But beware! 1 Cor 11,27: „So then, whoever eats the bread or drinks the cup of the Lord in an unworthy manner will be guilty of sinning against the body and blood of the Lord.“

Therefore, it is not a symbol, but truly Flesh and Blood of CHRIST.

Furthermore, Paul says, 1 Cor 11,29: „For whoever eats and drinks unworthily eats and drinks judgement on himself because he does not distinguish the body of the Lord from ordinary food.“

That is the today's misery: a large part of those who receive Holy Communion do not know what they receive. Something pious, something sacred? No, the Body of JESUS – He is GOD! For Him it is not a miracle, it comes quite natural to Him. He offers Himself and we must know what we receive. If you feel miserable and think: „My GOD, I am really not worthy!“ then it would indeed be good for you to receive Him, so that your soul may be healed. What did the LORD say: „A contrite heart is pleasing to GOD!“ Amen!

## Precious Blood Sacrifice of the Cross of JESUS CHRIST

My dearly beloved! You have all been entrusted to me, and I wish for you to go to Heaven one day without having to blame me for not having pointed out to you what is displeasing to GOD. That is my wish – first of all towards GOD because it is my duty towards Him. My love of Him urges me to do so. I have been allowed to lay many souls in GOD's hands, some with the greatest of efforts. As the SAVIOUR said: „Into Your hands I commit My Spirit.“ Therefore, I ask you to pray for me that I, too, may be saved because as long as you live, you cannot be confident of victory. There is but one certainty: the love of GOD. You can read it in the letters of St. Paul the Apostle, in which he speaks of love. The HOLY SPIRIT can so strengthen and sanctify us that we will be able to be united with GOD in Heaven one day.

### The Making Present of the Sacrifice of the Cross

This Precious Blood, which the SAVIOUR shed for us, we continually receive in the Holy Sacrifice of the Mass because the FATHER willed it, JESUS accomplished it and the HOLY SPIRIT achieves it, so that we can offer it up time after time. Since JESUS is GOD indeed, at the Last Supper He put Himself in every Holy Sacrifice of the Mass, which will ever be offered by a priest. Therefore, it is not every time a new Sacrifice, but it is the Sacrifice of CHRIST of 2000 years ago. There are science-fiction films in which you can sit in a time machine, and simply set the year and then you can disembark in the desired age. Indeed, with GOD it has long existed. In every Holy Sacrifice of the Mass the event of Calvary is made present.

On the cross the SAVIOUR is always depicted very neatly, as if He had been to the hairdresser's, but He was all wounds, there was no sound spot left on Him, He was dreadfully injured. No animal would be treated like that. Well, they were the evil spirits that entered the people who tormented Him. We must not in the least think that the Jews, Romans or soldiers of the Temple treated Him so badly. No! We treated Him like that! It is through our sins that the devil was given the opportunity to enter these people and torture Him so badly. We are the guilty ones!

### **“Boarding” the Holy Sacrifice of the Mass**

In every Holy Sacrifice of the Mass the wine is changed into the Blood of CHRIST. With this Precious Blood we can implore anything that will be beneficial to us one day to reach Heaven. It gives comfort, it gives strength, it grants grace. When, at the Holy Consecration, this Blood of CHRIST is held up to GOD the FATHER, who then is speaking to the FATHER? It is the Blood of JESUS CHRIST, His supremely beloved SON, in communion with the HOLY SPIRIT. And we are also included in it. Because at the preparation of the offerings the priest pours wine and water into the chalice and then says to the people: „To the offering of bread and wine now also join your sacrifice in a spiritual manner and with a joyful heart ...” – and so our sacrifices are likewise changed into the Blood of CHRIST.

At railway stations one can often see pensioners sitting and watching the trains leaving. The train comes from one direction and drives on to its next destination. They have seen the train, but they will not reach their destination. Why? Because they did not board the train. It is the same with the Holy Sacrifice of the Mass. The Sacrifice of the Mass will reach GOD above one hundred per cent, but not the one who did not “board” the chalice. It is symbolised by the little bit of water added to the wine.

### **Blood of CHRIST – Shed for Many**

Nowadays people say: „The Blood of CHRIST was shed for all!” No, no, no, it is not that simple. CHRIST did really shed it for all, but unfortunately not all people accept it for their salvation. We are all His children, but we must accept it. If you knew how much it grieves GOD and His

heavenly Mother Mary? Because not all people accept the Precious Blood of CHRIST, it says: „This is the Chalice of My Blood ... which for you and for many shall be shed to the remission of sins!” One drop of Blood would suffice for all men, even if they had done the most horrible of deeds. The Blood of CHRIST has the power to blot out all our sins. Even if you had wiped out the whole world, root and branch, you can be saved provided that you would have the grace to say: „LORD, forgive me!”

At the Holy Consecration I suddenly spiritually see the tremendous event of Calvary – the SAVIOUR dying – and I tell you that the whole stem of the cross is vibrating because of His agony and fever with shivering fits! The SAVIOUR wants to breathe, but cannot because the crown of thorns at the back of His head prevents Him from doing so, piercing His head even deeper because the crown was a helmet, not a wreath. It is horrible, the whole stem of the cross is shaking. And today there are Masses in which people dance to it. Do you really believe that the Mother of GOD and St. John would have danced around the cross? Do you understand? What madness! It is doubtful whether such a priest celebrates Mass altogether validly, because he does not realise any more what the Holy Sacrifice of the Mass is. But we should not point a finger at them, not criticise them. We should pray for and save them.

### **“Whoever Eats My Flesh and Drinks My Blood ...”**

As to Holy Communion, there are several words of JESUS, e.g.:

John 6,51: „I am the living bread that came down from heaven. Whoever eats of this bread will live forever. This bread is my flesh, which I will give for the life of the world.”

John 6,54: „Whoever eats my flesh and drinks my blood has eternal life, and I will raise him up at the last day.”

He does not speak of a symbol, as the Protestants call it, but He continues:

John 6,55f: „For my flesh is real food and my blood is real drink. Whoever eats my flesh and drinks my blood abides in me, and I in him.”

If the SAVIOUR comes to you in Holy Communion, He goes into you. You have the Body of CHRIST in the Host on your tongue. The Host will
