

or what you are but how you are! What matters to me is that GOD takes delight in you and that the SAVIOUR has not taken upon Him this gruesome suffering and death for you in vain."

An Important Matter

If you are unable to visit the Holy Sacrifice of the Mass, then please instruct your Guardian Angel to go in your stead. In an impressive way it was shown to me with what joy, intimacy and awe these Guardian Angels standing at the back are allowed to attend the Holy Sacrifice of the Mass. When I gave the final blessing, which I always impart with all the power of the Holy Sacrifice of the Mass, it was revealed to me how the grace of the blessing flowed to them like shining, coloured spheres and lay down on their hands. Full of joy the Guardian Angels instantly hurried to their protégés to bring them this grace. Please, avail yourself of such opportunities! Amen!

The Holy Sacrifice of the Mass Your Guardian Angel

My beloved, now I am here at my favourite spot again: the altar. The altar is the home of the priest! When the SAVIOUR celebrated the Last Supper with His Apostles, He ordered them: „As often as you shall do these things, you shall do them for perpetual renewal!“ In most Bibles it is translated as: „Do this in remembrance of me!“ (Luke 22,19) The SAVIOUR however told me to pray “as a perpetual renewal”. For the celebration of the Holy Sacrifice of the Mass is not just a remembrance of the Last Supper, it is rather a making present of what happened.

Sacrificial Wood

If I approach the altar passing through the people, I ask GOD: „Now put on my shoulders, too, the sins, the misery of the people, as Abraham put on his son the sacrificial wood, in order that I may carry them up to Your altar to pray for reconciliation.“ – „Abraham took the wood for the burnt offering and placed it on his son Isaac, and he himself carried the fire ...“(Gen 22,6)

Then, at the altar I ask and pray in the name of all men and I ask also you to fervently pray with me to obtain reconciliation with GOD, our FATHER, in order to be cleansed of our sins through the Precious Blood of JESUS CHRIST. I have to carry the “bundle of wood” until Holy Consecration, then the SAVIOUR takes over.

The Precious Blood of the Redeemer

As soon as the priest begins the Holy Sacrifice of the Mass, the life-size Cross of CHRIST mystically appears before the priest. At the Holy

Consecration, when the priest raises the Chalice, the Precious Blood flows out of the side wound of JESUS. First It flows into the Chalice and then from the Chalice over the altar to all souls with an open heart. Unfortunately, I have to watch this Precious Blood flow past many hearts because they close their hearts to It.

An example of this is the biblical event when the Jewish people while dwelling in Egypt had to put the sacrificial blood of the lambs on their doorposts: „The blood will be a sign for you on the houses where you are ...“ (Ex 12,13) If the doorposts of your heart have been marked with the Blood of CHRIST, if your heart has been drenched in the Blood of CHRIST, then the angel of death, the evil spirit has no access and is forced to pass. See to it that you have an open heart for the Blood of CHRIST.

The People Need Spiritual Fathers

It is one of my greatest sorrows that many priests of the official Church no longer know the love of GOD. They miss out on something magnificent, something great and along with them also the people. It is an enormous, painful tragedy that they do not understand love, do not want to understand love, that this love of GOD is no longer imparted to them in the seminaries. Instead they are stuffed with knowledge to bursting point. The studies of the priests are surely legitimate, but the souls of today do not need intellectuals – they need spiritual fathers!

Why was the priesthood not conferred on Mary and with her on women? Because the priest should be a second CHRIST. Also, the priesthood is a fatherly ministry. By looking at any priest you should be able to tell that he does not carry out a theological trade to earn money but that he carries within him a divine calling! What about the holy Cure of Ars, then? First he was smiled at and pushed aside because he had a hard time with the study of theology. Now he is the great model and patron of the father confessors.

Duty of Prayer

My beloved, it is the duty of the parish to pray for their priest. For it has been said that the parish has the priest it deserves. But also it is the priest's duty to pray for the souls entrusted to him. Incessantly he must pray to GOD the HOLY SPIRIT for love. Staying frequently before the Most Blessed Sacrament should be his heart's desire, it is the SAVIOUR in Flesh and Blood after all.

On the Cross the SAVIOUR looked gruesomely beaten up. „But I am a worm and not a man, a reproach of men and despised by the people“ says the Psalm of Lamentation. For each single person the SAVIOUR has made atonement by means of these most dreadful, most horrifying sufferings. Who accepts this grace wins Heaven. Who rejects it buys himself a ticket to eternal damnation. This redeeming act of CHRIST becomes mystically present anew here on the altar. It really should deeply move the priest at the altar but also the whole people present and lead them to love.

Your Guardian Angel

Wherever a Holy Sacrifice of the Mass is celebrated, an immense host of Angels is present. Now when I see your Guardian Angel standing behind you, I think: „If you knew what mighty, excellent Angel you are entrusted to!“ And with girls of marriageable age: „Dear girl, if you could see your Guardian Angel, you would no more look at a man.“

Have you ever said to your Guardian Angel: „Come, Guardian Angel, let us go to the Holy Sacrifice of the Mass! We will go to church to our dear LORD, where He dwells in Flesh and Blood.“ What a joy for your Angel! You, too, would go to church with more joy. If I see with what awe and intimacy your Guardian Angel enters the chapel, with what enthusiasm he prostrates himself before GOD ... Oh, I cannot put it into words. How sad in comparison are some genuflections of man, often no more than just a curtsy. Or if I watch the Guardian Angel ardently attend the Holy Sacrifice of the Mass, as Angels are used to do, and beside him his protégé ...

Your Mountain Guide

Remember your Guardian Angel. GOD has given him to you so that you may climb the highest mountain: Heaven. That road is full of hidden dangers and snares. By day and night the enemy lies in wait to lead you astray, whether it be the devil or one's fellow human beings that he uses. Your Guardian Angel can help you. He accompanies you on this road. But you have to build up a personal relationship with him. He is waiting for you most yearningly.

To my own Guardian Angel I once said: „Ah, I am so very sorry that you have me for your protégé. There is nothing I would rather want than for you to have a great saint.“ Basically, he answered: „I do not care who you are
