

these high children's voices. This was not according to the Spirit of GOD, so it was changed. Much was done in a way repugnant to GOD. I also remember the episcopal trains, which were 20 feet long etc.

**Sacred Scripture Is Our Guarantor**

Yesterday I was visited by a gentleman who tried to tell me that the Bible has been corrupted. He claimed that the Lord JESUS had given him new and true matters. I answered him in passing: „Believe me, when I am to appear before JESUS after my death, I will be much more confident when I am able to say: ‚LORD, I have believed Sacred Scripture, which so many Saints believed‘, than when I would say: ‚LORD, Mr So-and-so wrote new things and said ...‘“ JESUS said: „Heaven and earth will pass away but my words will never pass away!“ Amen!

**The Rock of Peter  
New Hearts**

My beloved, Peter is and remains the rock! Peter did not have a son but this has always been his great wish. The SAVIOUR knew this and once said to him: „Peter, one day when you are with Me in Heaven you will have many sons. And you will often come to Me to intercede with Me for these your sons!“ So, Peter is and remains the authority. Peter is the rock! The pope must stand on this rock of Peter's teaching – he must represent this teaching. If he does not, then he no longer stands on the rock of Peter und loses his authority. He should actually no longer be obeyed, as some doctors of the church asserted. Again, Peter is the rock and remains the rock – and every pope, that goes for every bishop as well, has to stand on this rock. The SAVIOUR did not say: „You are the rock and you will pass on this rock.“ No! JESUS said: „And I tell you that you are Peter, and on this rock I will build my church, and the gates of Hell shall not prevail against it.“ (Mt 16,18) People keep forgetting that GOD is sovereign. However, are there not many things in the Church which have already grown into a habit and which have already been introduced, things which do not stand on the rock of Peter?

**Saints Were Often Misunderstood**

In many things the Church is no longer in keeping with the teaching of Peter. But my time has not yet come to speak plainly and it is hard to uncover these matters. Have Saints not even been denied recognition, been given a hard time, as a matter of fact, were they not even fought against? Was Padre Pio not banned from celebrating the Holy Sacrifice of the Mass in public?! Were certain Saints not even prosecuted by the Church? Were messages, given by GOD, not misjudged, or acknowledged only after many years? Do you believe that nowadays things are better? If everything in the Church was all right, GOD would not have called me.

---

Recently someone asked me once again: „You have not been approved by the Church – not commissioned, have you? How can you say that you are an instrument of GOD?“ – My answer was: „Who is the greater authority: the Church or GOD? Is then GOD sovereign if He is only able and allowed to do what the Church grants Him permission to do?“ If you were ever to be confronted with such a question, then take as an example the defence and the legal claim of the Apostle st Paul. He says: „Am I not free? Am I not an apostle? Have I not seen Jesus our Lord?“ I could say all of this, too. „Are you not the result of my work in the Lord? Even though I may not be an apostle to others, surely I am to you! For you are the seal of my apostleship in the Lord. This is my defence to those who sit in judgment on me.“ (1 Cor 9,1ff)

### **Inspired by the HOLY SPIRIT**

Pope John XXIII was indeed inspired by the HOLY SPIRIT when he convoked the Second Vatican Council. Unfortunately, many Cardinals were captivated by the spirit of the world to such an extent that they explained and executed the promptings of the HOLY SPIRIT with their human intelligence. Everything which comes from GOD the HOLY SPIRIT must be carried out from and with the heart.

### **Forgotten to Throw the Switch**

There were some who sensed it and saw it coming, archbishop Lefebvre among them. I was very glad that he was around. His working acted as a brake; otherwise modernism would have broken through more flagrantly. But somehow he, too, did not understand what the HOLY SPIRIT wanted to accomplish through the Church. He rather continued in the tradition and the HOLY SPIRIT was not able to change anything. This can be visualized as follows: Lefebvre moved back the train, but did not throw the switch and in this way he continued to drive on the old track. GOD is so weary of laws, rubrics, observances, ceremonies ... A thousand matters are to be remembered and observed. The SAVIOUR is so fed up with it! He wants the heart, the childlike heart!

I sometimes hear traditionalists say: „If you die, you will be judged according to the teachings of the Church, that is to say according to the laws of the Church.“ This opinion shows a twisted image of GOD. Because GOD will not, in the first place, test you according to the laws of men but: „... that I

am he who searches hearts and minds, and I will repay each of you according to your deeds.“ (Rev 2,23)

How eagerly I would love to celebrate the Holy Sacrifice of the Mass as I see it for the future. But the LORD says: „You cannot do this yet. The people are not yet ready for it, the HOLY SPIRIT must first create new hearts!“ Therefore, I hope that I have already prepared your hearts to such an extent that you grasp my current Holy Sacrifice of the Mass. Others, however, who have not so prepared the hearts of their faithful must observe what they have. They are to celebrate their traditional Mass. I would prefer them to do so rather than to celebrate the modern Mass in which, in so many places, the unbloody Sacrifice of the Cross of JESUS is being ignored and as a result cannot be a valid Sacrifice of the Mass!

### **Power of Binding and Loosing**

Certainly, it is very, very important that the priest should correctly pronounce the main parts of the Holy Sacrifice of the Mass word for word, otherwise it is not valid. Traditionalists insist on the traditional Mass of Pope Pius V being ordered for all times. Then my question is: what about the power of loosing of future popes? Is it not written: „I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.“ (Mt 16,19)

### **The HOLY SPIRIT Is Always Working**

Our GOD is no sleeping GOD, but a living GOD. The HOLY SPIRIT, the Worker in GOD, is not someone who now rests but He is the one who is always working and working. Someone like Philipp Neri has achieved in Rome in the Church so much that a totally different atmosphere came into the Church. And Philipp Neri of all people was a humorist indeed, and yet in his heart he had a burning love of GOD. It was so powerful that after his death they found out that his heart had become enlarged in a way no one thought possible, resulting in two protruding ribs. Philip Neri has also introduced some innovations, especially in music. It was the custom at that time to sing Gregorian chant only in one single voice. Philip Neri was the initiator of part singing.

In former times only men and boys were allowed to sing on the gallery beside the organ. For this purpose boys were often emasculated so as to preserve
