

shall see the 'abomination of desolation', spoken of by the prophet Daniel, standing 'in the holy place' – he who reads, let him understand! –, then let them flee ..." (Mt 24,15). Many of those faithful to me often wonder: „Am I actually still allowed to enter these churches to look round?“ Basically there is no reason why you should not visit churches. Look, these church buildings were consecrated by a bishop at their dedication. This consecration, this consecratory power survives. Moreover, there is always, so we hope, a sacred cross present. You may safely assume that the Saviour is present there in the Most Blessed Sacrament of the Altar in the Tabernacle. If, therefore, you should enter such a church, then bend your knee and behave God-fearingly.

But what about attendance at Holy Mass in the official Church? It is impossible for me to visit every church in order to judge which priest still offers a valid Holy Sacrifice of the Mass pleasing to GOD. It is not the church that matters, but the priest. In many places it is indeed not valid any more. I cannot recommend to you to attend such a Mass – being in the know you would also be guilty. I therefore wish all of you a watchful heart and a lot of courage to leave the places of abomination.

## **Anniversary of the Foundation – 32 Years**

My beloved, today we celebrate our 32nd anniversary of the foundation. 32 Years ago I was shown from Above quite clearly and intensively how appalling the situation of the Church is. With this in view I would once again like to emphasize strongly: We have the Catholic faith – no new Church! – no other Church! The Church with the Papacy is and will remain the Mother Church. We only have the difference that we, following GOD's call, conscious of our own weakness, give GOD our life and actions in such a way that we may please and make Him happy. That we may offer our life to Him with love, that we may guard the sacraments in love and reverence according to His instructions.

### **Give an Account of Your Ministry**

Looking back on those 32 years, I see lots of pleasing things that happened. But I had expected more, that the Church accepts the work of GOD, among other things. – So it is true after all: One must die before being recognized. – On such feast days I do my utmost to give an account to GOD. This time I believed I had bad cards but GOD revealed to me: „Would you like to see how many souls have been saved from hell through you and are now among those faithful to you?“ This question of GOD was answer enough for me and I did not want to know anything more. The answer of my LORD strengthens me and I will keep going without giving up. For it is written: „He who converts a sinner from the error of his way will save his soul from death, and cover over a multitude of sins.“ (James 5,20)

### **Reverential Church Attendance**

Although we are not a different Church, we keep our distance from the official Church, for one thing, because it is written: „When therefore you
