GOD Speaks into the Heart

GOD the HOLY SPIRIT does not merely speak into the mind, into the spirit, but particularly into the heart. GOD is love and we can only give back to Him the love which He gave us first. St John the Apostle writes: „We love because GOD first loved us.“ If love were not love giving feelings but only the empty observance of commandments and paragraphs, what then would GOD’s love be? Should He also observe commandments and laws? Oh no! Especially in the Holy Family there was a deep love for one another. They were a living example of this love. JESUS was full of deepest love towards His people and He has the same love for us. And He wants us to love Him back. The SAVIOUR need not have been obedient; He is GOD. No commandments whatever forced Him to be crucified for us, but it was His love, His heart that urged Him to do so. Amen!

The New Law GOD Speaks into the Heart

My beloved, what then is the new law? The stone tablets of Moses with the 10 Commandments of GOD? That is right, these will remain, but they were already valid in the Old Covenant. The SAVIOUR said:

Matt 5,17: „Do not think that I have come to abolish the Law or the Prophets; I have not come to abolish them but to fulfil them.“

The new, perfect Law is the Gospel of JESUS CHRIST! It must be read and lived. Many think that the new Law consists of the laws of the Church and the countless paragraphs of theology. No! The Church can at any time cancel and adapt the laws made by herself:

Matt 18,18: „Whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.“

For example, the Tridentine Mass has been laid down by a pope, so it can also be loosed by another pope provided he improves it to the greater glory of GOD.

Who merely abides by the laws of the Church, without heart, only with the mind, as unfortunately is often seen with traditionalists, has a barren faith or as I would compare it: it is like an artificial insemination – without heart! How do you love your bride, your bridegroom? Unimaginatively? No, with your heart, of course! Otherwise you ought not to be allowed to marry. And how is it with GOD? He says: „Anyone who loves their father or mother, wife or children more than Me is not worthy of Me.“ GOD seeks the love of your heart, not the literal observing of the law, which makes man nothing but self-satisfied and bigoted.

With GOD it is always a going out and coming back. This is achieved by the HOLY SPIRIT. This is particularly well shown in a vision of st Nicholas of Flüe, when he saw in a circle the radiating inwards and
