

of the little Therese of the Child JESUS. She will teach you how important it is. Because your eyes and your faith are like windows of your soul, through which GOD's grace is flowing to you. Do you know the event when the Israelites on their passage through the desert had to look at the bronze snake? „The LORD said to Moses: ‚Make a snake and put it up on a pole; anyone who is bitten can look at it and live.‘ ... Then when anyone was bitten by a snake and looked at the bronze snake, he lived.“ (Num 21,8f) This pole with the bronze snake was a representation of the SAVIOUR at the Cross. We have to look up at Him. And I tell you: all who look in confidence at the SAVIOUR at the Cross will be saved, even if they had been bitten by the snake (sin).

We have the living CHRIST on the Altar in the Holy Eucharist. Look at GOD if you are a child of GOD! Go down on your knees before GOD, bend your head, but before and afterwards: look at Him!

Look up at GOD

My beloved, the LORD GOD knows that I love all of you, that every single one of you is the most important to me in JESUS CHRIST. But I also say that there are some entrusted to me who are a source of great concern to me. This means that, in the love which GOD gave me for them, I have to pray to GOD, beg and implore Him, struggle and sacrifice. – Repeatedly, I hear girls say: „I would like to be a priest, but since I am a woman, it is not possible!“ Girls, what mission did the SAVIOUR give to the priests? He said to them: „... and teach them to obey everything I have commanded you.“ (Matth 28,20) Is the female gender of all people not mainly active in the family? If the woman in the family fulfils this command of JESUS, she is a very good priestess.

Do not Laugh an Instrument of GOD to Scorn

You are not a Christian if you only make demands on GOD. You are not a Christian if you only come on Sundays properly dressed to the Holy Sacrifice of the Mass using fine words in the house of GOD. How do you behave out there in the world? That makes the Christian! People often forget who I am. I almost feel ashamed to say it. You may smile at me, I will smile back, although I am weeping inwardly because I see deeper. I see that there are quarrels at home, I see that some so dress up for the world that it is an abomination to GOD. Why do I say this? Out of love and concern! I am concerned that the LORD GOD will no longer stand by and watch when His Instrument is made a fool of.

A Child Looks into GOD's Eyes

There are some who do not dare to look on the Altar out of exaggerated awe or shyness. If you do not dare to look at GOD, then go to the school
