

## It Is Love that the Church Needs

My beloved, the Church could be saved by love, which the Main Commandment teaches. GOD is love! He, the All-Powerful One, above whom nobody is, is thirsting for our love! This love is lacking in the Church!

The HOLY SPIRIT enlightens our minds coming from the heart. So if there is no fire, no warmth, no love, no HOLY SPIRIT in the heart, then exactly the same will take place as happened at the Temple in Jerusalem with the bony-thinking scribes of that time: they had the SAVIOUR crucified.

To feel some day the love of GOD to us men in such a way, that is what I wish you most dearly. She is unfathomable ... How, then, could I still be silent? Think of the sentence: "So, because you are lukewarm, and neither hot nor cold, I am about to spit you out of my mouth." (Rev. 3,16) These are words of JESUS.

### **GOD's Mighty Love Wants to Be Returned**

My beloved, the fact that the youth is present here for a small Youth Meeting has greatly pleased me. But maybe exactly because of this joy and perhaps because of the beginning of the Advent, GOD showed me something painful last night.

When I now try to put this into words, it sounds almost ordinary and dry in comparison with what I felt and how I felt it. For if GOD gives a sensation, it is so enormous that one can hardly explain it. Every word cannot but be naïve in comparison with this powerful revelation of GOD.

In some way I was, as many times before, taken away. I overlooked the whole globe in front of me. In this vision GOD gave me the sensation of His powerful love of mankind. – I think, so that I may sense the following while suffering in a correspondingly profound manner. – And I saw the Church and everything that believes to be Church (the Rom. Cath. Church, the traditional Church, the Orthodox Church, all who have the seven Sacraments), and I felt the mighty love of GOD to this His Church. I saw and had to sense how this unfathomable love of GOD is seldom returned, that our dear LORD is almost completely left in dryness. This unfathomable fullness of GOD's love is meant to be returned by men, by the Church. For it is said: „The more love you give, the more you must get back in order not to starve.“ In this vision I saw the priesthood: They are so blind!!! They refuse to understand, even if many of them mean ever so well intellectually. This terrible anguish, to see and feel, mainly about the clergy, who think they are so intelligent, so clever and as if they knew it all ... – I fell to the ground with grief! But GOD does not in the least want their reason. He has plenty of it Himself!
