

GOD gave me the power to drive out the smoke of the evil one. Yet your readiness and your cooperation are indispensable. Are you ready? May the holy Archangel Michael in particular and Saint John the Baptist, who looked neither to the left nor to the right but always at GOD, assist me. Therefore, be not scandalized at the sound, at the severity of my word. Do not say: „Now I have achieved so and so much, I have spared no effort at all, I have come from so far and now these words from the Sword-Bishop.“ Bear in mind that, if I no longer please you because of this zeal for GOD, I am pleasing to GOD nevertheless.

Do not let the New Christians be a fruitless enterprise. The Apostles have prayed, together with Mary, the Mother of GOD, for the HOLY SPIRIT to come. They were thirteen. We are more and can ask the Mother of GOD for help. If we succeed in invoking the HOLY SPIRIT that He may come, He will take us up in His flames, as it happened with the Apostles. But woe betide you, if you are not founded in charity, if you have not adjusted your life to the teaching of JESUS CHRIST: Then these flames of love will be to your destruction. Yet do not indulge now in any well-meant exercises of piety. Rather, open up and say: „LORD, will You work in me, with me, through me, out of me!“, and be ready for anything. Then GOD's school will come by itself.

The New Christians Their Mission

My beloved, with the New Christians GOD called a group of people in order to be active for His instrument with the grace and help of GOD. He wants this community just as He wanted it in the days of the Apostles. Therefore Paul says: „So you have become an example to all the believers. For from you the word of the Lord has been spread abroad, not only in Macedonia and Achaia, but in every place your faith in God has gone forth, so that we need say nothing further.“ 1 Thess 1,7f

Unfortunately I had to find out by GOD's permission that even those faithful to me are liable to end up in the grip of the evil one: with doubts about the work of GOD, with doubts about the Sword-Bishop, with: „Whatever he may preach, I will do what I think fit.“, with giving in to grave sins, becoming spiritually tired ... So far I have borne and endured it in silence, I have prayed, suffered to the extent of almost breaking down, had GOD not held me. But now He wants me to speak up.

As GOD's instrument I am going through a process of development. You are also going through this process, for we are a spiritual body after all. In the initial stage of our calling it was the period of the FATHER, as can be seen from the foundation of the Children's Prayer Storm. Then came the period, in which the SON, who allowed us to work with His kindness and in His self-sacrificing manner, mainly guided us. He ascended the Cross for us. But now GOD wishes the time of the HOLY SPIRIT to begin. The HOLY SPIRIT is the Sword of GOD. If I am to speak in the HOLY SPIRIT, then the Word is like a Sword, which no human spirit is able to bend, twist or bow. Herein often lies much lack of understanding from the people, because this way of the HOLY SPIRIT is strange to them and they take offence at it. But, my beloved, it was the same with the Apostles. How cutting were the rebukes Peter received from the SAVIOUR: „Get behind me, Satan!“, when He saw how Peter was ensnared by Satan.
