

spiritual children. You all are very close to my heart. GOD has put you into my heart. I only want what is best for you. But what use is it if I ask GOD to give you everything beautiful for this world, and afterwards you will receive eternal damnation? If I truly love you – I do not speak of human love, it is not even my love, but it is the love of the SAVIOUR for you that I feel – then you must also understand that first and foremost your salvation is important to me if one day you were to say goodbye to this earth.

### This Year Is Dedicated to the HOLY SPIRIT

May the HOLY SPIRIT make the year 2015 come to fruition. I would like to say: „Come, HOLY GHOST, stop this satanic triumphing, stop Satan’s joy in today’s world!“ But that is not my concern, it is even no longer GOD’s concern, but man’s. As man responds, so will GOD respond. Amen!

## Sermon of the *Sword-Bishop*

### **GOD the HOLY SPIRIT Author of All Things**

My dearly beloved! We celebrate the holy feast of Whitsun, one of the most solemn high feasts of the year. I will try to dwell on the third Person of the Most Holy TRINITY. – There is GOD the FATHER – the SON was already in Him with the HOLY SPIRIT, the SPIRIT of GOD. GOD the FATHER – it is almost impossible to explain – begot His SON JESUS from all eternity, and so there are now two Persons present in one GOD. But if these two are only one GOD, it can inevitably be only one SPIRIT. If the FATHER had a separate Spirit and the SON likewise, then they could not be at one with one another, not be one GOD. So the SPIRIT, who was still resting in the FATHER, had to emerge and He is so powerful that He became a Person Himself. It is He who is the SPIRIT of the FATHER and of the SON. Above the FATHER and the SON is this one SPIRIT. Thus the three Persons are one in GOD.

### **One GOD – Three Persons**

The FATHER is the one who wills everything. He ordains: „That is the way it is going to be!“ The SON came down to earth because through sin we had lost Heaven – the eternal blessedness with GOD. So great is GOD that this little fault of Adam and Eve in Paradise was so aggravating. Adam and Eve had a much deeper knowledge of GOD than we do. They had a very personal relationship with GOD because He did visit them in Paradise. After the Fall of man GOD the SON was willing – all three divine Persons always decide together, though – to go through something terrible in order to save us men, you, you, you ... every single person.

---

Conclusion: the FATHER willed it so. The SON offered Himself for our salvation. But we have the free will whether we want to accept His Blood or not. We humans cannot possibly bring ourselves to do it, impossible, therefore the HOLY SPIRIT comes to our aid. The HOLY SPIRIT is the one who can give us the strength, who can warm our hearts for GOD. But we must turn to Him – we must invoke Him. Today, while even the Church is in a desperate condition, more desperate than the greatest pessimist would believe, we have no other choice: we must much more frequently invoke the HOLY SPIRIT! He is the power! He is the love of GOD!

### **Temple of the HOLY SPIRIT**

Should we not be temples of the HOLY SPIRIT?! – Once a young woman came to me in the confessional, who used to be a grave sinner and then became converted. She asked my permission to scourge herself as a penance. I inquired about the whip; it would have been a nasty one, indeed, with iron parts in it. Then I said to her: „Yes, I allow you but first you take any piece of iron, go up to the front and with it make a few scratches on the Tabernacle in which the SAVIOUR is.“ Startled, the woman said: „No way I can do that! I cannot bring myself to do it!“ My answer: „Why not? After all, it is just metal. You, however, are a temple of the HOLY SPIRIT! You are worth much more than this Tabernacle, as you possess the holy anointing of Baptism and Confirmation.“

Through holy Confirmation the HOLY SPIRIT can work much more in a person if this person is willing. – He is the strength. This strength can be restored to you every time you have lost it through a sin, you can regain it again and again through holy Confession.

### **The Author at the Altar**

In the Holy Sacrifice of the Mass it is not the priest who transforms bread and wine into the Body and Blood of CHRIST, but the HOLY SPIRIT through the priest. If a priest has been validly ordained, the HOLY SPIRIT accomplishes through the priest what the priest believes

and wants to perform. If a priest does not believe and just thoughtlessly recites the words of Consecration like someone who is doing his job, just because he has to, then it is very questionable whether the SAVIOUR comes down on the Altar at all. Because it takes the faith of the priest for it to happen and his will to perform the Consecration. Then the HOLY SPIRIT will accomplish it.

Therefore, the priest says: „Come, GOD HOLY GHOST, You Author and Sanctifier, and ...“ As the HOLY SPIRIT works through the priest, likewise He works with you, with every person, if they open themselves to Him. You need not study much, on the contrary, the more miserable a person is, the more will the HOLY SPIRIT have to work. The more humbly a priest thinks of himself, the more he will invoke the HOLY SPIRIT to act through him.

### **Guardians of the Sacraments**

Let us consider today's practice of communion. If only you could just once catch a glimpse of what I see. The consecrated Host is really the SAVIOUR. Do you know what a feeling it sometimes is for me when I see, while administering Communion, how the Infant JESUS makes a warding gesture against someone? Then it is so difficult for me to administer Holy Communion to this person that I say: „SAVIOUR, give me the severity, but please help this person!“

What happens in the official Church today? The Communion is administered while standing, the priest says successively: „The Body of CHRIST, the Body of CHRIST, the Body of CHRIST ...“, knowing full well that nowadays people sin much more than they used to, when they were more consistently regulated by good morals. To think that the priest is the guardian of the Sacraments and responsible for the distribution of the Sacraments.
