

perhaps even something that GOD is not willing to give at the moment. How on earth can I say it in other words? There was a privileged soul who said: „If the people knew who the Sword-Bishop is before GOD, they would come flocking to him!“ Some want to dictate to me what I am supposed to preach or not preach. These people have not understood what an Instrument of GOD is. – I mean, politics is fraught with evil, that is why I have to preach about it. Why are Germany, Switzerland and all those countries in such a bad way? Except for Hungary which still has a President who speaks his mind. From a human point of view I could say: „I’ve had enough, it’s no use anyway!“ But someone else took over my case: GOD! And I go on and on and on because I know: GOD is the Victorious One. Billions of people might even say: „No!“ I have seen GOD, I was with Him, not, for example, in a near-death experience, but when healthy and awake, and He sent me back again to the earth. Even now I still speak with Him or He with me. I am there for Him – and for you. Amen!

The Christian West Islam Denies GOD'S SON

My beloved! How blind must you be? Ramstein is even enlarged now. Still more military machines are stationed there and the number of soldiers is increased. Germany is involved in these wars because it is from there that these drones take off, mostly killing a great many civilians. And the instruments of the Evil One have only one wish: to morally destroy Europe. That is just why they want to drive migrants after migrants in, and then the rotten Christianity in Europe will become like dung and perish. There is only one desire, not just of Erdogan, the Turks, and the Islam, but even of the highest money magnates: that the Christian West may disappear. But: „CHRISTUS vincit! CHRISTUS regnat! CHRISTUS imperat!“ Which means: „CHRIST conquers! CHRIST reigns! CHRIST commands!“ That is just logical.

A Priest Speaks about Migrants

I am the Instrument of GOD and I speak what GOD gives me. But if one day I happen to find a jewel of someone else, I will also mention it; but then I will tell you whose it is. I have recently heard a sermon of a priest on the Internet and found it fantastic. It was about the migrants coming in. He said to the listeners, to the believers: „Imagine that you have a large house with many flats and you would like to rent these out. You yourself have got many children of your own in your flat. You would certainly make sure

that such people with children will inhabit these flats who could not bully or seduce your children. You would see to it that they will not become a threat to your children. And what about our country? We allow migrants in, we allow Muslims in, we do not bother about the house, and our own children become spoilt by the migrants' faith, or drift away from the true faith. We also have the right and the duty to defend our faith."

Islam Denies GOD's SON

The love of GOD and neighbour is our Main Commandment. Love of neighbour is quite all right, it is as important as the love of GOD, but GOD added something to it: „The first is: You shall love the LORD your GOD with all your heart, with all your soul, with all your mind and with all your strength! And only then comes the second part of the Main Commandment: Love your neighbour as yourself!“ The SAVIOUR repeated it. Where is this first part of the Main Commandment in the Church to be found all the way up to the Pope, who always merely speaks about the love of neighbour?

There are very good things in Islam, namely what they stole from Christianity. Everything else comes from the founder of Islam and that is: slavery! For example, in cases of violation of the law, is it not roughly stated: „Cut off his arm! Flog him! Kill him! A brother is expected to kill his own sister if she wants to go with a person of a different faith and wants to marry him!“? It is interesting that Islam also lists JESUS – likewise the Mother of GOD –, but only as a Prophet, not as GOD's SON. Which means, He is not JESUS CHRIST, SON of GOD to them! The Pope goes there and kisses the Koran, which contains the teaching that says that JESUS is not the SON of GOD. And he is supposed to be the Vicar of JESUS CHRIST! The Vicar of CHRIST, for example, prays together with Hindus to Shiva, and so on, and, in doing so, accepts this faith as true, although GOD says in the first Commandment: „You shall have no other gods besides Me!“ Still many things could be pointed out.

The Stupid Word "Do-Gooder"

I am sorry for always criticising, but today the world is in such a state that you always have to correct. Does it serve as an example when, for instance, I leave people in their false belief, embrace them and do everything to please them, but without telling them the truth? GOD did say: „Go into all the world, teaching them to obey everything I have commanded you, baptising them in the Name of the FATHER, of the SON, of the HOLY SPIRIT!“ That is a commission! But today I hear from the Church: „Come all in, enter,“ and: „Be a do-gooder!“ This stupid word "do-gooder"! From the same aforementioned clergyman, I read concerning the word "do-gooder": „What use to the sheep is a shepherd who is a sheep himself?“ Well spoken! And someone like that we have for a Pope now. However, he is not my pope, because he made himself out to be pope. The last papal election was a put-up job, consequently it does not come from the HOLY SPIRIT – and I work with the HOLY SPIRIT!

We Must Have Fire Ourselves

If you want to give someone something, you have to possess it yourself. If we want to put fire into someone else's soul, into their heart, we must have fire ourselves. And we cannot by ourselves kindle fire in our hearts, we must ask GOD for it. The HOLY SPIRIT is waiting to do so! I would almost say, it is His heavenly, divine joy when someone shouts: „Help me!“ When you have to shout your whole life long, you will go to Heaven because you have been shouting for so long, even if you think that you did not receive what you prayed for. Have you ever heard on telling a Saint: „You are a Saint!“ that he would reply: „Yes, have you finally noticed?“? Certainly not.

To Be an Instrument of GOD

My beloved, do you know that I am the Instrument of GOD? It is my sorrow that I cannot embrace, call and lead to GOD the whole world, mankind. I can give you anything that GOD is willing to give –
