

this plant is sometimes passed on from generation to generation. It is an impressive example with reference to our soul, which is immortal. The soul is GOD's breath and cannot die, however dried out she may be. Even at the slightest contrition and the finest dew of the Sacraments, she will be revived and will straighten up again.

Every Soul Is of Equal Value

– whether it is the soul of a child or the soul of an old man. Or do you think that GOD could tell a man: „To you I will only give a tiny little soul and only a tiny little Guardian Angel“ and to someone else: „And to you I will give a mighty soul and a gigantic Guardian Angel!“? No! Everyone will receive the appropriate grace according to GOD's expectation of the person. Therefore, do become like children holding the hand of your Guardian Angel: „... for the kingdom of heaven belongs to such as these!“ (Matt. 19,14) Amen!

Your Guardian Angel – Children GOD's Most Treasured Possessions

My beloved, I heartily welcome you to the feast of the Guardian Angels! „This is what God the Lord says: „See, I am sending an angel ahead of you to guard you along the way and to bring you to the place I have prepared. Pay attention to him and listen to what he says. Do not rebel against him; he will not forgive your rebellion, since my Name is in him. If you listen carefully to what he says and do all that I say, I will be an enemy to your enemies and will oppose those who oppose you. My angel will go ahead of you.““ (Ex. 23,20ff)

Your Mountain Guide

If you want to climb a very high, unknown mountain, e.g. a mountain in the Himalayas, then it goes without saying that you try to find a mountain guide. But what are the Himalayan Mountains compared with the peerlessly highest mountain top called Heaven? Reaching this summit without a mountain guide is impossible. Well, the good GOD chose an excellent guide for you: your Guardian Angel. He knows like no other your very personal way to Heaven. He knows the treacherousness and hidden dangers of your way down to the last detail. He shows you your way to Heaven.

But in order to be able to follow this your mountain guide you need a sensitive conscience. For as a rule, your Guardian Angel speaks to you through your conscience. However, if you fill up your conscience with sins, even gravest sins, if you know neither repentance nor confession, then the ear of your conscience will become deafer and deafer and with time you will not hear your Guardian Angel any more.

Many believe that their Guardian Angel conforms himself to their peculiarities and opinions; that he follows their paths, even if they go astray or follow sinful ways. No, you have no right to tell your Guardian Angel what he must do or believe. It is written: „Pay attention to him and listen to what he says. Do not rebel against him; he will not forgive your rebellion, since my Name is in him.“ (Ex. 23,21)

And yet: your Guardian Angel will never accuse you as long as you live, no matter what sins you commit. Instead he will begin to pray for you with his mighty angelic prayer. Numerous sinners were only converted because their Guardian Angels threw themselves at GOD's throne praying and begging for their protégés.

Divine Knowledge as a Reward

„My Guardian Angel is without sin, so he should be receiving from GOD whatever I ask for in prayer.“ One day it crossed my mind and I prayed that he might receive new knowledge about GOD in return for his loyalty and help. Then I could see my Guardian Angel raise his hands and – it is almost impossible to explain – how he was engulfed by a beam of light coming from GOD which enraptured him in a high degree. You can also make the same request on behalf of your Guardian Angel. Please him, then he will please you too.

Your Guardian Angel is and remains your personal companion. He will stay with you for ever. However, it is possible that one or more additional Angels may assist you now and then in performing a special task. Or if you are really striving for perfection, from every choir an Angel might accompany you to form you with the characteristic feature of his choir. The Angel of the choir of the Seraphim for instance will teach you the deep, ardent, inner prayer. The Angel of the choir of the Powers will teach you to fight, some other Angel will teach you to stand up for something.

Children – GOD's Most Treasured Possessions

Today's Gospel says: „See that you do not despise one of these little ones. For I tell you that their angels in heaven always see the face of my Father in heaven.“ (Matt. 18,10) And: „If anyone causes one of these little ones – those who believe in me – to stumble, it would be better for them if a large

millstone were hung around their neck and they were drowned in the depths of the sea.“ (Matt. 18,6)

It is a paradox that the Church keeps raising the minimum age for holy Confirmation in contrast to sex education which is given at an ever-earlier age. In many places in Switzerland a minimum age of 18 is now required for receiving holy Confirmation. That is preposterous! The child needs the HOLY SPIRIT! And he needs the HOLY SPIRIT before he is corrupted. The little sapling needs the stake to support it, the tree does not. Confirmation is like a firm stake which gives the child stability and strength. To think that the SAVIOUR says: „Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.“ (Matt. 19,14) Then He hugged and kissed them and placed His hands on them.

Nowadays children are already corrupted in nursery schools by heresies and sex education. GOD once showed me very clearly what happens at schools: I saw children who partly by priests in cassocks as well as by worldly teachers were taught heresies, e.g. that man descends from the apes. Then I saw the face of GOD and these priests in cassocks, scientists, theologians and many others of the teaching staff: some with sharp needles in their hands, others had objects the size of pencils, still others carried whole beams, four or five were holding them – and in this way they pierced the apple of GOD's eye – the children! What a horrible sight! Woe to those priests who teach such things! Woe to the Church which remains silent! Woe to the priests who tell the people at the confessionals that certain things are not sins such as having sexual intercourse without being married.

The Soul – Rose of Jericho

If the soul of a human being has gone dry like touchwood because of sin, unbelief and ignorance of GOD, she can still become green and begin to flourish again at once through repentance and holy Confession, together with a life pleasing to GOD. GOD gave us a wonderful image through the Rose of Jericho. You can keep this desert plant for years and years in a box in your loft. As soon as you put this dried-out plant in a plate with water, you will experience a great wonder of nature: after a few hours this plant, which had been 'sleeping' for years, will have turned into a beautiful green plant and its formerly rolled up twigs have all stretched out and tiny little white flowers shoot up. You can repeat this as often as you like. Therefore
