

Then I thought: „But, LORD, who then can stand? How will I be able to stand since I merely love You?“ And He answered: „He who gives Me a tender look already here in the Most Blessed Sacrament of the Altar in the spirit of love and in the spirit of joy – GOD the HOLY SPIRIT will grant it – will look at Me at the time of the Last Judgement not with horror, but likewise with joy and love.“ The bigger your love, the more this voice of the Last Judgement will enthrall you.

What more can I say? Seek to love GOD. Seek to look at Him with love, then it will go well with you. And if you do not feel any love, then say to Him: „Look, LORD, how dry I am! To think I want to love You so much.“ If you speak like that, you have nothing to fear. Amen!

Adoration in Love The Day of Judgement

My beloved, if GOD allows me to have a mystical vision, then it is surely not intended for me alone, but meant to be made known to everybody. But to tell you the truth, it is almost impossible to put such visions into words. However well expressed, it is not the thousandth part of a little speck of dust of the entire seeing and feeling.

As I knelt down in adoration before the SAVIOUR in the Monstrance at the beginning of the Holy Sacrifice of the Mass, I sensed the people that were present behind me, their attitude towards the SAVIOUR in the Most Blessed Sacrament of the Altar. There are some of the faithful who indeed devote themselves with all their hearts and being to adoration and veneration, others less, others again are totally unaware of the fact that they are kneeling before GOD, before the living SAVIOUR in the form of the Host. – What tremendous humility and modesty of JESUS in the Most Blessed Sacrament of the Altar!

Day of Mourning

Look – suddenly the Last Judgement opens up: The SAVIOUR appears in His divine Majesty and speaks. Oh, how shall I explain it? His speaking is as if millions of new worlds were being created, as if there were billions of worlds and on each of these worlds a frightening, roaring thunderstorm bursting, causing one to cover the ears with one's hands instinctively. This thundering and beating, this piercing sound is the voice of JESUS CHRIST at the Day of Judgement. It will sound at once; it will be heard at one and the same time in all the billions of worlds. It reminds one of the sequence of All Souls: „Day of wrath, day of mourning, see fulfilled the prophets warning ...“
