

of that. Are not the sneers which people sometimes direct at one another like such safety matches driven into the heart? Many are not even aware of their thrusting such skewers into their neighbour because it is their character and their nature, but with GOD you can file them down. How many lukewarm people think: „I am satisfied with the way I am. I do not care about anything else. That’s the world, that’s humanity. That’s the way it is!“ If you think like this, you are lukewarm! You have been confirmed! The confirmed person is a soldier of CHRIST, indeed! Are we? Do we fight for GOD’s cause? Dare we speak when someone talks against GOD or the Church? Not even if people speak against the New Christians do all have the nerve to say anything. I am not in favour of giving someone a lecture, but at least you ought to reply for example: „Be quiet, you had better not, because I have been one of them for such a long time, I know them, you don’t! So you are not capable of judging them!“ Or: „Well, then come and see for yourself and then you are able to judge!“ Amen!

Sermon

of the *Sword-Bishop*

Bestowing Mercy Lukewarmness of Christians

My dearly beloved, do you only expect mercy from GOD without passing it on yourselves? What does mercy mean? To forgive everything when being asked for it. Do you know how often I weep because sometimes no mercy is shown towards one another amongst the New Christians? Do you know what possibilities I would have as Sword-Bishop? When a person was talking spitefully against me during one of my former lectures and did not stop after my repeated requests, I told her in my zeal: „May GOD punish you!“ Then the person collapsed and had to be taken to hospital. GOD responded immediately to my words. There are other such cases which I do not talk about because those people are still alive.

I am still the Instrument of GOD. I am still the one with whom the SAVIOUR speaks. I do not know why He has chosen me, of all people, but it has pleased Him all along to take people who would be unsuited for it. This is my pleasure, this is my jubilation! And I will act as GOD gives it to me and not as people demand it of me. I will listen to the people, this is also mercy, but I look up Above and decide how GOD wills. I also know that I am not perfect, oh dear, but I am working on it. So much more I would like to tell you about the Sword-Bishop, but I cannot bring myself to do it. I will be the one to calm you down when you are shivering and shaking. For a time is coming when those will shiver who now consider themselves to be GOD knows what and believe they know GOD knows what. I know the LORD. I know the SAVIOUR.

From childhood He is near me, with me and acts through me. But perhaps people expect an instrument of GOD to speak in such a way as to please their ears. Do you know the passage in Sacred Scripture about pleasing people's ears? My only wish is that your ears will be pleased by hearing me speak about the good GOD!

Promises of JESUS to Sister Faustina

JESUS gave to Sister Faustina incredible promises. You obtain these graces by praying this novena of mercy, by going to confession and receiving Holy Communion. The SAVIOUR promised that not only will all sins be remitted by it, but also all punishments of sin, which at the moment we would have to atone for in Purgatory. So it is a grace as with Baptism. And this does not go so easily, my dearly beloved. It did not go easily for the SAVIOUR, either, to buy it for us. The all-powerful, fantastic GOD, whom the universe cannot contain, came down almost like a slave and suffered a horrible martyr's death for our sake – because we sinned, not He! Since He is man and GOD at the same time, that is why what He did for us is so valuable to GOD. We can all take from His Blood again and again, each time we have been as stupid again as to commit a sin. How long will this mercy last yet? Not eternally!

Only those who pass on 100% mercy can hope to receive appropriate mercy from GOD, otherwise only just as much as they give. Mercy is not just there-there-ing. Mercy also means, if I see someone falling away, that I will help him. People often fall away because they didn't receive enough love.

GOD Leaves It to Mankind

I cannot show you what GOD allows me to feel or see about the situation of the world. The state of people's hearts is so horrible that it is hard to understand that GOD still shows patience. And everyone who is lukewarm is to blame, if afterwards the punishment comes.

GOD does not punish mankind on His own account. It is they themselves who bring the punishment on themselves. GOD told me that now things will no longer proceed according to His will, but He leaves it to mankind what will come upon them. And when? This is difficult for me. If it depended on GOD, then I might be able to know. But since humanity decides what is coming their way, I cannot foresee it either, because I am not GOD. But it will be so horrible that especially those who are so confident and have, GOD knows, a very high opinion of themselves will tremble with fear!

Well then, make haste to learn mercy, or is there anyone amongst us who does not have to go to confession, because he says he has no sins? If anyone says so, then he has already committed a sin. We have to keep going to confession, don't we? And say: „LORD, forgive me! Please accept me again!“ And GOD forgives us each time. How do we act if someone asks our forgiveness? Do we also forgive those whom we don't like or those with whom, perhaps, we often argue? It is not mercy if I only pass sentence on the other person and say: „It is your fault. I forgive you!“ Let no one think: „Well, this or that person bears a grudge against me,“ but ask yourselves: „Is it my fault? Do I behave in such way as to upset him?“ Therefore, one should talk and also listen to one another. Should the other person then actually turn out to be the one to blame, then bear in mind that the LORD's Prayer does not say: „And forgive us our debts, as we also forgive our debtors,“ but: „And forgive us our debts as we also forgive our debtors.“ That is – I am inclined to say – divine, because no man could do so, yet in the power of GOD we can also forgive those who have hurt us immensely. I mean, that is what I always do.

What is Lukewarmness?

„I wish you were either cold or hot, but because you are lukewarm I will spit you out of my mouth!“ says the SAVIOUR. What is lukewarm? Who is prepared to have a safety match driven in with a hammer under his fingernails? Any volunteers? You see! Man is not even capable
