

tarnish spiritually and will no longer have the effect of the original blessing power. Even if one is not aware of any grave sin, we recommend to have them blessed anew from time to time, e.g. once a year.

Trust in GOD's Instrument

My beloved, even if you cannot tell by looking at me and I cannot show it so clearly, I am still the Instrument of JESUS CHRIST. You should trust in this Instrument of GOD. If there is anything which hurts me, it is when someone is afraid of me or has no trust in me. When the SAVIOUR was on earth, there were times when He revealed His Majesty and people kept their distance in reverence. But in general people were very trusting to Him. Well, I am His Instrument. But I always feel really embarrassed to talk about myself; I always "lose the thread". Be confident. – Let us go to the altar. Then we can talk to GOD and this is the easiest thing to do for me, much easier than talking to many a person. So now I say: Amen!

Sermon of the *Schwert-Bischof*

The HOLY SPIRIT in the Church Remain Faithful to GOD!

My beloved, Apostle Paul writes in his letter to the Galatians:

Gal 1,11f: „I want you to know, brothers and sisters, that the gospel I preached is not of human origin. I did not receive it from any human source, nor was I taught it; rather, I received it by revelation from Jesus Christ.“

Paul Had the Core of the Teaching

Paul was a pupil of the most famous teacher of that time, Gamaliel. He was a scholar and extremely zealous for the traditions of the fathers. And then, he of all people had to learn a new teaching, he had to preach what he had once persecuted. However, it was not a new doctrine to him because he had already within himself the core of the teaching, i.e. the 10 Commandments, hidden as in a nutshell. Now the kernel cracked the shell and produced the fruit. As Paul himself says, he was taken away in order to receive the teaching of CHRIST.

GOD the HOLY SPIRIT – Power of the Church

Without GOD the HOLY SPIRIT the Apostles would not have been able to preach the teaching of CHRIST, although they had been taught by the SAVIOUR for three years. One day the SAVIOUR said to them:

John 14,26: „But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you.“

Only when the HOLY SPIRIT had descended on them, did they go out into the world.

Only when the priest speaks from the heart, will his words enter into the hearts of the listeners. It is the greatest error of many clergy to think that they must study as much as they can, instead of invoking GOD the HOLY SPIRIT, allowing Him to act. To think that e.g. Thomas of Aquinas or Francis de Sales, these very learned authorities of their time, suddenly realized that the simple word spoken from the heart is the really important thing.

Matt 18,3: „Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven,“ says the SAVIOUR.

Trust in GOD!

Everyone is able to love, for it is GOD the HOLY SPIRIT who enables us. Unless you are dead to GOD's grace. But then you are a favourite of hell. The best thing you can do is: trust in GOD!

I, too, have been and still am in the school of GOD. And so I can remember very well how, in the beginning, I went out with ardent joy and readiness to those interested in GOD's work and how I talked about it with great fervour. Today this picture is still before my eyes when one day I came home totally broken because I realized that all my enthusiasm was in vain, and I said to the SAVIOUR: „LORD, I am too miserable. I am just ruining things for You. You must look for someone better than I ...“ Then quietly came this answer: „Look, you speak from your own self, you speak what is yours. Calm down. If your enthusiasm has settled, I will speak through you. Then you are empty and you will speak in My Name.“

The Way to Union with GOD

Man should learn to become at one with GOD. He can do this in the power of the HOLY SPIRIT with the grace which the SAVIOUR earned for us and because our FATHER in Heaven so wants it. A quick way to achieve this is: to accept all the difficulties which come our way, which we go through, illnesses, failure, bereavements, being misunderstood and slandered and all the tribulations. Especially the moments when you think

that it is the last hour of your life, these are pre-eminently occasions which increasingly enable you to leave things to GOD.

Called to Be a Priest

My beloved, being a priest is not a job with a good pay, it is a calling. We are priests willing to bring sacrifices! Many prayers are needed on the part of the clergy. Unfortunately, all too often I see with the clergy of the official Church, but also with those of the Traditional Church, that they only do what they have been instructed to do but that they talk too little with GOD personally. In the confessional the priest should not only absolve, but also talk with the SAVIOUR, with GOD the FATHER, with the HOLY SPIRIT from time to time and after holy Confession about his penitents. He should commend all his penitents to GOD, intercede for them, pray for them.

From GOD's point of view the world is sinking deeper and deeper and the question arises: „To what purpose are we on earth?“ Surely to merit Heaven. We do so by loving GOD. If we love Him, we will do what pleases Him without thinking about it. For this purpose it is necessary to repeatedly read good spiritual books, first and foremost Sacred Scripture. The books of Maria Valtorta, „The Poem of the Man-God“, and the books of blessed A. K. Emmerich are of great value. With them you can quench the thirst of your soul. Use these gifts of GOD, they will help you.

Remain Faithful to GOD

I cannot stop saying: remain faithful to GOD! Eternity is at stake! In the end there are two options left: Heaven or hell! Every now and then I meet a complete stranger, whom I suddenly see dying and standing before GOD and falling into hell. I tell you: it is horrible!

Sacramentals such as holy water, blessed crosses, medals, salt, candles, the Joseph-medal of the Lay Community are excellent shields against the influence of the Evil One. You have no idea of what a wide berth the devil gives them. Use and wear these sacramentals. If you have fallen into grave sin, you should have the medal or the cross blessed anew when you get a chance. For through sin these, too, will become spiritually dirty, will
