Invoking the HOLY SPIRIT

In the Old Covenant people would pray with all their might and fervour for the coming of the Messiah. Mainly Mary and Joseph have invoked the Messiah. Their prayer was of such momentous weight that the SAVIOUR came indeed earlier than was prophesied. Today we should just as much invoke the HOLY SPIRIT! He is still able to change the people. GOD's instruments are only occasionally able to. – Glory and love be to GOD the FATHER, to the SON, to the HOLY GHOST! Amen!

Sermon of the *Sword-Bishop*

GOD is Pure Love JESUS' Missionary Task

My dearly beloved! The Most Holy TRINITY defies explaining. The One and Triune GOD, in whom we believe, is pure love. Who is the unfortunately still unknown HOLY SPIRIT? The HOLY SPIRIT is the personified love of the FATHER and of the SON. None of the divine Persons is greater in Majesty, all three are equal. If you light three candles and hold the flames together, you have got three candles but it is one flame. – Three Persons, one GOD. – These Three are one, are perfect love. GOD wants to confide in us human beings so that we may live with and in Him, therefore He created the world for us and sent us His SON.

But what is love? True love comes from GOD. So when two unmarried persons go to bed with each other, to put it clearly, they also call this love, nevertheless it is sin because GOD does not want it. These people tempt each other to sin. That cannot possibly be love! Only what pleases GOD, is love.

Divine Working in Man

Our FATHER in Heaven has given life to us, it is, therefore, very important that we please GOD. Because of our sinfulness we would not have deserved any longer to receive what GOD the FATHER wanted to give to us. The SON has again enabled us to return to GOD. We human beings are too weak. We would not even be able to cry out "ABBA" – ABBA, correctly translated, does not mean FATHER, but DADDY –, if we are not being led by the

SPIRIT of GOD. The HOLY SPIRIT enables us to. He is the link upwards on High. The sighs surging up from our hearts to GOD are not our own, but His. Such sighs and supplications reach GOD the FATHER. You see that all three divine Persons are active.

If you go to different churches, you often hear: „In the Name of the FATHER, of the SON,“ then more and more softly and unintelligibly: „... of the HOLY SPIRIT. Amen!“ Already from boyhood it hurt me, even terribly bothered me. – I have urged those entrusted to me to bow when speaking: „glory be to GOD the FATHER, the SON, the HOLY GHOST!“ Seeing that the head is already lifted up while still praying: „... the HOLY GHOST,“ I become inwardly annoyed. In this day and age, we especially need the HOLY SPIRIT. He is the SPIRIT of the FATHER and of the SON! – Honour and love the Most Holy TRINITY!

“Teach Them to Obey Everything I Have Commanded You”

Matt 28,18-20: „Then Jesus came to them and said, ‘All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. ...’”

Today it is broadly said that everyone may believe what they like; everything is all right, all will go to Heaven, no matter how they live ...? It sounds so well disposed towards humanity and tolerant. You do not get in anybody’s way and you expect to be kindly left alone by others as well. Does that not go against the mission of JESUS CHRIST?

JESUS Is Truly Present!

Do you also know that a majority of the clergy, who celebrate Holy Mass, do not believe at all any more? In that case the transubstan-

tiation of bread and wine into the Body and Blood of JESUS CHRIST does not take place either, therefore the Mass is invalid and ineffective. The faith of the priest is required. Even perhaps if he has his occasional doubts, but cries out in his heart: „LORD, I believe, help my unbelief!“ then the transubstantiation and the Sacrifice of JESUS CHRIST on the Altar will be brought about.

If I were to make known: „The SAVIOUR is coming there in this church to the Sunday celebration just as He was with the Apostles!“ then people would come flocking in crowds. But in every Holy Sacrifice of the Mass, which is validly celebrated, the SAVIOUR does come indeed at the words of Consecration: „This is My Body, ... this is My Blood ...,“ on the Altar! This happens wherever there is a validly ordained priest who believes – whether Catholic, Old Catholic or even Orthodox, they all have a valid succession of ordination, as we also do, going back as far as the Apostles. That is the deciding factor.

The Holy Sacrifice of the Mass Must Be Pleasing to GOD

When once a woman came out of the chapel after the Holy Sacrifice of the Mass, she remarked: „This Holy Sacrifice of the Mass did me good!“ To which I replied: „Hopefully GOD as well!“ because the Holy Sacrifice of the Mass is first and foremost offered up to GOD the FATHER. The SON offers Himself to the FATHER through the HOLY SPIRIT. So it must please Him.

When every gymnastics club wants to have its say: „We would like to have a Mass so and so!“ that is a no-go. The Holy Sacrifice of the Mass must please GOD! It is offered up to Him and when it pleases Him, we will receive most powerful blessing, strength and grace for our everyday lives. – Basically what the holy Doctor of the Church Bonaventura said was: „As far as the SAVIOUR in the Host is concerned, every Holy Sacrifice of the Mass is of equal value. But as far as the priest at the Altar is concerned: the more pleasing to GOD the priest is, the more graces he will draw down from GOD for himself and the faithful!“ Therefore, many nowadays simply do not obtain
