

mountain. If your eye got caught in sinful images, if you are addicted to the lust of the eyes, the curiosity of the eye, then I recommend: never cease to look, with your mental eye, at one of the three divine Persons or other inhabitants of Heaven. Through such contemplations your eyes will be washed, the satanic nets will be torn to shreds. Should you find it hard to contemplate mentally, a good image, as mentioned before, may help.

Let us go up to this mountain of GOD! There is a fire coming up from below. Not the fire of the HOLY SPIRIT, but the fire of hell. I cannot actually call this infernal fire a fire at all. It is the punishment which Satan inflicts on himself. The HOLY SPIRIT is a fire which devours the Evil One. It is a fire which sanctifies you, warms you and fills you with joyful enthusiasm for GOD. Amen!

Sermon

of the *Sword-Bishop*

Flood of Sins GOD's Mountain

My beloved, be welcome to the Holy Sacrifice of the Mass. We begin: In the Name of the FATHER, of the SON, of the HOLY GHOST. Amen!

Many people would have more success and fewer problems in doing their work, if they began with the sign of the cross and the Name of GOD. It is a short but powerful prayer, which can be said everywhere. If you are in a situation in which you are not able or willing to make the sign of the cross visibly, you can also do it only in thought while bowing slightly.

The Evil One Hates Us

Sometimes the thought might come to mind: „Oh, I wish I were no member of the New Christians! Many a thing would be easier. In the official Church, it would not attract attention if I occasionally do not go to church on Sunday.“ Well, to think in this way is not a sin, but such thoughts may just as well be a temptation of the Evil One. Have you never noticed that the Evil One hates us? Do not be afraid, your Guardian Angel is infinitely stronger.

Let me explain it as follows: After the Flood GOD revealed: „Never again will all life be destroyed by the waters of a flood; never again will there be a flood to destroy the earth!“ (Gen 9,11) Many, many people lost their lives in the Flood of that time – for the very reason that it was GOD's judgement, but also in order to save many souls. It is always like that with GOD. Even in the world wars, many souls were saved though millions of people lost their lives.

Today we have a totally different, new Flood: a flood of sins, yet not coming from GOD but from the devil, from Satan and his minions! This flood of sins does not kill the body, but the soul. Satan hates man! He wants to ruthlessly drown the souls in the flood of sins. This flood tears man down into the abyss of hell. This is the great difference: the Evil One wants to undo man eternally, GOD wants to save man for eternity. GOD's judgements, though very severe and at the cost of earthly life, are meant to cause a sinful person to turn inward and find salvation for eternal blessedness in Heaven.

GOD's Mountain

Who desires to let himself be saved, must leave the worldly-minded Church. He must leave the "abomination that causes desolation" and go up to the mountain. „When you see the abomination that causes desolation standing where it does not belong – let the reader understand – then let those who are in Judea flee to the mountains.“ (Mark 13,14) However, the path up the mountain is tough. But it is worthwhile. On the way upwards there is the occasional beautiful spot where you can rest and gather strength. When you have reached the top: what a magnificent view! Mountain hiking is an example for the spiritual hike up to the mountain of GOD. The higher up you hike, the nearer you come to GOD. And the nearer you come to GOD, the more lively you will become. My beloved, it is reality!

If you climb this mountain, you will have to be more pious and more eager to love GOD than all the worldly-minded people, than all those people who let themselves be swept away by the flood of sins. Through this effort of yours you will escape the flood of the Evil One. It should be worth it to you. Ah, if only you could have an inkling of what is awaiting you in Eternity with GOD! You would be quite willing to do anything and you would do heroic penance for the tiniest little venial sin. You would be sad not to be able to do more to make amends. But we are human beings. GOD knows and He expects us to do only the humanly possible. Should you still lack anything, GOD will give it to you as well.

Food and Drink for the Soul

At church, while receiving the holy Sacraments, while hearing or reading the Word of GOD, you get food and drink for your soul so that she will

gather strength for this mountain hike. Regularly going to holy Confession is highly recommendable, about every four weeks. In it, you can get rid of a considerable amount of ballast again. However, confession is only valid and will only give you new strength if you are honestly determined to sin no more and truly repent of your sins. Contrition does not require tears, just a short moment of pain about your misery will do: „Ah, would I were a Saint! Had I not offended GOD again, I would be beaming with joy now ...“ If you do not find this contrition, then contemplate on the image of the merciful JESUS of Sister Faustina. The SAVIOUR revealed concerning this image: „I promise those who venerate this miraculous image with which they can obtain graces at the source of Mercy that they will not perish. I promise them to triumph over the enemy in life and especially in the hour of death.“

Contemplate on the impressive image of the Sacred Heart of JESUS, painted by Martin von Feuerstein, or take another image of the SAVIOUR, which appeals to you. Look into the SAVIOUR's eyes for a while and at the same time think of your sins. Contemplate on the great love the SAVIOUR bestows on you and on what you give Him in return, then it will arouse contrition in you. Talk things over with a priest, if you still feel no remorse.

Avoid Idle Talk

Walking up the mountain also means: seeking GOD with all your heart. And in order to find GOD, you have to completely give up idle talk. Then you have to become silent and listen to your inner voice, submerge yourself in GOD. After all, you receive the SAVIOUR in Holy Communion. Even if the substance of the Host soon dissolves, the SAVIOUR will stay in your heart spiritually as long as you do not commit a grave sin. „Anyone who loves me will obey my teaching. My Father will love them, and we will come to them and make our home with them.“ (John 14,23)

However, it does not mean that you should merely talk about religious matters. No, not at all! Be normal, but restrain yourself from idle talk. Every now and then you can throw in a religious phrase to see how those around you will react. Do not do this in a moralizing tone or with a straight face, but naturally.

The world is full of demonic nets, which settle on mind and soul. You have to tear yourself away from them, too, otherwise you cannot go up the
