

Pray the Rosary

Why is it that the Christian West is being threatened by Islam once again? Because the Christians have become lukewarm! As the SAVIOUR says: „You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot.“ (Matt 5,13)

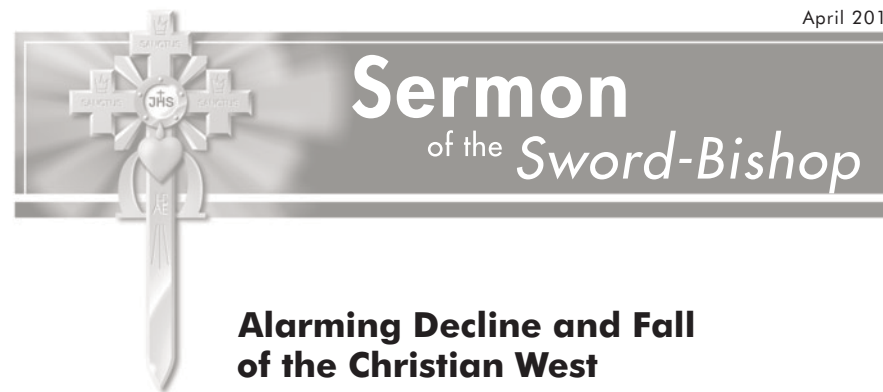

The Christian West is well aware of the threat of Islam. The feast of the holy Rosary reminds us of the naval battle of Lepanto and of the siege of Vienna (1683) by the Turks. – The Christian West is strongly advised to gather once again to pray the Rosary – Mary, the Mother of GOD, used to ask for it again and again.

Alarming Decline and Fall of the Christian West

My beloved, today there is a constant battle going on. The air is filled with the spirit of the evil one. We are drawing towards an era in which – seemingly – evil will triumph over good.

When I hear certain reports on television, on the radio or in other media, it is alarming to see how ingeniously the teaching of JESUS CHRIST is being undermined and corrupted. People say: „We must keep the peace among ourselves, as st Paul says (Rom 12,18): ‚If it is possible, as far as it depends on you, live at peace with everyone!‘“ But woe to a Christian who defends his faith by exposing false doctrines and dissociates himself from them. By contrast, Islam and other religions are held in high esteem. But it is also written: „While people are saying ‘peace and safety’, destruction will come on them suddenly, as labour pains on a pregnant woman, and they will not escape.“ (1 Thess 5,3)

„My Church, You Have Become a Prostitute!“

It is astonishing: When the Swiss people voted against the construction of minarets, the Swiss bishops were the first to express their outrage by saying: „The decision against the construction of minarets does not stimulate the living together of religions, it rather causes damage.“ In the circular ‘In the Name of GOD Trinity’ I had to write at GOD’s dictation very clearly: „My Church, you have become a whore and a prostitute! You dallied, whored and committed adultery with the world! Shamelessly you undressed to lure in the dark. You threw your clothes away from you, and with your nakedness tried to draw your neighbours towards you in the dark. In doing so you broke My holy Covenant! Therefore I will take it away from you and will renew it in the HOLY SPIRIT with the now coming Church of Love.“

Islam Denies the Divine Nature of CHRIST

In Christian love I appreciate and love the Islamist as GOD's creature like every other human being. Before GOD we are all siblings. I know that there are many Muslims with whom one can get on very well, who are very nice people. But I condemn the doctrine of Islam! For Islam denies the Divinity of CHRIST: „*Infidels are surely those who say: Christ, the son of Mary, is God!*“ (Koran: chapter 5,17) Peter, however, declares: „*You are the Messiah, the Son of the living God!*“ (Matt 16,16)

Islam teaches that the Koran is divine revelation. The truth is that the Koran is made up of fragments of pagan religions, Judaism, Christianity, Christian heresies as well as so-called divine revelations. So it is a hotchpotch of religions.

CHRIST Redeemed All Men

Did Mohammed redeem all men? No! Only CHRIST was able to do so as true GOD and true man! – „*For he [Christ] has rescued us from the dominion of darkness and brought us into the kingdom of the Son he loves, in whom we have redemption [through his blood], the forgiveness of sins.*“ (Col 1,13f) CHRIST's Crucifixion, GOD's redemptive Sacrifice, is denied by Islam: „*They did not kill him, and they did not crucify him, but a figure looking like him appeared to them.*“ (Koran: chapter 4,157)

It is an indisputable fact, even among Muslim scholars, that Mohammed started his 'career' as a robber of caravans and murderer who was feared for miles around. He killed hundreds of people himself and ordered whole tribes to be killed. What a sharp contrast to CHRIST ...

Of course, the Christians did not always act in a praiseworthy manner either. But such actions have never been intended by CHRIST, nor have they ever been approved of by Him! „*You have heard that it was said to the people long ago, 'You shall not murder, and anyone who murders will be subject to judgment.'* But I tell you that anyone who is angry with a brother or sister will be subject to judgment. Again, anyone who says to a brother or sister, 'Raca', is answerable to the Sanhedrin. And anyone who says, 'You fool!' will be in danger of the fire of hell.“ (Matt 5,21f)

The Koran, in Itself a Contradiction

The Koran, however, does not only contradict the teaching of CHRIST, it urges people to murder: „*... slay the idolaters wherever you find them, and take them*

captives and besiege them and lie in wait for them in every ambush!“ (Koran: chapter 9,5) The word 'pagans' here means all non-Islamic believers, so also us Christians.

More concise and contemptuous was Ayatollah Khomeini († 1989), head of state of Iran and also highest religious leader of Islam: „*Jews and Christians are to be put on a level with the sweat of camels and dirt-eating pigs and they belong to the most unclean things in the world ... All non-Muslim governments are creations of Satan, which must be destroyed!*“

Ayatollah Ali Khamenei, the present political and religious leader of Iran and former president of Iran (until 2005) proclaimed: „*Christians and Jews say: 'You shall not murder!' But we say that murder is equal to prayer, if necessary. Deception, insidiousness, conspiracy, deceit, stealing and killing are nothing else but means for the cause of Allah!*“

CHRIST, by contrast, teaches: „*But I tell you: love your enemies [do good to those who hate you], and pray for those who persecute you [and curse you], that you may be children of your Father in heaven. He causes his sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous.*“ (Matt 5,44f)

Is Europe Threatened by Islam Once Again?

How can Catholic bishops be shocked when the Christian people are seriously worried about an Islamization? Mosques are not merely places of prayer, but also political centres of Islam. More than ever the persecution of Christians is flourishing, especially within Islamic countries. The press published that about 250 million Christians worldwide are living in fear. As a religious minority they are threatened with death, violated, oppressed, or expelled in more than 50 countries. Human Rights organizations report that in the Muslim world every three minutes a Christian is tortured. In 2009, more than 165,000 Christians were killed because of their faith, most of them in Muslim countries.

Islam wants war against the Christian West. And in a very treacherous, shrewd way it is already going on. „*Democracy is nothing but the train we get on until we have reached our destination. The mosques are our barracks, the minarets our bayonets, the domes our helmets and the faithful our soldiers*“, thus the present Turkish Prime Minister Tayyip Erdogan specified this war on 6 December 1997. Muslim families who have settled in Europe are urged to have as many children as possible, which compares with an invasion. In the Christian West those faithful to Islam become integrated into the highest political offices.
