

Satan has entered the Church right to the top." This smoke does not lead to an unavoidable death. However, who is standing in the smoke does not see clearly anymore, has only a very blurry vision of the truth, seems to be dazed as if he had been taking drugs. That is why we should not be simply criticising young people or be angry with them. You would not rebuke a blind person for not being able to read, would you?

### When Will the Church Be Enkindled with Love?

My beloved, I am feeling so miserable because I am not able to say how the Sacred Heart is. It upsets me very much to think that the majority of people on earth do not come to know this love of the Sacred Heart. To think that it would give the SAVIOUR great delight if humankind would grasp His love. I told Him: „LORD, I just look after You and You look after me!“ And He does not provide poorly, I can tell you so from my own experience. What I am wanting in yet is the joy of knowing the Church to finally love GOD again. Amen!

### Feast of the Sacred Heart Pain of Love

My beloved, I would like to welcome you heartily and I am pleased that you have come to support me at the altar on today's feast of the Sacred Heart.

As you all know, I was consecrated Priest at the feast of the Sacred Heart on 17 June 1977. It is interesting that 17 June is also my father's day of death, and today this day is on a Sunday. The day before the consecration the SAVIOUR told me: „Tomorrow you will be My Priest of the heart!“ My beloved, I tell you, if you are going to be consecrated priest – the person to be ordained will be consecrated with Holy Chrism –, you will receive a different heart. This was also my experience. When, after my ordination to the priesthood, I saw all those starving souls, who, in the absence of a priest, had been unable to receive the Sacraments for so many days, I kept my mind on one thing: „I must celebrate the Holy Sacrifice of the Mass so that I may give them Holy Communion, the food of the soul, the SAVIOUR.“ Nevertheless, no one gave me any instructions how to celebrate the Holy Sacrifice of the Mass. I did not even know how to put on the Mass vestments. My bishop always just said: „With you it is GOD who acts, I do not want to step in.“ So my Guardian Angel told me bit by bit what I had to do, even how to put on the Mass vestments. It was interesting: the priest usually wears the stole crossways indicating that he is bound to the bishop. The Angel, however, told me that I should not wear it crossways but straight down the front.

### Feast of the Sacred Heart 1977

Then it was time to look up the reading and the gospel in the missal. When I saw that this day was the feast of the Sacred Heart, I was deeply

---

moved and overwhelmed. The evening before the SAVIOUR did actually say to me: „Tomorrow you will be My Priest of the heart!“

That is how I celebrated the first Holy Sacrifice of the Mass. Here also the Angel instructed me. Shortly before administering Holy Communion I had a terrible fright because it suddenly occurred to me that in the tabernacle there were only about six or seven Hosts left, which my bishop had recently consecrated. I had forgotten to prepare another ciborium with hosts. How much have I wrestled with the SAVIOUR concerning this and asked for His help! Still in this deepest worry: „What will I do now?“ I opened the tabernacle. And what did I see? The ciborium was filled to the brim with Hosts.

The next day busses loaded with believers came again to the Holy Sacrifice of the Mass. And again I had not thought about providing an additional ciborium with Hosts. Once more I was in deep distress and terribly worried. But also this time to my astonishment the ciborium was again brimful of hosts. This happened no less than three times. The whole world may disagree – it was GOD’s work! These were enough signs for me. No one but me had access to the tabernacle. I always had the key of the tabernacle with me.

### **Pain of Love**

I suffer from the unlovingness of the Church towards the SAVIOUR in the Most Blessed Sacrament of the Altar. The pain is great and I would rather not say so. I do not know why the SAVIOUR let me feel this so painfully on this day of all days, on the morning of His feast day.

Do not believe that I am always in bliss. No! I have to go through very hard times of complete dryness and loneliness. GOD allows it to happen that there are times in which I have absolutely no feelings towards the SAVIOUR nor receive any from Him. When I look at Him, it seems to me as if I had completely disappointed Him, and He would therefore turn away from me. That is a dreadful pain because the love I have for Him is not mine. It was given to me for my mission.

From my childhood I have daily prayed: „LORD, let me love You!“ Today I only say: „LORD, let me be a joy to You!“ I also said to Him: „LORD, if only once I were able to bring a hint of a smile to Your face, then I will be happy and You may wipe me out.“ I warn you against asking for such a love for she is painful, very painful. He who believes that love is a wallow in feelings, is mistaken.

### **Loving GOD with Your Heart**

It pains me very much if the love of GOD is being made fun of by people saying that this love does not exist, by people teaching that GOD must not be loved with the heart but with the mind. Nevertheless, we do know the Main Commandment: „You shall love the LORD your GOD with your whole heart, with your whole soul, with your whole mind and with your whole strength!“ This is the first Commandment. But the second is like to this: „You shall love your neighbour as yourself!“ This love, however, must be asked for in prayer from GOD.

### **The HOLY SPIRIT – the Power of Love**

When I go up to the altar and start the Holy Sacrifice of the Mass, I see the SAVIOUR mystically, alive at the cross. GOD the FATHER appears over the cross. GOD the HOLY SPIRIT is the power of love. As soon as the Holy Sacrifice of the Mass commences, He begins to work through the priest. Sensing the HOLY SPIRIT is something unbelievable. Every love affair, however powerful and strong it may be, is but a smouldering spark compared to the love of the HOLY SPIRIT. It is this love that sometimes makes me pause and falter in the Holy Sacrifice of the Mass.

### **When You Are Standing before GOD**

Sometimes, when meeting people, no matter where, I am forced all of a sudden to see their facial expression when they stand before GOD. I cannot do this myself. GOD gives it to me, I am merely His instrument. They are incredibly happy moments for me watching the face of that person who sees the SAVIOUR begin to shine. Others do not bear the light of GOD yet. They set eyes on this incomprehensible light, this love of GOD, which we human beings are not able to grasp, and they feel dirty so to speak. In their deep wish to cleanse themselves, they throw themselves into the place of purification (Purgatory). Then again I also perceive such faces of people who in dreadful fright damn themselves.

### **They Are no longer Aware**

I see young people who no longer receive any religious education. They have lost the knowledge of GOD. Back then Pope Paul VI said: „The smoke of
