

in His glory and splendour say to His supremely beloved Mother: „So there, you have done your duty, now go to the other Saints!“ That is not JESUS. How much more will He now having the opportunity reward her for everything and raise her high. With what unbelievable joy did the SAVIOUR go to meet Mary when she was raised into Heaven. He could not wait and went to meet her. He was beaming with joy – what an embrace that was! Mary is truly the Daughter of the FATHER – the Mother of the SON – the Bride of the HOLY SPIRIT. Do you believe that the FATHER and HOLY SPIRIT did not at all show up when JESUS went to meet His beloved Mother? They adorned her as much as they could. The blessedness of the Mother of GOD is to feel in herself the love of GOD. GOD gave us Mary as Mother. She is our intercessor at GOD’s Throne! Amen!

GOD’s School Immaculate Heart of Mary

My dearly beloved! In Heaven Mary is the feast for the eyes of GOD. She cannot become more blissful. And what about her heart? „A sword will pierce Your heart,“ it was said, or rather seven swords, but there were many more. The sorrow was tremendous. People say: „He is supposed to be a privileged soul or a saint? Oh, come and see how terribly bad he is doing. GOD cannot possibly be with him, this one is indeed not genuine!“

How then did things go for the Holy Family, the three most Holy Ones who ever lived and will live on earth? St. Joseph, who considered his young spouse to be absolutely holy, saw that she returned pregnant. What man may think now: „That has been the HOLY SPIRIT!“? It was a terrible pain. Just because Mary was such a saintly Person and Joseph an absolutely pious man, as one cannot be more pious, he had to endure such a thing. Mary was not allowed to reveal the secret to him because this St. Joseph had to become still more and more equal to the Mother of GOD. This can only be achieved by pain, by self-mortification of the will, of the heart. After the Angel had revealed the secret to St. Joseph, Joseph knelt down before Mary and worshipped the SAVIOUR in her womb.

One should think that GOD must surely provide for such a holy Person who is one with GOD, even bears GOD within herself. No, the Holy Family received an ancient stable with an ox and a

donkey, in the manger only straw. Then came the flight into Egypt, the privations and the knowledge that this Child is JESUS, the GOD-Man, and they are not allowed to tell it to the people, and much more.

Already in the Old Testament all who were elected for particular tasks had to go through the desert, for example Moses, Joshua – he had to look for Moses –, Elijah. Of course, many of us do not at all know what it means to go through the desert for forty days: scorpions, snakes, no water, scorching sun, terrible cold at night, forty days without knowing where to go ... Those elected by GOD are drawn by the HOLY SPIRIT, unbeknownst to themselves. If GOD wants to make someone perfect or prepare him for a particular task, he will have to face great hardship in order to be ennobled.

I have been saying all along that those who have suffered the most are able to smile most beautifully. Their smile is sincere because they really had nothing to smile about. They are smiling for their neighbours' sake because their heart is chiming along. Indeed, in GOD's school – perhaps the privileged souls with whom the Mother of GOD is working are faring slightly better, – you will go through the process of forging. You will wind up on the anvil, there the hammering is done and yet it is beautiful. Because the One who concerns Himself with you, is the Almighty GOD whom you exceedingly love. And being able to love Him is again not something homemade. It is GOD-given.

Immersing in the Immaculate Heart of Mary

It has pleased Almighty GOD that we go into the Heart of Mary. It used to be said: „Hold on to Mary's protective mantle!“ or: „Cling to Mary!“ That is no longer enough! One ought to say: „Immerse yourselves in her heart!“ How do you do that? How are you supposed to immerse yourself in it? Just imagine, the heart is like a pool, a basin. It has a wall, sit down on it and plunge into it, spiritually, of course. You will automatically come into JESUS' Heart through Mary. The SAVIOUR will endure your having committed faults against purity

provided that they are not too grave; but they just need confessing again. However, in the heart of Mary there is no room for what is impure. Therefore, enter only after a Confession into her heart because she is pure, pure, pure! She is motherly, tender, meek, you do not enter so roughly in it. However, do not cling to her, because she wants to lead you to GOD.

Who then knows the SAVIOUR better than she does? She knows what GOD wants from you, how you would please Him best. She can lead you towards it. She does not stand in GOD's way, but says: „Come along with me to JESUS!“ Sometimes people are afraid of GOD, it is exactly then that the Mother of GOD is needed. Today it is not respect that is primarily required, but love. GOD is longing for love because He is love, as He is also justice. If someone, whom you love above everything, grieves you, it will awfully hurt you. Who gives much love also needs much love!

The Magnificat

When Mary went to her cousin Elisabeth, who was expecting her child John, Elisabeth said to her: „How is it that the Mother of the LORD comes to me?“ In the HOLY SPIRIT she recognised who was in Mary's womb. As Elisabeth praised Mary thus, Mary straightaway pointed Upwards: „My soul magnifies the LORD, and my spirit rejoices in GOD my SAVIOUR! Because He has looked with favour on the humble state of His handmaid. For behold, from now on all generations will call me blessed.“ We know full well that this is not yet the case. I have recently read an article from a Catholic priest, a theologian, who says that Mary is not needed at all, that it is enough to pray to GOD alone. Also those who are Christians and unwilling to accept Mary have a share in the Mother of the LORD. Only at Mary's request do they receive many graces which they would actually not deserve.

If GOD tells us: „Honour your father and mother that it may go well with you and you may live long on the earth!“ how should He then
