

We have such great intercessors in Heaven, the biggest laser guns against the Evil One just waiting to be called upon by us men: Mary, Joseph, Saint Michael, the Angels, John the Baptist ...

GOD's Salutation to Mary

The "Hail Mary" is the salutation which the Archangel Gabriel brought to Mary by GOD's command. We should, therefore, not simply rattle off this noble salutation thoughtlessly, but think carefully about what we say. If, for example, I pray: „Pray for us, sinners, now and at the hour of our death!“ I no longer need to fear death for, I mean, she is the Mother of our LORD. GOD cannot deny her anything provided that I ask for good things. And now I am going to pray a "Hail Mary". It will be the best sermon. Amen!

Assumption of the Blessed Virgin Mary Mary, Co-Redemptrix

Dearly beloved, Mary was taken up body and soul into Heaven. That goes without saying, it is the truth.

Mary, Co-Redemptrix

JESUS wanted to take upon Himself the whole burden of sin of mankind with His body – as GOD. Only through His bitter Passion and His human death could He redeem us because He wanted it that way. But, with her SON, Mary jointly redeemed us in her heart. The SAVIOUR would never have suffered her to have to go the same way as He did, also to be embalmed and put in a grave. Mary was so holy that no human being would have been worthy to cover her body with balm as was customary in those days with the deceased. She was without any stain, without sin – it is true, so was the SAVIOUR but He wanted to make this sacrifice for our salvation.

When the earthly time of Mary, the Mother of GOD, came to an end, she did not actually die but her longing for Heaven, for her divine Son became so intimate and spiritualized that she was transformed. The Angels came and carried their Queen up into Heaven. But I think, it will remain a mystery to the Church until Mary herself will reveal it by means of a great apparition. Whether we will live to see it or whether it will happen only at the end

of the world, we shall see – from below or from Above. Let us endeavour to look at it from Above.

Mary, Feast for the Eyes of GOD

In Heaven Mary is a feast for the eyes of GOD. She surpasses – apart from GOD – everything in Heaven! And because she is GOD's feast for the eyes, she achieves more than expected with GOD. But it is of little avail to you if you only go to her in times of trouble or with a wish. At least you should first repent and make a firm resolution to change your life in a GOD-pleasing manner and to be willing to love and honour GOD and the Mother of GOD in future. One of my greatest concerns is that the Mother of GOD may be so much honoured and loved by mankind as GOD wants her to be.

You may pray a thousand Rosaries. If, however, you do not live in a GOD-pleasing manner, it will not be of any use to you, unless, through the intercession of Mary, you keep obtaining grace to mend your ways. But the decision to become worthy of grace is up to you.

If I draw near to the Mother of GOD with contrition and remorse because of my transgressions, I remind her of CHRIST's Crucifixion and tell her basically: „Please, do not let it be all in vain what happened for me, that the SAVIOUR suffered so terribly for nothing ...“ And if I want to give her something full of joy, I remind her of her Assumption into Heaven. What a joy!

Mary's Greatest Joy: Her Assumption into Heaven

Mary's coronation in Heaven was quite impressive, but more for those in Heaven. To the Mother of GOD herself, the Assumption was her greatest joy, when at last she was assumed into Heaven out of the dust of the earth, and her Son, the SAVIOUR, came to meet

her in His pure divinity. What an embrace that was! Then she was allowed to go to the FATHER ... – it is impossible to explain how the FATHER embraced the Mother of His SON – something wonderful! Then her bridegroom, GOD the HOLY SPIRIT, came to meet her ... Do not worry, there is no rivalry in Heaven. The Most Holy TRINITY – and now, next to Them, the reflection of the TRINITY, the Holy Family: Joseph, Mary, JESUS. In Heaven it was an incredible triumph!

Being Filled with Wonder and Admiration

GOD loves you in a fatherly and motherly manner. With this, man crashes into the ceiling of his own comprehension. GOD is fatherly and motherly. That has nothing to do with 'being-man-or-woman'. In order for man to be able to understand the motherliness of GOD, GOD created Mary. She embodies His motherliness.

Dearly beloved, we can only look at GOD in amazement. We can go into stillness and contemplation, look at GOD in our minds and admire Him; without understanding, just admiring, loving. Then the love of GOD will be enkindled in you. Why should that be difficult? GOD will surely be found! „Seek and you will find; knock and the door will be opened to you!“ it says in Sacred Scripture.

Powerful Intercessors

Do not be afraid that GOD might be disappointed if you turn to the Mother of GOD with confidence. She does not go and stand before GOD but takes you by the hand and leads you to Him.

When time has come, the Mother of GOD will lift her heel and destroy the Evil One. That is: Mary will pass on GOD's command "Enough!" to the Archangel Michael.
