

father is the strongest! Just you wait till my father arrives!" We even say such things about our big brother, who is strong. Do you see what I mean? We must come to know GOD, His power. In Sacred Scripture we can read about it. And that does make us proud – that is a good pride – to have such a GOD.

Use the name of JESHUA, that is JESUS, but pronounce it, if possible, with love. Can anyone pronounce "JESUS" grumpily then? That is not possible. To say "JESUS" laughing is also impossible, but you can say "JESUS!" in a loving manner. Let this name be on your tongue like a chocolate éclair, but do not do it in an over-sentimental way, because JESUS is really the absolute power. The name of JESUS is the power with which you can open Heaven. That must be a mighty key indeed! Amen!

The Name of JESUS Triumph over Hell

My beloved, I heartily welcome you because once again we may offer up to GOD the Holy Sacrifice of the Mass. Not for everybody in the world it is such a natural thing. Many who await with eager anticipation the Holy Sacrifice of the Mass cannot attend it. Because the Holy Sacrifice of the Mass is not just a prayer or a pious act, but we can give, sacrifice to GOD the FATHER, through the HOLY SPIRIT, JESUS CHRIST Himself. What then is our sacrifice in comparison? It is not just the priest who sacrifices Him, it is GOD Himself sacrificing Himself. You can join the sacrifice by placing your own special intentions into the Chalice. You know full well that the priest does not only pour out wine, but also a drop of water. When the SAVIOUR died on the cross and His heart was opened, blood and water gushed forth. The wine signifies JESUS' sacrifice, His Blood, and the water signifies our participation in this sacrifice, which we place into the Chalice and which is watery compared with JESUS' sacrifice. But at the Holy Consecration, this drop of water will also be transubstantiated into the Precious Blood of CHRIST and will cry out to the FATHER on high; thus the SAVIOUR prays for our requests as well. In this way, all the acts in the Holy Sacrifice of the Mass have a deeper meaning. But it ought to be so simple to understand that you do not need to obtain a professorship first, as was exactly the case in the Church and still is in certain places. Today we celebrate the most awesome thing, besides the Holy Sacrifice of the Mass, the name JESHUA, in English: JESUS, the key to Heaven.

GOD Came on Earth to Practise Justice

Sometimes it says in prayer books: „The name of JESUS is sweet.“ Somehow it is, yes, but the name of JESUS is the key to the kingdom of Heaven. Mighty is the name of JESUS! In the Old Testament, animals were sacrificed, slaughtered, that is to say, they were stabbed, drained of their blood, so that it was not painful for the animal, it just slowly passed away. They were always animals although GOD said: „I take no pleasure in this sacrifice!“ Now look at the altar picture of today’s feast: the high priest holds up the Infant JESUS as an offering. Instead of an animal, this little Child is going to sacrifice Himself, for us, for all mankind. Is there anything more tremendous than for the almighty GOD to come down on earth in order to make satisfaction towards justice by sacrificing Himself for all the sins of men, from Adam up to the last man yet ever to be born, that we may have another opportunity to enter Heaven provided that we use His Blood in holy Confession.

The Mighty Name of JESUS – Key to Heaven

Mary and Joseph pronounce this name in a wonderful manner, the Mother of GOD, of course, in the first place. When she appears and utters the name of JESUS, her reverence is so graceful, beyond words. Let us make every effort to pronounce the name of JESUS as lovers do. Generally, I myself do not use the name of JESUS so often, because it means too much to me. It is the key to Heaven. In conversation with JESUS, I prefer to call Him SAVIOUR. You can defeat the greatest devil with the name of JESUS, but love must be involved. Certain privileged souls went into raptures by merely pronouncing this name. If someone cannot laugh at all any more, let them say “JESUS,” they would be able to laugh then, at least smile, because this name is sweet and strong.

With the Name of JESUS You Can Defeat Hell

Do you know, if someone has a constant inner relationship with GOD, they cannot but have a smile on their face before the people all the

time; only if they are alone, they have not, not always. Someone may wonder now: „But if my husband or my wife annoys me or something goes wrong at work, I surely won’t be able to smile, will I?“ Oh yes, you will, you can also have a sad smile, it just happens inevitably. Tell me how you behave towards people and I will tell you how much progress you have made! I will not say anything if perhaps your face falls, but then you should regain your composure as quickly as possible. I will say it once again: You can defeat the entire hell with the name of JESUS if you want to, but it depends on how you utter it. When you say “JESUS,” you should see your Guardian Angel: for him this is, of course, no muscular activity, but each time he bows deeply to the ground. Always remember this when you pray: „Blessed is the fruit of Your womb, JESUS!“ There are still more prayers in which the name of JESUS occurs.

Just pronouncing the name of JESUS can already give you strength. It gives you courage when you love Him, or for those who always think they are bad: if you want to love GOD. So many even complained to me that they were just not able to love. That is wrong. It is also love if you want to love, but you cannot and it grieves you. Perhaps you are inwardly discontented that you cannot love, but do not become too much dissatisfied. After all, this would again be pride because you think: „I should be able to do that!“ No, rather think: „LORD, I am an unworthy servant, so miserable!“ I myself cannot but admire Him why He still works with me. In fact, everyone should admire Him, because man just does not know what GOD is like.

GOD’s love is immeasurable. GOD’s mighty love is without beginning and end, but He is equally righteous. Some people fear this mighty power of GOD. I, for one, am like: the mightier He is, the prouder I am to have such a FATHER. Isn’t that great! If I could fully understand GOD, I could once say provided that I go to Heaven: „Would you be so kind as to give up Your seat, now I would also like to rule for a while!“ No, GOD is so mighty that no human being can understand Him. Does a child not say when people tease him: „My
