

Yet I ask you, what am I to talk about the Sacred Heart of JESUS if people do not even believe in JESUS? I do not preach what I have learnt on earth through professors or teachers, but I preach as I have received it from Above and continue to receive it. But how should one be able to speak to hardened hearts? How are these people to understand since, after all, their hearts are not burning for GOD? Hardened hearts have eyes that do not see, have ears that do not hear. The heart is the oven, the furnace, and this flame of the heart should rise up into the mind so that the mind is softened causing it to be receptive to the HOLY SPIRIT.

After all, JESUS says: „If you have no more than a little drop of love left in your heart, give it to Me! If you give it to Me, I will in return fill your heart with My love.“ I can only tell you, there are two mansions of the heart into which we can go: JESUS and Mary. Then you are protected, come what may. Amen!

Sermon of the *Schwert-Bischof*

The Main Commandment of GOD Return into the Father's House

My beloved! The Main Commandment has been forgotten. Here I am not speaking of the 10 Commandments, but of the great Main Commandment, which already existed in the Old Testament, and which JESUS repeated: „You shall love the LORD your GOD with all your heart, with all your soul, with all your mind, and with all your strength!“ This is the first part of the Main Commandment. Then there is a second part in this Main Commandment, which is just as important: „You shall love your neighbour as yourself.“ If you love people, but this love does not come from GOD, from the first part of the Main Commandment, then it has nothing to do with love, but it is something of your own self, sympathy, and so on. From your personal love, you cannot save anybody for Heaven, but this love must come from Above. Love of enemy can only be lived out of love of GOD. But do you love GOD as it says in the Main Commandment? I could say that I do not know whether I love humanity, all I know is that I feel the love of GOD for the people. And this makes me feel compelled to say – not like to, but have to: „Out of love I take up the sword.“ Obviously, sword is not taken to mean a metal one, but a spiritual sword, the word of GOD.

In the churches there is much talk about love of neighbour, towards the refugees or whatever they may be, but the first part of the Main Commandment is missing. All kinds of people – Muslims, amongst which criminals, are allowed into the countries. That is love, says the Pope. But I hear absolutely nothing about the love

for GOD, about JESUS' commission. No, on the contrary, the Pope said that Christians and Muslims are quite able to live in peaceful co-existence with one another. JESUS, however, gave a Commission and literally said: „Therefore go and make disciples of all nations! Baptise them in the Name of the FATHER, of the SON, of the HOLY SPIRIT, and teach them to observe everything I have commanded you!“ Where do they act accordingly? It is not found anywhere.

Where Is JESUS CHRIST Still Present in Body and Blood?

I know that there are pastors, there are preachers, but there is something neither of them has: they cannot make the SAVIOUR appear on the Altar. Let me just put it clearly: they do not have the power to change the bread and wine by the words of Consecration into the Body and Blood of JESUS CHRIST. This only happens with those who can say, „My succession of ordination goes back to the Apostles.“

It is the case today that people go wherever the SAVIOUR is not present in Body and Blood. I am not keen on saying this, but today He is even no longer present in many Catholic Churches. If the Priest does not believe, the Transubstantiation does not take place. In such a case the faithful, who full of faith go up to receive Communion may perhaps receive some kind of grace from the HOLY SPIRIT, but not the Body of CHRIST. Only at Holy Communion can the SAVIOUR say: „I am in you and you in Me!“ – Needless to say, it is not the Priest who consecrates, but if the consecrated Priest believes and speaks the words of Consecration, the HOLY SPIRIT will work through the words of the Priest and bring it about. And when you hear the texts in my Holy Sacrifice of the Mass, you will notice that the Priest unceasingly invokes the HOLY SPIRIT for help that He may achieve it. But the faith of the consecrated Priest is necessary. And I tell you, you have no inkling as to how many Priests no longer believe, are just only doing their jobs. Sometimes I am amazed, there are even Priests who have to celebrate the Sacrifice of the Mass in six, seven parishes on a single Sunday without believing in the Transubstantiation. Incomprehensible! How did the SAVIOUR say to me: „My Church has become a cesspool!“ I definitely do not speak like one who has lived all his

life just in Rehetobel, I was in the Vatican for over two years. In those days the situation of the Church was actually bad, how much worse today since humanity's sinfulness has so increased. All we can do is warn.

Be Not Afraid to Come Back!

There are people who left us, of whom I know that they would gladly like to come back again, but they are afraid of it. Ah, that is the most foolish thing imaginable on earth, believe me. It would be nothing but a pleasure to me! A good Bishop should not only possess fatherliness, but motherliness as well by virtue of his Consecration. And I tell you, you who left me: if you have insulted me in the most horrible way, have told all kinds of lies about me, etc., if you return, you are not going to hear any reproach from me – you will only see joy! I will greet you as if you had never been away, because I will simply be happy that you belong to GOD again. That is my desire!

But never forget that we will all die one day and will appear before JESUS CHRIST, whom many do not want to accept as GOD. He will be the Judge. The FATHER will hand it over to the SON. He will separate you – good and evil ones. He will say to those on the left: „Depart from Me, you cursed ones, into the everlasting fire which has been prepared for the devil and his angels!“ That will happen, I know – I do not believe it, I know! And this King will say to those on His right: „Come, you blessed of My FATHER! Inherit the Kingdom prepared for you from the foundation of the world!“

Go into the Divine Heart!

Go into the divine Heart, into the furnace of love! If you do not know how to do it, then ask your Guardian Angel for it because: „In the divine Heart of JESUS, serpents will be turned into doves, wolves into lambs, beasts into Angels, children of the devil into children of GOD, children of wrath and curse into children of grace and blessing.“ (St. John Eudes)
