

Prayer and Sacrifice

People may lose their faith instantly if they think that the devotion to Mary, the Mother of GOD, is not necessary. I know that today the devils and archdevils are in the skies, so much so that the earth would be shrouded in darkness if we were able to see them. They receive their power due to men's sins. These dark powers cause people to have frequent distractions during prayer. If you are distracted in spite of all efforts to the contrary, then rejoice because through your struggling for devotion your prayer will become even more valuable.

GOD will ask you: „Child, what was your intention?“ Then You can tell Him: „Ah LORD, I wanted to say such a good prayer today. Again I failed!“ GOD looks into your heart, He sees your good will and says: „It is all right, My child! You have now even added to your prayer the sacrifice of your struggle.“ Things are often so different from what people think they are. Just do your best and love GOD, for those who love Him want for nothing. Amen!

Mary, Our Empress Roses for Mary

How shall I express the love for Mary, the Mother of GOD? It is impossible to put this into words. It can only be sensed. Empress Mary – she is so powerful, so majestic! GOD's whole light shines on her and from her it radiates to us men.

A Downward Career

In the year zero the SAVIOUR started a dramatic downward career. We men for the most part strive for an upward career. GOD the SON, the SAVIOUR, above Whom there is no one, humiliates Himself in His incomprehensible Majesty to such an extent that He comes down into the dark womb of the Virgin Mary and starts a frugal, poor life on earth. At the end of His earthly life there is no imperial or royal throne waiting for Him, but the cross.

In addition to this self-divestment of JESUS is the fact that the SAVIOUR made His redemptive work dependent on a human being, which is the Virgin Mary. This Virgin was given the opportunity to say 'yes' or 'no' to the election of being the Mother of GOD. Had she said 'no' or had she hesitated, the human race could not have been saved. But because she said: „Behold, the handmaid of the LORD. Be it done unto me according to Your word!“, the whole of mankind is now able to reach Heaven. But man must make an effort to live according to what pleases to GOD. We must be pleasing to GOD, not pleasing to some or other preacher. We are to live according to the SAVIOUR's teachings as they were handed down to us by the Apostles and the Evangelists, and as they were taught us by GOD-pleasing people by word and example.

We Worship GOD Alone

The devotion to the Mother of GOD must not be idolatry. We do not worship the Mother of GOD, we venerate her! Hell is trembling and defeated because of the majesty and power of Mary. She is our advocate. We will never be able or worthy, without any love, just as we are, to go and stand before the SAVIOUR, before GOD. The Mother of GOD leads us to Him. That is her duty and that is what she wants to do. – My parents were wonderful people, my father would even laugh about our boyish pranks. But if we had a wish, for example if we wished to have a bicycle, not a new one, of course, we would go to our mother. „Mum, can you put dad in the right mood so that we can have a bicycle?“ Likewise we go to Mary if we have a wish: „Mary, would you try to win GOD over for us?“

Only to GOD I Bend My Knees

Many years ago I said: „I bend my knees to GOD alone and to no one else!“ When I prayed the rosary some time later, I suddenly realized: „Just a moment, now I am actually kneeling!“ Then I became aware of Mary’s presence – I do not know how to put it into words – she was of an incomprehensible majesty going beyond the whole universe. Hell trembled and shook on account of the tiniest ray of light of Mary. It was a tremendous sight! Now it no longer bothered me to kneel before the Mother of GOD, oh no, on the contrary. You will remember that, when I enthroned the Mother of GOD as Empress, I ordered Hell: „In the Name of the Almighty, Triune GOD and as Sword-Bishop of JESUS CHRIST I command all doomed angels and souls of Hell: Bow down before the Empress Mary! Bow down now and be defeated, now and always and to all eternity!“

Speaking with GOD

I am not fond of hearing the word ‘praying’. I prefer to say ‘speaking with GOD’! Is that not overwhelming: to the Almighty, all-powerful GOD we are allowed to say ‘You’, to say ‘Father’, ‘Daddy’. Because, correctly translated, ‘Abba’ does not mean ‘Father’ but ‘Daddy’. So if you gather for prayer, remember that it is not so important that you have prayed the Rosary, but that you pray it to the best of your ability contemplating with your heart.

Too often the Rosary is just rattled off. Once, when visiting a church, in which people were busy praying the Rosary like that, I could not take it anymore. As I was wearing the clerical collar, I rose from my seat, went up to these men and said: „What are you doing? If you are in a restaurant, you can sweet-talk the waitress with honeyed words. But with the most wonderful, perfect girl you make such a rattling noise. Talk with Mary as if you saw this most beautiful creature of GOD.“

When people pray to Mary I often only sense: „Give me this; give me that; pray for me concerning this or that.“ Hardly anyone says: „I venerate You, I love you. I wish Your wishes to come true.“ The evil of the world today is that people just want the getting part instead of the giving one, even in marriage.

A Bunch of Roses

At the time of the Children’s Prayer Storm there were some children sitting before me. At that time families used to pray the Rosary quite a lot, and for this reason I asked the children: „Do you, too, have to pray the Rosary at home?“ When I noticed that some of them, with a profound sigh, said yes, I took the rosary into my hand and said: „You are right, there are a lot of beads on it. But is it really as bad as you think? Look, if you take a bead and say: ‚Hail Mary ... ‚, Mary will listen attentively to you and quite delighted will look down from Heaven on you telling the Saints around her: ‚Look, this child greets me!‘ She is so full of joy that she forgets about all the great Saints and only looks at you. If you now see Mary so happy, it will be easy for you to go on: ‚You are full of grace; the LORD is with You; You are blessed among women ...‘ Depending on how ardently you pray, a wonderful rose will spring from each bead, and depending on how much your heart is involved, a wonderful fragrance will emanate from this rose.“

I further said: „Will you give your mother just one flower on Mother’s Day?“ – „No, a whole bunch of flowers!“ they all answered. „You see, your heavenly Mother, too, will be pleased with a whole bunch of flowers. Look, there are many flowers to pick here,“ and I showed them the rosary. „Every bead on this string is a flower. With every ‚Hail Mary‘ you will pick one of them.“
