My Ardent Desire

I have only one request, one ardent desire: I would wish that all people were consumed with that longing desire to see GOD happy watching His Bride, the Church. – They still exist, the little sparks, the little flames and, scattered, also blazes, which are there for Him. But compared to mankind it is a vanishingly small number. Let us be honest: it is all too obvious that today the Evil One reigns on earth. And the more you submerge yourself in GOD, the more profoundly you will recognize this. My beloved, there is nothing more blissful than to please GOD. To see His joy makes you happy beyond measure, it is a little Heaven on earth. Then you will have no further desires. Amen!

Sermon of the *Sword-Bishop*

The Holy Church Covenant of Love with GOD

My beloved! My most fervent wish is that the Church may revive to the glory of GOD, that GOD could take delight again in the Church. It is a matter close to my heart and beyond comprehension. – However, here and there I am slandered as an enemy of the Church, defamed for condemning the Church. My beloved, I have been assigned a mission from Above, which is: „You are there to uncover the secret machinations of Satan and to teach the ignorant!“, and in GOD’s opinion I should be much more resolute. Yet they already complain: „He is a Church hater!“ They do not know what they are saying. After all, as a bishop I am the Church and consequently I would condemn myself! Only GOD knows how much I suffer on account of the Bride of CHRIST, on account of the Church. –

What Is Church?

The stone buildings? No, we the people are the Church. That is to say, those who are baptized, who practise love according to the Main Commandment and – under normal circumstances – are under the pope. The Church lives in the holy Covenant of love with GOD. However, this alliance, which is sealed by baptism, can only be upheld in and with love.

„You will recognize them by their fruits,“ the SAVIOUR says. Well then, what fruits do you see in the Catholic Church? My beloved, whatever I look into and wherever I search and search: I will hardly find love of GOD in the official Church. I must stand back and watch this Church be held together merely by utterly ruined walls which are crumbling
