

Last Judgement – GOD Does not Want the Death of the Sinner

The Last Judgement will only come later, only then when the earth will disappear, will no longer exist. Then the holy and unholy and even Satan with his followers must appear before the throne of GOD. Then the SAVIOUR will appear in the Name of the FATHER in the HOLY SPIRIT as eternal Judge. Do you know what it is going to be like when the SAVIOUR will appear as divinely loving Good Shepherd, who is Love Himself, and – ah, only GOD can smile like this – while smiling in this love of His will call: „Come, My little sheep, enter into the joy of Heaven forever!“ If GOD did not hold you at that moment, you would melt with joy. But then, horrifyingly, He will speak to those on His left: „Depart from Me, you cursed, into everlasting fire! Go to your father, who is Satan!“ – My beloved, JESUS is trembling in anxious anticipation for man to reconsider and come to Him in love. Yet that “self” of man, which always only sees himself, looks only after himself, covets only for himself, bars the inviting calls of the SAVIOUR so many times. Were man to forget this “self”, he would already have on earth a little Heaven. Amen!

Man – Image of GOD

GOD created man in His image: „... in the image of God he created him, male and female he created them.“ (Gen 1,27) Should we not pay more attention to this? Everything that exists is upheld by GOD. GOD knows how many hairs are on the head of every man: „Indeed, the very hairs of your head are all numbered ...“ (Luke 12,7) Only through Him can we exist. And if we are pure in heart, we carry GOD the HOLY GHOST in our hearts. GOD considers and respects His creature, man. We can recognize this from the free will granted to man, which GOD does not infringe on till death. Even the Angels have to respect this free will of man. Lucifer, that mighty Angel, once the most beautiful and most powerful of all Angels, wanted to be like GOD and plunged into eternal damnation. It is your free will now whether you want to follow the light of GOD or the false light of Lucifer.

This mighty GOD, who is Love Himself, who has neither beginning nor end, radiates such a powerful and magnificent light of His divine love, before which no sin can stand. If, therefore, you die in death-bringing sin, you will shrink back petrified with horror from that awesome light of GOD’s love and plunge yourself into eternal damnation. If you have died in sin, but GOD’s mercy is bestowed on you, you will likewise shrink from this light of GOD, but it will enkindle in you such a burning desire to be pure in order as quickly as possible to see GOD and be allowed to be with Him forever. This desire will purify and cleanse you of your sins like fire. The Church calls this purgatory.
