

to hell that these souls do not even know that they are saved. But generally speaking a poor soul knows that she is saved on account of the tremendous grace and mercy of GOD. She knows that Heaven awaits her. For a moment she saw or felt GOD, she sensed the love emanating from GOD. That is unbearable for the still sin-stained soul. She will as soon as possible surrender to cleansing, craving beyond words because of the love she encountered.

But the cleansing before GOD is not so easy. If someone for example did not appreciate the Holy Sacrifice of the Mass while living, the Holy Sacrifice of the Mass which is offered for him after his death, will bring him only little benefit or none at all. GOD will then give these graces to other souls. However, there is one exception: if you attend this Holy Sacrifice of the Mass on behalf of the deceased, then his soul will be granted comfort and help. Let us never fail to do this favour of love if somehow possible. Amen!

Joy in GOD Feast of the Church Suffering

My dearly beloved, how often do I speak about cheerfulness. Mother Teresa puts it perfectly, which I like very much: „Cheerfulness is a sign of a generous person who has died to himself, to whom nothing, not even his own self, matters, and who tries to please GOD in all he does in favour of the souls. Usually cheerfulness is a disguise, hiding a life of sacrifice, a constant union with GOD, zeal and generosity. A person possessing this gift of cheerfulness quite often reaches a high degree of perfection. GOD loves cheerful people and also a cheerful giver.“

Pleasing the Poor Souls

Why do I speak about this today, of all times, on All Soul's Day? You know that I always go out of my way to never be sad, especially at sad moments. Is it not so that today of all days we have every reason to be full of joy because with our prayer and sacrifices we are able to free the poor souls from their horrible pains so that they may enter into everlasting bliss. – Not only can you give the poor souls your sacrifices and suffering, but also your joy. However, this joy will only be beneficial to them if you relish it with gratitude.

Longing is Purification

Purgatory has many steps. Do you know how many? Each poor soul has their own. GOD can do that. There are stages so close
