

person can cling to and have a firm foundation. Only patience and love will win. Respect the sinner and loathe sin. I will put it this way: When a person does evil, commits a sin, then I see beside him an ugly, nasty, red, little devil, who is constantly tormenting him and luring him into sin. So do not send this person "to the devil", but the devil "to the devil".

Brother Klaus means a lot to me, not only because he is my name patron but also because he is the patron saint of Switzerland and was enthroned by the Pope as patron of the world peace. We most urgently need this patron and intercessor in these days. Even if we know that it is too late because sin is rampant, let us implore him all the more and not give up. The worldwide situation is much worse than it appears. We are in urgent need of peace, not only for our own sake, but for GOD's and the younger generation's sake. Let us therefore not forget: GOD rewards persevering prayer. Amen!

St Nicholas of Flüe, Brother Klaus Patron of the World Peace

Part Three

I wonder if Brother Klaus is still allowed to keep his hand protectively over Switzerland even today. GOD lets me feel that Brother Klaus is neither able nor allowed to do so any more since people are increasingly turning away from GOD.

„Go Down Again!“

It is the same with my vocation. One surely would like to hold out a saving hand, but both the people and the Church are no longer willing to hear GOD's voice. As I fare now, so also fared the prophet Elias in his days. Being persecuted, he retired into the desert and said: „It is enough for me, Lord, take away my soul; for I am no better than my fathers.' ... ,With zeal have I been zealous for the Lord God of hosts: for the children of Israel have forsaken your covenant: they have thrown down your altars, they have slain your prophets with the sword, and I alone am left, and they seek my life to take it away.' ... And the Lord said to him: ,Go, and return on your way through the desert to Damascus! ... And I will leave me seven thousand men in Israel, whose knees have not been bowed before Baal ...'" (1 Kgs 19,4ff) Now I, too, hope that GOD will speak to me in a similar way: „Persevere, for so and so many people have remained faithful to me!“

Signs in the Sky

GOD Himself must intervene so that everybody will be in a position to recognize: that was and is GOD! If what GOD has shown to me will take place, many, many people will die horrified by the events. But lots of them will open their eyes to the truth, they will convert and say: „Truly, this is the LORD!“ Consequently, the survivors will flock to GOD again. That will then be the triumph! If GOD, in His just wrath, ruthlessly wiped out humanity, who could then be saved for Heaven? There will be signs in the sky so that every man cannot but recognize: „This is GOD!“

Plant a Little Tree

The Church has appointed Brother Klaus patron of the world peace. It is he whom we shall implore in our prayers. For the saying goes: even if you know that the world will perish tomorrow, then still plant a little tree, for who knows GOD may be moved by your childlike confidence and even add another thousand years. A very cheerful episode is presented in a film about Noah and the Ark: as GOD revealed to him that He intended to destroy all living creatures together with the earth, Noah began to dance before the LORD his GOD. When GOD asked him: „Noah, Noah, what are you doing?“ he replied with a childlike heart: „I worship and love You!“ And GOD was “checkmate” and saved the Ark with its inhabitants.

And so must we and are we allowed to trust in GOD. Everything is in His hand! Come what may, I know: everything He does is good. And I have learnt: the harder to understand His acts are in our eyes, the better it will be for us. He will then do something extraordinary which will open our eyes with astonishment only at the end.

„My LORD and My GOD ...“

Therefore, dare to pray: „My LORD and my GOD ...“ For if you dare not pray that way, you have no love yet. Then you are afraid of GOD.

GOD, however, does not say: „You shall be afraid of GOD, your LORD, with all your heart, with all your soul ...“ Neither does GOD say: „You shall worship GOD with all your heart, with all your soul ...“ He says: „You shall love the LORD your GOD with all your heart, with all your soul ...“ And everything else lies in this love: fear of GOD, worship, just everything. This love must be obtained by prayer and struggle.

GOD's Breath

How often do I hear: „Well, it is easy for him or her to become holy, but I, who am I before GOD?“ I say to you: it does not matter who you are, where you are, what talents you have, whether you are a road sweeper or a king. All are destined to become holy. GOD's breath is within every man. So you are equal to GOD as far as the soul is concerned. This breath of GOD belongs to you, therefore you are destined for Heaven, but because the soul is your property, you can also give it to the devil and choose hell for your eternal home. It is madness but GOD gives you this freedom. Yet you are not able to say: „Dear FATHER in Heaven“, if the HOLY SPIRIT does not give it to your soul. It is the HOLY SPIRIT who speaks within you, works within you.

Since this breath of GOD is within every man, you can do any man a good turn, be he ever so unlikable to you. Or think of the Guardian Angel of that very person to whom you would like to say: „I cannot stand you! Out of my sight!“ What do you think would be the Angel's expression? Sometimes it is necessary to tell someone off, but it should always be done in a way that the protégé's Guardian Angel will be pleased about it. If a person does something wrong, we mostly see that very person as the evildoer and we despise that person while forgetting that the Evil One lead him astray.

All Are GOD's Children

If you want to lead someone to GOD, then he must feel your love, your calm, your peace. Then you must be like a rock which the other
