

filled with wonder, according to how He reveals it to you. Because GOD the HOLY SPIRIT does not speak into your mind but into your heart!

Do you know that GOD the FATHER is highly pleased if you ask Him questions as a child asks his father questions? When I played on the grass as a child and I watched, for example, a little beetle creeping around, I automatically asked: „Dear Heaven-Father, what were You thinking when You created it? Why does this little beetle have six legs?“ And I noticed how delighted GOD the FATHER was about my questions. This would be the only true science: to ask the FATHER when researching into the nature of things.

The SAVIOUR said to me: „It is My wish that you give Me all the love which you have in your heart, and I, on My part, will constantly refill your heart from My heart.“ My beloved, this also goes for you and for all human beings! Amen!

Sermon

of the *Sword-Bishop*

GOD the FATHER His Look at the Earth

My beloved, I heartily welcome you to the feast of GOD the FATHER. We have celebrated this feast for 25 years now which we then solemnly instituted because our Heavenly FATHER, too, deserves to have a feast of His own. The Church celebrates feasts on behalf of GOD the SON such as Christmas and Easter, Whitsuntide on behalf of GOD the HOLY SPIRIT but a feast intended for GOD the FATHER was still lacking. Within the divine Persons, the FATHER, the SON, the HOLY SPIRIT are equal in Majesty and greatness. – To me the feast of the TRINITY is the greatest feast. Besides, I have a special relationship with and love for GOD the FATHER because my calling came from the FATHER, not from the SAVIOUR. Only when I was ordained a priest did the SAVIOUR call me to be His personal instrument. Of course, all this was accomplished by GOD the HOLY SPIRIT.

GOD's Plain Language

In those 76 years of my life I have met many people. However, I have never met a person who speaks such simple words as GOD does. What simple words did the FATHER speak at that time when he called me: „Go to the little ones!“ Not a word more. While I was pondering on its meaning as I was already engaged in the work of the 'Little Souls', He added: „To the very little ones!“ Only when thoughts came to mind whether or not this comes from GOD, did He reveal to me:

„Look, if at work you have become upset and you come home in such an angry state that not even your wife would be able to calm you down at once, and you go into the room in which your youngest child, lying in his cradle, full of childlike innocence extends his little arms to you and smiles at you, what will happen to you then?“ – „LORD,“ I answered, „then my whole anger will surely melt away!“ – „You see,“ the voice spoke in me, „that will happen to Me, too. Just only to the little children is it given to calm My holy wrath. Their unselfish and innocent prayer from their pure hearts of children is what I am longing for ...“ And so I founded the Children’s-Prayer-Storm in those days.

GOD is Love

It is impossible to speak about our Heavenly FATHER as I would like to. There are no words to express how GOD allows me to perceive it mystically, only one thing: love! Love is the key to Heaven, to everything. When I say love, I do not mean what the world means by it but the Main Commandment of the Christians. Love is only love if it comes from GOD. Because GOD is love! This love radiates throughout the whole universe and even further, what man does not know about and could not grasp. All that is love and we must ask for it in prayer! Already from childhood I have been praying for one thing: love of GOD! Because we cannot generate this love ourselves.

Love can also be very painful. Once, when I felt very miserable before GOD and called myself a poor wretch, the SAVIOUR said: „You must not do that! You are Mine and he whom I have chosen has no right to criticise himself or consider himself good or bad.“ Let us just leave it to GOD.

GOD’s Look at the Earth

GOD the FATHER said: „If I look down on the earth today, I see what I have never wanted to see. My ears hear what I have always feared having to hear! My heart as a FATHER is submerged in sorrow. I had

created man in My image and he has degraded himself. So many among them today have taken on the likeness of the beast (the Devil)! My Heart is grieved because I see the ends of the earth and what I see is not according to My heart’s desires ... Your FATHER rules everything but not your freedom, and man has spoilt his freedom ...“

At these words of the FATHER a picture inevitably suggested itself to me: how far has the world drifted away from holiness! How much is peace absent, to begin with the peace in every soul. Grief almost overwhelmed me to such an extent that since then, if I give free rein to it, I live in great agony. My soul then feels such a deep pain every time I open up to it.

I perceived the whole world gnawing away at the Body of CHRIST (Church). I felt how badly people need peace and instead of looking up to CHRIST how they are all so busy to tear one another apart and forget His holy presence among us. I saw how much the world is mistaken, even those who are very close to CHRIST and how badly love is missing. I perceived how much the Most High is being ignored because we are too embroiled in petty squabbles and busy wishing one another ill. I perceived the wickedness of the world and how much people are taking a delight in hurting one another. I felt how much CHRIST is scourged and crucified anew by it all. The contrast between His holy Greatness and these defiled souls was striking. How remote are we from holiness and purity! I heard the SAVIOUR’s call while they scourged Him, even today: „Peace ...!“ many, many times from His mouth, while His Body was being gnawed to pieces by our cruelty. At times He could but utter this word peace in a murmuring voice.

Asking the FATHER

It is with a plain, simple and childlike faith that you are supposed to believe. Never even want to get down to the bottom of things or try to explain them for you will only remove the veil of your childhood to GOD that covers your eyes. You will not be able to understand GOD as a doctor or a professor of theology but only with a childlike faith,
