Returning to GOD

Remember what happened on Mount Tabor. This mountain is about 500 metres high. At that time there were no roads, there was scree, boulders, vipers ... JESUS and the three Apostles climbed up in the heat of the day. But what a joy awaited the Apostles after this exertion! We can have this joy, even if we have lapsed into sin, even if we did something really stupid. We can always return to GOD. GOD will always have only one question for you, if perhaps you are a great sinner or if you have completely strayed from GOD: „Child, when will you return?“ And therefore, no one has an excuse, everyone can return. If even the Church no longer accepts you, come to me. I will do what the SAVIOUR wishes. Amen!

Transfiguration of CHRIST No Intercommunion

My dearly beloved! It is true, we have a terrible time as far as the faith in GOD is concerned, the observance of GOD's Commandments, and it will worsen and worsen. But why are we afraid, why are we worried? GOD is always victorious! When GOD shows me the terrible things on the earth, a cesspool of sinfulness, I could be sad indeed and no longer happy. But we do have GOD! I, of all people, have received the grace from GOD in such a way that I can still smile, that I am still in for a joke – despite everything. You should actually be able to tell just by looking at someone if they have the faith in GOD, even if on earth they had only terror and dangers to go through. For what awaits us after our death, if we have lived in a GOD-pleasing manner? Eternal bliss!

If you keep devoting yourself to GOD, then your inner being will start to grow. The HOLY SPIRIT can increasingly work in you and only from this will true love of neighbour emerge. „I cannot help myself, because GOD has taken possession of me,“ could be the answer, and that is beautiful. He never ceases to make me rejoice, even in the greatest suffering there is peace, quiet, joy in me, because my beloved One is present. He is looking at me – uninterruptedly. What do I still fear?

GOD Strengthens You with Joy

How overjoyed were the three Apostles at the Transfiguration of CHRIST on Mount Tabor. GOD showed them His glory, the incredible

splendour, because He knew what would happen to them in the future. He wanted to strengthen them, because they were meant to see Him at the Mount of Olives where He suffered terribly. Peter wanted to preserve this joy, it should never end and he called out: „LORD, let us put up three shelters, one for You, one for Moses and one for Elijah!“ That is GOD! He gives you joy, too. Do we have a message of mourning or do we have a message of joy? Whom do you believe more: if a sister or a priest passes by sadly or if they speak about GOD, full of joy and say: „I have GOD, I fear no one!“? I do not fear any trouble, provided I have not carelessly run into difficulties, but even then GOD can bring me out of trouble.

The Reason why Intercommunion Is Impossible

There was a comment on the radio about intercommunion. There were highly intelligent scholars, graduates, speaking, however, as far as the future, as far as GOD is concerned, they were talking utter nonsense. One, for instance, said: „I simply cannot understand and it is not right, when the Reformed or Protestants cannot at the same time receive Communion with Catholics.“ Even persons of a different faith should know what Catholic, Orthodox people believe: that the HOLY SPIRIT through the ordained priest accomplishes what he says and believes at the words of consecration. For in this Bread and Wine is not just contained the power of GOD, but it is truly Body and Blood of JESUS CHRIST. JESUS did not say: „This will once be My Flesh“ but: „This is My Flesh! ... This is My Blood!“ Therefore, a Protestant who does not believe in the consecration cannot receive Communion with Catholics, otherwise he will be guilty of sinning against the Body and Blood of CHRIST.

GOD's Words Cannot Be Changed

Everywhere, even in the Church, they want to interpret JESUS' words after their own liking: „Well, obviously, it is meant like this ... it was wrongly interpreted ... The pastors, priests, bishops and the Pope have changed it.“ The SAVIOUR spoke quite clearly: „This is My Flesh!

... This is My Blood! As often as you shall do these things, you shall do them for perpetual renewal!“ JESUS' words cannot be explained in a human way, to be meant like this or like that! GOD said: „Heaven and earth will pass away, but My words will not pass away!“ Where do we find His words? For GOD said that they will not pass away. We find them in Sacred Scripture. GOD's words cannot be changed.

It can also be observed with the apparitions of the Mother of GOD in La Salette, Fatima or Lourdes. Immediately the Church drew a veil over the words of the Mother of GOD, especially in La Salette: „Well, of course, it is meant like this ... It was a child to whom this message was given ...“ – I admit that there are small errors caused by the repeated translation of the Bible such as: „You shall not kill.“ If this were so, I would admit that all the people who say: „You are not allowed to kill animals!“ are right. But it does not say: „You shall not kill!“ but the correct translation is: „You shall not murder!“ That is a difference. To murder means, for example if, in a big slaughterhouse, animals that are still alive, are hung up by the hundreds before they are killed. The fear of the animals is horrific! This fear will pass on to the meat and is transferred to the people who eat it. These animals are killed just for the money, because not that much is needed for human nutrition. Let us remember that even the SAVIOUR ate little fish, that GOD commanded to slaughter a lamb. It was a symbol anticipating the SAVIOUR's allowing Himself to be slaughtered and He still continues to let this happen to Himself.

Signs and Wonders

How many signs and wonders happened, even through my littleness. One is always unworthy, considering how one should be as a high priest before GOD. It happened twice that GOD raised people from the dead through me. Can anyone do that by themselves? No, neither can I. GOD performed those miracles! Are they not clear signs? GOD performed so many signs and wonders through me in all those years and people still do not believe. For this very reason I rejoice, because thus I will become very much like the SAVIOUR. They would not believe Him, either. So rejoice and offer it to GOD, if you have a hard
