

turning to a different gospel – which is really no gospel at all. Evidently some people are throwing you into confusion and are trying to pervert the gospel of Christ. But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let him be eternally condemned! As we have already said, so now I say again: If anybody is preaching to you a gospel other than what you accepted, let him be eternally condemned!”

Believe me, Sacred Scripture is and remains the touchstone and the foundation of Faith. I cannot understand that even educated people misjudge this. Someone recently tried to get in touch with me “on behalf of JESUS”. „You are the heart of the true Church!” he said. But then further: „Have a look at the Gospel of Mary Magdalene.” Then you know straightaway whom you are dealing with. GOD had newly dictated to him the lost Gospel of Mary Magdalene, he said. My beloved, Mary Magdalene did write some letters, these are missing, but never, never a Gospel. The New Testament is the touchstone by which to examine everything. There is only one Gospel. Amen!

## Prayer of the Heart The Gospel as a Touchstone

Beloved ones in GOD! What does praying mean? – When I come up to you and tell you a few words: „How are you? I’m glad to hear that ...”, then my attention is inevitably drawn to you, is it not? My facial expression and also my disposition and heart would be stirred. But we have hardly started to pray: „Our FATHER, who is in Heaven ...” when I see empty and rigid faces. How come? Should precisely now our expression and disposition not light up with joy when speaking with our heavenly FATHER or with other citizens of Heaven? I know that in common prayer it is not possible to behave as naturally as one would like to but I think that at least one should be able to see a lighting up of the eyes.

When you go to the communion rail it is just the same. It is all very well when you go there with recollection and devotion. But some keep such a straight face that one might think that they are going to a funeral meal. Is it not the living SAVIOUR, your Bridegroom, that you are going to? But pulling a face with an artificial, distorted smile would be just as wrong. The joy of going to Him, of being allowed to receive Him should unconsciously be reflected on your face. Therese Neumann (who was marked with the stigmata of JESUS) could hardly wait for the priest to administer Holy Communion to her. She had to hold herself back very much so as not to take away the Host from the hands of the priest out of ardent desire.

My beloved, through Holy Communion we do not receive something exceedingly pious or something extremely holy, but we receive the living GOD! And GOD does not have love – GOD is Love! Union with Him, with Love Itself is infinitely deeper than it could ever be among human beings.

## Suffering Saves Souls

We have such a huge mission and yet from a human point of view we are so little successful. Some people's hearts burnt within them as they talked with me or read about me. But as soon as they returned into the world, everything was forgotten. It is like the sower in the Gospel: „As he was scattering the seed, some fell along the path, and the birds came and ate it up. Some fell on rocky places, where it did not have much soil. It sprang up quickly, because the soil was shallow. But when the sun came up, the plants were scorched, and they withered because they had no root. Other seed fell among thorns, which grew up and choked the plants. Still other seed fell on good soil, where it produced a crop – a hundred, sixty or thirty times what was sown. He, who has ears, let him hear.“ (Matt 13,4ff)

When I talked about that with the SAVIOUR this morning full of grief: „Look, if I had more priests ... You know, if only one soul more could be saved ...“ there came an answer: „Your pain saves more souls than you think!“

## Marriage, a Sacrament

Look into the world, to what extent moral standards have since sunk. The majority of young people regard it as a matter of course to go to bed with each other without being married. My beloved, the physical union of husband and wife has been elevated to a Sacrament by GOD. Therefore, it is something holy. Whoever profanes this holy Sacrament by claiming it for themselves without GOD's blessing and command, violates GOD's rules. They sin, step out of the circle of GOD's order and enter the area of the Evil One. – This is my deepest concern!!!

Imagine that your heart after Confession is a glass of pure, crystal-clear water! Every time you sin against GOD's rules, however, a little bit of Satan's smoke enters your heart. In the course of time the water in your glass becomes so cloudy, that bit by bit you lose the clear view, the clear knowledge of GOD. – Of course, we love in particular those souls who have fallen prey to the Evil One in such a way. For we do wish to save them, to free them from the smoke of the Evil One and this is only possible through love. My anger, my reluctance or whatever I may call it, is never aimed at a person but at the Evil One who ensnares these souls. And apart from that, whoever despises the sinner, sins against the Main Commandment.

## Final Decision

Considering the great dangers and the weakness of man, every person at his death – every soul when leaving the body, once more has the opportunity to decide in favour of or against GOD. For at the very moment when the soul leaves the body, everything is revealed to her. And yet, you will hardly believe it: there are many who will nevertheless say no then. What kind of fools are they, to put it mildly, who voluntarily throw themselves into eternal damnation. They are precisely those who say regarding the great disasters: „Where is GOD? There is no GOD after all! How can GOD allow this to happen?“

## Self-Destruction

GOD has created the earth so wonderfully. But the sin of man destroys all this beauty. Remember that Mary, the Mother of GOD, has, in tears, been warning saying basically: „Children, children, stop this! Turn back! Listen to GOD again! You are destroying yourselves!“ – Man punishes himself! I would almost say that, if GOD did not hold the world, she would have tipped over a long time ago with all catastrophic consequences. GOD is so merciful as to produce here and there expiatory souls, victim souls that are given the grace to stop the worst so that the tipping of the poles may not take place abruptly but gradually. Indeed, the pole is shifting very slowly. Many things are no longer as they should be. Have you also noticed that time is going much faster? The constellation of the zodiac, too, is changing so that the calculations of the horoscopes are no longer correct. – Let us be prepared to be changed by our Guardian Angel towards GOD.

## There Is Only One Gospel

Once GOD showed me how in our time false privileged souls spring up like mushrooms. There are those who claim that Sacred Scripture is outdated, that they have received a new Gospel or supplements to Sacred Scripture. Also Jakob Lorber is one of them. He brings in very good ideas but the Sacraments do not exist with him. It is similar with others. This is a very delicately woven, refined trick of the Evil One.

Paul writes in his letter to the Galatians, 1,6ff: „I am astonished that you are so quickly deserting the one who called you by the grace of Christ and are
