

Oh, man just does not know the SAVIOUR. Look, I used to say: „I will bow my knee only before GOD TRINITY, the FATHER, the SON, the HOLY SPIRIT, but for no one else!“ Once, while praying the Rosary I noticed: „Wait a minute, I am also kneeling right now!“ I have always thought highly of Mary, very highly, in fact! Why should I not? One day she appeared to me. I cannot even begin to tell you about her beauty, I am unable to do so. She was of such a majesty that I went down on my knees. I sensed how hell trembled before this majesty! I know that Mary is not GOD. I know that I am not allowed to worship her, otherwise she will disappear, popularly spoken. It would hurt her. She loves us, she is a mother. She wants to lead us to her Son. Amen!

Sermon

of the *Sword-Bishop*

On the Worldwide Political Situation Mary's Majesty

My beloved, here I stand again with a task given to me by the SAVIOUR personally: „You are there to uncover the secret machinations of Satan and to teach the ignorant!“ Of course, this applies worldwide because the LORD of the universe is CHRIST and not some or other state president, a Bilderberger or one of the illuminati. Compared to GOD they are all mere pawns, which I laugh at. Because I have this task, I just also have to speak in GOD's name about the worldwide political situation from time to time and warn. I do not want to spread fear, as some stated, because how am I supposed to frighten you when I myself do not know fear at all. If I love GOD – and GOD is my witness that I do – why then should I still be afraid? Of whom? Of death? In that case I would be with GOD – with Him whom I love above all else – and would have eternal blessedness. If I could win but one single soul, who would otherwise be lost, I would lay down my life for her, but only in the strength of CHRIST. But if I could achieve anything for GOD here on earth, I would also be willing to live another thousand years here for Him.

I Love the Church of JESUS CHRIST

If I look out into the world now, not with GOD's eyes, but with the insight as GOD gives it to me, then I would have to say: „Too late!“ The whole world has already been so much infiltrated by the Evil One and I see the peoples like bleating flocks of sheep, which no

longer have the courage to stand up for the LORD, for GOD. Have people still not understood that only dead fish swim with the stream, and sound ones against the stream? Where then do we have our spiritual source? With GOD! Therefore, we must go back to the origin and swim against the stream. So many lukewarm Christians say or want to show that they are still Christians. Yet they have already become so utterly estranged from GOD that they do not have the light any more. The people have breathed in the smoke of Satan. There are those who go to Church and believe that at Holy Communion they have the true SAVIOUR, but upwards of 70% of the priests no longer believe in the Transubstantiation, which consequently does not take place. And here people are simply being led up the garden path.

Do you believe that I enjoy saying these things? I love the Church. By this I mean, of course, what JESUS understands by the Church. But the ground staff of the Church has completely failed. Therefore, too late – everything too late if it were not for something written in the Gospel, which gives fresh heart to us again: the parable of the mustard seed. „The kingdom of Heaven is like a mustard seed, that, when sown in the soil, is one of the very smallest seeds. Yet when grown, it is taller than all the garden plants, and produces large branches, so that the birds of the sky can perch in its shade!“ I take myself also just as a mustard seed.

Many on the Internet are railing against the Freemasons, against America, Russia, Putin, the Church, and several religions, against Rockefeller, Rothschild, EU and UNO and everyone wants to know better. Are these to blame? We are to blame, the people! The people always have those superiors or teachers they deserve.

Devotion to the Blessed Virgin

I know, by saying what I am about to say, I will again lose some on the Internet; I am, however, not there to tickle the ears, but I am the Instrument of GOD, which speaks what GOD wills. Someone wrote

to me: „Mary is dead.“ No! When you die, you are not dead. We are taking a cure; we will be cleansed, because nothing impure can enter GOD. All of us would not come to GOD if the SAVIOUR had not shed His Blood, with which our sins can be washed off. But we must say yes to it.

It says furthermore: „Nowhere in Holy Scripture is there any mention of Mary!“ In that case I ask: „Have you ever read the Bible properly at all?“ In the Old Covenant there are continual references to Mary. I could list even more; just one example, the Magnificat: „My soul does magnify the LORD!“ Mary speaks in the HOLY SPIRIT. „My spirit rejoices in GOD, my SAVIOUR. He has looked with favour on the humility of His handmaid. Behold, from now on all generations will call me blessed. For the Almighty One has done great things to me ...“ – Mary leads to CHRIST! And if anyone objects to it, I will say: „You do not know JESUS, I know Him!“ How do you think does GOD, the SAVIOUR, treat His Mother: „So there, you have done your duty, now go!“? No! Now that He has the glory of GOD, He will all the more fulfil a wish for her. He has given her a mission: „Lead the people with your motherliness to Me!“

Why can they not simply leave it to the Catholics to venerate Mary – not worship, venerate? I have always tried to never speak negatively about other religions. One of the last sentences that my earthly father said to me was: „Try to never speak negatively about someone’s religion if it is different, because to them it is like their own mother.“ And who would speak ill of a person’s mother?

Mary’s Majesty

Let us hear GOD’s words: „Heaven and earth will pass away, but My words will never pass away!“ How many theologians and know-it-alls say: „This must be understood in such and such a way.“ Everything happened of which Mary forewarned us at the sites where she appeared. People did not listen to her. Why do they not believe in it?
