

Holy Scripture is the Word of GOD

Even if these words were written down by the Apostles, by human beings that is, but still it happened at the prompting of the HOLY SPIRIT. It is the Word of GOD. Translation resulted in slight alterations, nevertheless Holy Scripture remains the skeleton. The 5th Commandment, for example, is often translated as: „You shall not kill!“ So neither would we be allowed to eat meat any more, nor kill any gnats. A better translation would be: „You shall not murder!“ Murdering means: killing when it is not absolutely necessary, if, for instance, cattle are cruelly slaughtered in their thousands, in abundance.

Therefore, let us be happy today at the feast of the Ascension of CHRIST. Let us thank GOD for giving us the opportunity of once entering Heaven. Be careful then: if you want to go to Heaven, you have to do what the SAVIOUR taught. That is your guarantee! Amen!

Ascension of CHRIST Dwelling Places in Heaven

Dearly beloved, we celebrate the feast of the Ascension of CHRIST. Before JESUS ascended into Heaven, He revealed to us something unheard-of: „I am going to the FATHER to prepare a place for you. Then I will come back and take you to be with Me. Because I want you to be where I am.“ (comp. John 14,3) These are words of which one says: „Should people nail me to the cross a hundred times, I do not want to miss out on this dwelling place!“ If the SAVIOUR had not ascended into Heaven, we would not have a possibility of attaining Heaven either. In everything He has gone ahead of us.

GOD Founded One Church Only

However, you have to realise: if once you may want to move into a mansion in Heaven, then you must comply with what GOD commands. And what did He command? Well, the SAVIOUR called Apostles with whom He had been together for three years in order to instruct them. They passed His teaching on to us by word of mouth and in writing. However, many have been dabbling in it over the centuries so much so that it no longer corresponds to the original. GOD founded one Church only. Therefore, pick up the Bible and examine by means of JESUS' words what is right and not right – what comes from GOD or what does not come from GOD. It should always be in accordance with the Scriptures. The Saviour Himself does say:

Luke 21,33: „Heaven and earth will pass away, but my words will never pass away.“
