

will give every single person to recognise how he stands before GOD – where he will go to: up or down or whether he still needs to go through a tremendous purification. By doing so GOD gives us the chance to be converted. That will be the triumph of Mary, the triumph of GOD over evil! Then so many people will be converted that we will not have enough priests to hear confession out in the open. Nevertheless, many people will be obstinate against the HOLY SPIRIT. These people cannot be converted any more and will go to hell, because they have Satan as their father.

My dearly beloved, bear in mind that the HOLY SPIRIT is the SPIRIT of the FATHER and of the SON. When you venerate the HOLY SPIRIT, you will also venerate the FATHER and the SON. He is the One who can lead us to faith so that GOD may take pleasure in us. – We can achieve many things in prayer and by pleasing GOD. Do we not have the HOLY SPIRIT, the Comforter, who greatly gladdens our hearts? Amen!

## **The HOLY SPIRIT Makes Everything New Triumph of Mary**

My dearly beloved, we will be celebrating the high feast of Whitsun – a feast which is to be regarded as tremendously great as Christmas and Easter. In GOD are three Persons: the FATHER, the SON, the HOLY SPIRIT – today we want to praise and exalt the third Person in GOD!

What have we given to GOD as a present in this life? For every vocational training we go to school two, three or more years – for this tiny little moment that we are on earth. But for eternity which we will finally come to after our fleshly death – unimaginable billions of trillions of years and over and over again trillions of years, what do we do for it? How many hours are there in a week – and sometimes two hours are too much for us for GOD? The other hours GOD gives to us. What do we give to Him?

### **Sin against the HOLY SPIRIT**

Looking into the world, at the earth, with GOD's eyes, – with respect to the faith in GOD, the love of GOD, the Main Commandment, – it is nothing but a cesspool any more. What can those men who should be preaching still achieve? People absolutely will not listen to GOD any more! If they do not even believe in Sacred Scripture any more, how then should they believe those who interpret Scripture?

GOD has entrusted me with a mission and I speak what I have received! Not everybody will be pleased with that, how should

they. Was the crowd pleased with everything that JESUS spoke here on earth? Were they not exactly the so-called teachers – yes even the high priest – who spoke against it despite recognising it. What kind of sin was that? A sin against the HOLY SPIRIT! That is the most terrible sin one can commit: to recognise that something is true yet to be unwilling to accept it.

### **The Discovery of a New Galaxy**

How terribly puffed up does it seem to me when theologians or scientists, highly decorated with doctors' titles, believe that they can judge GOD as if they were qualified for it on account of their studies. What GOD is like, only GOD can reveal to a person, yet certainly not in the brain, but in the heart. I tell you: just as the eye is incapable of seeing GOD, neither can the human mind completely fathom out the HOLY SPIRIT. The light of the stars, the vault of heaven were created by GOD. As a result He must have what was created by Him. So how great must GOD be!

Recently scientists have discovered a new galaxy shining more brightly than 300 trillion suns all together. Palest reflection of GOD! And now, do you believe that with the naked eye you are able to look right into it – into the light of about 300 trillion suns? It is not even remotely possible with this sun of ours. Neither can a human being understand GOD unless perhaps GOD gives him some understanding in his heart.

### **How the TRINITY Showed Itself to Me**

I was awake, so not in a dream, and GOD showed Himself to me as you do to a child, because I was a child at that time. I stood before GOD the FATHER. As a little child, I was allowed to hop on His lap and talk with Him. Then He passed me on to the SON. With Him I did not sit on His lap, but I stood before Him and was allowed to talk to Him. After a while He said to me that I was to go to the HOLY SPIRIT, to the third Person. How did the HOLY SPIRIT show Himself to me? Somehow He looked like GOD the FATHER, only His hair was wav-

ing – the SPIRIT that moves. So when I stepped up towards Him, before I knew it He was gone and I saw a gigantic Wheel of Fire, which was endless, so enormously big! There was a roaring – so strong that I did not even hear it any more! I do speak of Heaven, not of the earth. The fire went in and out. I went up to Him, but I hesitated for a moment – which still grieves me today – before going further into the fire. Then I felt an indraught drawing me into the fire. – My dearly beloved, that was a fantastic, wonderful feeling: I was safe and secure, wrapped in plush, as it were, and I did not even want to go out any more. Every now and then I felt something of this fineness when going into Saint Peter's at the time when I was serving in the Swiss Guard. There I also sensed this HOLY SPIRIT. However, when, many years ago, I went to Saint Peter's once again as a bishop, I no longer sensed anything of the HOLY SPIRIT, but, on the contrary, I sensed a terrible horror that made me flee.

### **The HOLY SPIRIT Does not Do any Patchwork**

Just only GOD the HOLY SPIRIT can make new! Traditionalists believe that, when the HOLY SPIRIT comes, the Tridentine Sacrifice of the Mass will be reinstated. Do you really believe that that is the ultimate thing for the purpose of conversion? Our Church used to also have the Tridentine Sacrifice of the Mass and nevertheless went wrong. When the HOLY SPIRIT comes, He will not do any patchwork, He will not restore anything from the past but He makes everything new, absolutely new! If the Tridentine Sacrifice of the Mass were to be reinstated, the HOLY SPIRIT would have to take orders from this Pope, who instituted it. He is not our employee! He will not act according to our human thoughts and wishes. Because, as JESUS said: „Your thoughts are not My thoughts!“ We must comply with His wishes! And we can read them in Sacred Scripture in which is written what the SAVIOUR taught.

### **The Triumph of Mary**

Let us wholeheartedly pray that a warning be first sent to mankind by GOD causing many people to turn to GOD! Then the HOLY SPIRIT
