

It does not matter how much you pray, but whether you pray with your heart. Today we should pray more often what comes from Heaven, the "Our FATHER," the "Glory Be." Also the "Hail Mary" is from Heaven. Why should I not be allowed to repeat these words, which the Angel spoke to Mary on behalf of GOD the FATHER? Is it a sin or completely wrong to do something the Angel did? The whole of Heaven waited, the Almighty GOD waited. It all depended on whether this humble Virgin says yes in order for the whole world to be saved by JESUS. And can anyone imagine that GOD afterwards just said to her: „So, you are dead now!“ as some people assert on YouTube? However, GOD spoke: „I am not the GOD of the dead, but of the living!“

Despite all official prayers do never forget the prayer of the heart. My favourite prayer at the moment is: „LORD, let me be a joy to You!“ The only thing that is important to me is that He has pleasure! And when I see that He has joy, it is my joy as well. Amen!

## Sermon of the *Schwert-Bischof*

### „Nikolaus, Take My Church with You!“ Pray with Your Heart

My dearly beloved! It is not about what we want, but about that GOD said: „Nikolaus, take My Church with you!“ When I became Bishop – that is to say, called by GOD, not by the Pope or a Bishop – I wanted to do every three years the very thing a Bishop does, to go to the Vatican and have a conversation with the Pope. But I certainly could not do so, although I was validly consecrated, of which I was given confirmation by an episcopal canon lawyer of the Holy Rota, the Pontifical Court, who had examined me for well over two hours and then knelt down and said: „Your Excellency, give me your blessing because you are validly consecrated!“

As the Church no longer acts as GOD wants her to, JESUS, the Sovereign, is looking for Bishops Himself. He Himself can call. Or should only the Pope be able to do so and GOD no longer? Does GOD not have a say any more? – And so I wanted to go to the Vatican, which I have known as a former Papal Swiss Guard, in fact, to Peter's Tomb, as, of course, I could not go to the Pope. Then GOD said to me: „Nikolaus, you need not go there any more, for Peter is no longer there!“ The whole matter was so staggering that I said: „LORD, but You will forgive me when I go to Rome all the same. I would like to find out for myself.“ I was given permission. When I went down into the crypt to Peter's Tomb, I startled because what I saw was horrible! Beforehand, I had asked the LORD to give me a sign. The Tomb was open. In front of it lay a couple on top of each other, clasped in a firm embrace – in front

---

of Peter's Tomb! Then it dawned on me: „LORD, You have spoken the truth!“ The SAVIOUR let me sense another thing: Satan's smoke!

In earlier times, when as a Swiss Guard I used to go into Saint Peter's in the Vatican, I was filled with the HOLY SPIRIT. I felt as if I was wrapped in plush and I really had a hard time leaving this Saint Peter's again. But this time I was freezing terribly – there was a void. Helter-skelter I left Saint Peter's. When I went down the stairs, the SAVIOUR said to me – which frightened me: „Nikolaus, take My Church with you!“ At first I thought about myself: „Are you completely nuts?“ But this speaking of the SAVIOUR as I have known all my life is so calm and expectant. You just feel: „Give Me an answer!“ I only said: „SAVIOUR, if it is really supposed to be so, please, You know I will never say no to You.“ – Even now I still have a hard time saying what I have to say. Because who can believe that I bear the Covenant? The Official Church has broken the Covenant! The things that are going on in the Vatican – homosexuality, child abuse, money matters, it is all present there. And the HOLY SPIRIT is supposed to work there? Impossible!

### **Priests no longer Believe in the Consecration**

Pray for me! Because for what is coming our way you will no longer receive any strength in the Official Church, at least not the strength you need. The SAVIOUR shows me such a vast number of Priests who no longer believe that the bread and wine after the Consecration are truly the Body and Blood of JESUS CHRIST. The SAVIOUR said: „This is My Body! ... This is My Blood! ... Do this for perpetual renewal!“ When a human being, be he ever so highly consecrated or educated, says about this: „It cannot be understood in this way ...“, he starts arguing about the plain words of JESUS, and even that is wrong. There are so many theologians, yes even Popes, who believe that they are cleverer than JESUS CHRIST.

---

### **Pray with Your Heart**

In Orthodoxy it is said that what matters most is to pronounce sacred words, that is worth a lot. Is that what the SAVIOUR asked? GOD wants our heart! When I enter the chapel, I do not see this or that person, but I see the SAVIOUR right in front in the Monstrance. It is just the LORD and me. – Do not pray with human reason, pray from your heart. How is this done? Simply open up your heart and speak from your heart with the SAVIOUR. Your heart will not be opened if you make a sloppy sign of the Cross. But a neat sign of the Cross is like a door which you open to enter into GOD's consulting room. Then you are alone with Him.

Somebody says: „You must continue your prayer of obligation, even if you are exhausted!“ No, if you are praying and you notice that your mind is wandering off all the time, if you only just want to look at the SAVIOUR, then sit down. The SAVIOUR often tells me when I am on my knees praying: „Take a seat, I have something to tell you!“ because when sat down a person is loosened up. You do not need a yoga seated pose. If you look at GOD with your heart, the light will brighten up in you. If you meditate, e.g. 10 minutes at church, if you are just with GOD, and look at Him, you will learn more than in a month at university. That was my experience. – The church here is like a swimming pool full of grace. You go into the swimming pool, you get wet from grace and thus you go out again. But woe to you if you fail to live up to the grace you have been given, and only just outside you start quibbling again, you will end up with a greater guilt.

In order to achieve this meditation, stillness before GOD, you have to practise it in everyday life. If you constantly talk away at e.g. the husband, the wife or the children, if you have to talk and talk, you will not find GOD, impossible! An inward person does not speak a lot – except when he has to. „Speech is silver, silence is golden“, the proverb goes. But if I, as a clergy, mount the pulpit or go to the lectern, I am not supposed to be silent but to preach.
