well – what do you do with it now? Consider: JESUS has suffered for you. – Do not forget to say: „Thank You, dear GOD. You have saved me if I am willing.“

Before the Offering: People actually know only one king who at the same time is high priest as well – JESUS CHRIST. Other kings were
