

feel it. If you come home from outside, take holy water – but perhaps not necessarily that of the Official Church.

With GOD Nothing is Impossible

Indeed, as Paul wrote: „Put on the full armour of GOD and fight!“ For this reason, you have been confirmed! Do you believe that you will once receive the laurel wreath in Heaven, if you have not fought for GOD’s cause at all? No way! Mind you, GOD said: „I wish you were either hot or cold, but because you are lukewarm I am about to spit you out of My mouth!“ Now it is up to you.

Seen from a purely human perspective, I would have to say that it is too late. But as Instrument I say that with GOD nothing is impossible! As the saying goes: if I know that the world ends tomorrow, I will rush out to plant a little tree. Perhaps the dear GOD is touched in such a way that once more He grants the world another thousand years. Amen!

Lying Media Spiritual Chip – Brainwashing

My dearly beloved! You are being lied to, lied to, lied to by what is spread by the media today. It is just like a slide show with a slide projector: the slides are inserted and up come the pictures. They did the same with the people. Newspapers, television, all the media show exactly what the highest-ranking Freemasons want them to show, and people believe it. Let us just take the American President Trump. Rothschild, Rockefeller and all those others just could not live with the fact that Trump became President instead of Hillary Clinton. How much hatred is thrown at him now! The media are just bad-mouthing him wherever they can in order to destroy him, waiting for him to make mistakes.

Spiritual Chip through the Media

Now look how the people have already become sluggish as if they had received a spiritual chip, at least it works that way. There is much talk of a chip implanted in the body, which can be used for paying bills, and so on. But that is not the most dangerous part. Far more dangerous is the spiritual chip inside the brain and the people already have it. Who implanted this chip? The media: television, radio, magazines, newspapers, over and over again. What is it called? Brainwashing! The First German Television Channel, the Second German Television Channel, the Spiegel magazine, and many more, Rothschild is their very owner. „Whose bread I eat, his song I sing!“ It is terribly mean what they are saying about

Trump in the media. Certainly, he is a bulldozer, I admit, but he was the best choice for the American voters at the time. He is only interested in rebuilding America, not in looking for oil and other mineral resources in Syria and many other places in order to seize them by making war. It is interesting: at the time when America had not yet made war with Iraq and all these countries, there was hardly any terrorism. It was only afterwards that terrorism really started. So, who was the one who brought it? America – that is to say, the American Government.

Politicians can already do with you whatever they like! Someone like Merkel – just as an example, most other politicians are not better, either – can do things which violate the national laws, and politicians all around remain silent. How much smoke have you already inhaled! Politicians should actually rise and stand up to them! They would soon be supported by the people. But no, someone like Merkel can do with you whatever she likes, you remain silent like lambs! Well, perhaps some bleating here and there. Just have a good look at yourselves in the mirror.

Prophetic Warning

Because America stirs up war and riots in many countries, we experience this dreadful situation of these refugees flooding in. Nothing against real refugees, but most of these migrants are no refugees. If America sees oil and other mineral resources in foreign countries, it wants to exploit them. If this head of state then says: „No, that is out of the question, we are an independent country and it belongs to us!“ America always uses the same trick: it makes this head of state out to be a “baddie” in order to be able to wage war against him.

Of course, those governing have Rockefeller, Kissinger, Rothschild, Soros, etc. above them, and there is no end to their desire for money. They want to establish a global world order, but this is only possible if all people are slaves, if there is no national pride any more, only a mishmash. Therefore, they simply let vast numbers of such people

without any education whatsoever into our European countries. In the end, there is only a mishmash of people left. Then they stir up war. As soon as people are desperate, some or other forerunner of the Antichrist will come and say: „I am the one who will save you! I bring you peace!“ – „Oh, thank GOD!“ people will shout. He – the ape of GOD – will have the skill to speak marvellously, even very piously. And people will not notice how they are slowly, slowly increasingly drifting away from the faith.

It is also the same today, is it not? The people already believe everything they read in the newspapers, and these are mere lies. Never before have the governments been lying as much as they do today. What can be done to wake you up?! Since all my talking seems to be of no avail, I sometimes reach the point where I am compelled to say: „Then take it upon yourselves – war, natural disasters, deceases and all the things that are coming!“ You will yourselves have to face the consequences so that you may recognise how blind you have become. Turn to GOD and erase this blindness, this spiritual chip! I am speaking as a prophet. But prophets have seldom been successful, have they? First, disaster must strike. Even Elijah, my GOD, how often did he talk to the king and the people, warning them that they are going completely astray! They did not listen to him. By virtue of his prayer, seven years of draught came upon the land and they had to starve. Only then did they return to GOD.

Befuddled by the Smoke of Satan

In China there are two Churches: the national Church and the underground Church. The Pope treats the Chinese government very heartily and kindly although thousands of his spiritual children are still being tortured and locked up in camps. My GOD, you are being lied to, lied to, lied to! And people have become herd animals. People are blinded by satanic smoke, by the extremely powerful sin of mankind. All things are covered as with cobwebs or, exactly, full of smoke. Even the best, the most holy person has to go through it and will have to
