

To Die without Fear

If the SAVIOUR had not died for us, if He had not risen from the dead and ascended into Heaven, our life on earth would be worthless. The SAVIOUR had to do this in order to save us. He had to die so that we do not have to fear death. For we know: He has risen from the dead so we, too, will be raised from the dead. He ascended into Heaven, so we can also enter Heaven if we try hard.

How beautiful must it be in Heaven that people will be completely happy and delighted over and over again, eternally, without end. How quickly people today are discontented: „I have already seen it, I am not interested in it anymore!“ Up above, in Heaven, we have many possibilities. The very fact that we will be able to walk in paradisiacal conditions, that we will be able to transport ourselves to any other planet, is unique. But to tell you the truth: if you looked only at GOD incessantly, you would still not be able to grasp His beauty, you would never be able to gaze your fill at Him. The beauty of GOD is so tremendous that you will have no other wish than to just keep looking at Him. Amen!

Your Life – a Screenplay To Die without Fear

Is your life not like a screenplay – a screenplay for a film, which is just being shot? The theme of the film is fantastic. It is about someone who lives his life, dies and will live again. It is going to be a great film because GOD Himself is the producer and His Spirit, the HOLY SPIRIT, is the director. You will be the featuring actor or actress. A tremendous challenge for you!

Easter, a Scene of Your Film

Easter is like a new phase of the screenplay. You call once more to mind what will happen in order to be sure of the shooting script. No matter in what scene you are, whether you are in the "Hosanna" scene or in the "Crucify Him!" scene. You know that according to the screenplay the ending will be a 'happy end'. How you will manage to do that in detail is not decided yet. And whether you will master your film deserving an Oscar is also still written in the stars. Because first you will have to overcome many a Gethsemane and also Good Friday is yet to come. So excitement and great sensation are provided for. Do not be afraid, you will gain applause. For the audience, the inhabitants of Heaven, will applaud you.

But if you do not care about your leading role, if you are not willing to play it well, you will rise all the same, not to the Light, but to damnation. Then the audience of Heaven will not applaud you, but turn away from you. So your leading role is a role in which you yourself decide on your fate.
