

Sermon

of the *Sword-Bishop*

The Holy Eucharist Worthy Reception of Communion

My dearly beloved! How rich are we indeed – the Church of JESUS with her seven holy Sacraments! What can you receive on earth which is more powerful, more beautiful than JESUS CHRIST – He Himself in His true Flesh and Blood?

There are countless miracles of the Holy Eucharist, unheard-of miracles! It often happened that at the Transubstantiation of the Host into the Body of JESUS CHRIST there was really a piece of Flesh on the Paten, or that the wine in the Chalice through the Consecration was changed into Blood. There are thousands of such miracles! Many have been certified by documents because it happened in the presence of many people, and the Holy Species are exposed at those places to public veneration. Why do people still not believe? I will tell you why: because they do not want to!

Perhaps you see that only the Priest alone consumes the Precious Blood and the Body of JESUS, both Species. That is exactly the Holy Sacrifice of JESUS CHRIST, the sacrificed Body and Blood, which was shed for the salvation of sinners. The Communion of the faithful, however, which is transubstantiated in the Ciborium, is no sacrifice, it is the Holy Communion for you, the faithful. In it, the SAVIOUR is alive. You do not need to feel sorry for us Priests about the fact that we do not consume the living SAVIOUR but the Sacrificed One: even if He is dead, He is the SAVIOUR, GOD! The Communion of the faithful contains the living SAVIOUR in Flesh and Blood. Therefore, it is not necessary what was introduced

Still others remain in their pew because they feel unworthy to receive the SAVIOUR, although they do not have a grave sin. As it is written: „A contrite heart is pleasing to GOD.“ Briefly arouse contrition and sorrow and speak: „SAVIOUR, I actually do not have the right to receive You, but I need You! I absolutely need You, otherwise I will not be able to cope!“ There is only one who wants to keep you from receiving the Body of CHRIST: Satan. Do not listen to his promptings.

GOD is love, and everything that is love on earth, I mean love as intended by GOD, that is from GOD. GOD can do things that man cannot in the slightest understand, even if man could build millions of computers, the best robots, etc. The computer can only process what man feeds into it, but believe me, GOD does not enter anything into the computer. – Come and take GOD’s love, the SAVIOUR in the Holy Communion. Amen!

Excerpt from the sermon of 17 April 2016

**Be blessed by GOD TRINITY,
the + FATHER and the + SON
and the + HOLY GHOST. Amen!**

in the Official Church and other Churches, that at the Communion of the faithful the Precious Blood is also offered to the people. No, the Sacrifice is offered only to GOD the FATHER and the ordained Priest consumes it on behalf of GOD the FATHER, in the power of the HOLY SPIRIT. For this reason, the celebrating Priest is not allowed to divide the Sacrificial Host up into parts and pass them on, because this belongs only to GOD the FATHER alone!

Whom Do We Receive in the Holy Communion?

It is very close to my heart that people become aware again what the Holy Communion is. Flesh and Blood of JESUS CHRIST – the living SAVIOUR is what you are consuming! „Whoever eats My Flesh and drinks My Blood ...“ – in him CHRIST lives. Who would not like that? At first we had the Old Covenant, but now we have the New Covenant – made by GOD, the SON of GOD. The SON of GOD is GOD like the FATHER and the HOLY SPIRIT, one GOD.

I, too, am worried and miserable when seeing people kneel at the Communion rail who are at loggerheads with others, perhaps only at the moment, but who may also have been so for days, months, years, and I should give these people the Holy Communion, although I know that the SAVIOUR said: „If you are offering your gift at the altar,“ this also means, if you go to receive Holy Communion, „and there remember that your brother bears a grudge against you, first go out, be reconciled and then come and offer your gifts,“ which also means, receive Communion. Is it observed thus? If we do not manage to do so out of love for people, then at least out of love for GOD, out of love for the SAVIOUR, who, after all, came down on earth for us. If the people could just only understand what that means: GOD in His incomprehensible Almightyness, everything has been created by Him, through Him, everything is His! He would only for a moment have to not want all that and earth and planets would have vanished. And this GOD comes down on the earth, becomes helpless like a human being and allows Himself to be so cruelly beaten by human beings, these tiny worms! He took all our sins upon Himself, because

He loves us so much and wanted things to turn out well again between the Heavenly FATHER and the people. CHRIST did accomplish it through the HOLY SPIRIT.

When Are You Not Allowed to Go to Holy Communion?

It is unbelievable, in the Official Churches people in a state of mortal sin, that is, in death-bringing sin go up front and receive the SAVIOUR! For the most part, they are not even reminded by the Priests any more what sin is and that a Confession is necessary in case of grave sins, otherwise the reception of Communion is a sacrilege. What a responsibility for the Priest, who is, after all, meant to be the guardian of the Sacraments! When a Priest distributes the SAVIOUR so indifferently to each, without bothering about their state of soul, in a way he says every time: „Just bring judgement on yourself, for all I care.“

JESUS gives Himself alive to us as Food. What a condescension of GOD! That is, of course, His love. It happens in many churches that people receive the SAVIOUR in the hand while standing, turn around and then take Him into their mouths, as if it were a piece of candy. Shocking! The consecrated Host is GOD indeed, the SAVIOUR, Man and GOD at the same time, the glorious GOD!

Then sometimes you see people who would go to the Holy Sacrifice of the Mass, but do not go to Communion because they live in grave sin. There is something fishy there. Then do not come to the Holy Sacrifice of the Mass at all to begin with. First sort out your life and then go to Confession so that you can receive the SAVIOUR! That is the true spirit, that is the right thing! Because a Confession is not valid until there is the firm resolution: „I do not want to sin any more!“ However confused your life may be, I would love to help you. Of course, this presupposes that you are also prepared to accept advice. GOD's love can be very consistent to snatch a soul from the Evil One. Do you understand, my love for you urges me to speak these words to you, because you need the strength for the time to come, which you will receive from the SAVIOUR in the Holy Communion.
