

read what He says? Then they would realise that it is something quite different. If for once they read the Bible, which today thousands already do, they would recognise: Mohammed teaches to hate the enemies, to kill them, and so on, JESUS teaches the opposite: „Love your enemies, do good to those who hate you!“

JESUS' Command to the Apostles

If a person dies, he will be judged on Judgement Day, the day of GOD's judgement: Heaven or hell. We, however, who have been appointed by GOD, judge only a person's deeds but not the person himself. That is what we, high priests, Bishops, are assigned to do. JESUS gave His Apostles the Command: „Therefore go and make disciples of all nations, baptising them in the name of the FATHER, of the SON, of the HOLY SPIRIT, and teaching them to obey everything I have commanded you!“ Amen!

There Is a Battle Going On! Powerful Holy Water

Many people have difficulties to believe in the Sword-Bishop. I keep hearing that they are having temptations, doubts. My dearly beloved, that is the battle, it is as simple as that. No one who wants to go GOD's ways can expect it to be just a walk in the park nowadays. Do not be frightened and do not grow weary, do not say: „I keep falling into this sin through various temptations. It is no use going on fighting!“ No, there is a battle going on! A soldier going to war and fighting very bravely will every now and then be hit by a bullet that injures him and he will be hospitalised. But as soon as he has recovered, he will go out again and resume fighting.

There is a battle going on and that is what I am there for! The sword is the word of GOD and at the same time the sword against everything which is contrary to GOD, Satan and his followers. Humankind has drifted so far away from GOD, and that is why the smoke of Satan is so effective. The first to blame for it is the Church. Sin is like a blanket of smoke. How is anyone supposed to go through this smoke without inhaling it? For this purpose GOD gave us helping tools. Even JESUS carried a lump of salt with Him; so did the Apostles at times. When they reached a pool of water somewhere, they took the blessed salt, threw it in in order to purify the water organically but also spiritually from all bad influences. Later on people were baptised with this water.

Powerful Holy Water

We have this good holy water. You can be assured that at our places it does not happen that, as is often the case in churches, the sexton just fetches ordinary water and refills the stoup with it. At our places it will always be sacralised anew and what is more, it is sacralised by adding a particularly sacralised salt, which I have dedicated to the holy Archangel Michael at GOD's request. These are also powers that can be taken home to bless the rooms. Everyone can do GOD's spring cleaning and evil must leave.

In my absence exorcisms were performed at which the Evil One did not so much as slightly twitch when they used normal holy water of the Official Church. But when at some other exorcism they used our holy water, he shouted: „This damned poisonous water of that grey Trinity donkey!“ – “grey” because of my grey cassock; I am proud of this title. This holy water is incredibly powerful. Of course, the devil himself will also tempt you, but just his smoke wants to lead you away from GOD, from that which pleases GOD; he wants to lure you into doing what displeases GOD: sin.

Stewards of GOD's Mysteries

The Ten Commandments are actually not don'ts, but guidelines. If you keep the 10 Commandments, you will get along without squabbling and be able to live in peace with one another, even if the Evil One does not like it. In YouTube people often make very nasty, stupid, primitive comments. Sometimes I do not reply to them and they think they have hurt me, they think that I am defeated and do not have the courage to answer them any more. So listen to a lesson of the Apostle Paul, maybe then you will understand me.

1 Cor 4,1ff:

„Brothers! This, then, is how you ought to regard us: as servants of Christ and as those entrusted with the mysteries of God. Now it is required that those who have been given a trust must prove faithful.

I care very little if I am judged by you or by any human court; indeed, I do not even judge myself. My conscience is clear, but that does not make me innocent. It is the Lord who judges me. Therefore, judge nothing before the appointed time; wait until the Lord comes. He will bring to light what is hidden in darkness, and will expose the motives of people's hearts. At that time each will receive their praise from God.” In fact, I could write down the hidden sins of those who accuse me unjustly, but GOD does not want people to disclose other people's sins. That would silence them, indeed. Fair without, but foul within!

Lost Patriotism

Sound patriotism is worth something. You must, if anything, have a fatherland and a mother tongue. However, the rulers do not want that, they want to mix the people. If you no longer have a fatherland, then where do you feel at home? The mentality of a Spaniard or an Austrian, for example, is totally different. But the top people in the government want a hotchpotch, because in this way people can be manipulated more easily. There is talk about a chip inside the human body, which is not all right. But I am talking about a completely different chip, the devilish chip, which blurs the sound view of people and more than 80% already have it. An EU on a Christian basis of faith would be a good thing, but without it there can be no peaceful getting along together of the nations.

Contradiction in the Koran

In the New Covenant JESUS is the second divine Person in the TRINITY. Islam teaches that, although JESUS was indeed a great prophet, Mohammed was greater. Something must be wrong here because Mohammed's teachings and JESUS' teachings are fundamentally different. A Muslim is not allowed to read the Bible, otherwise he risks being killed. So who has objections, if someone reads the words of JESUS who, as Muslims believe, is also a prophet? Why do they not
