

– the Mother – and jump towards her. And then he would tell her: „Mama, look there! How nice!“

And yet again: it has pleased GOD the Almighty that Mary should be our salvation. Do not forget, she works excellently with her Angels, with the Angels of Heaven. There are people who think it is humble to implore Mary. Such people have no idea who Mary is! Imagine the Archangel Michael. What is a little human being compared to this formidable Angel, who even covers the entire cosmos? You should see Michael when he looks at Mary. He does not lose his majesty, his power, his greatness, on the contrary, he, too, receives his power through Mary. After all, Mary is his Queen, his Empress; and he learnt from GOD to venerate this Virgin, this Mother. He, too, sees how GOD loves this creature, and Angels always imitate GOD. – We will not speak any longer: we want to thank GOD with the Holy Sacrifice of the Mass and with our lives in future, now, and always and in all eternity. Amen!

Mary – A Feast for GOD’s Eyes Treasurer of Heaven

My beloved! To preach about Mary should actually be done by someone who has never made any little mistake in all his life. It should be a child who has just been baptised. In the book “The Poem of the Man-GOD” by Maria Valtorta we read that the SAVIOUR said that Mary can be called the Second-Born of the FATHER. That is correct as far as her origin from GOD’s thought is concerned. Because Mary did not come forth from the bosom of the FATHER, but only JESUS did. JESUS was begotten by GOD the FATHER. Mary, however, was chosen in a special way by the Most Holy TRINITY.

What did GOD have in mind when He joined His Daughter, Mother and Spouse Mary to a man who on earth should publicly be her husband and love her? And how holy should this man, Joseph, be. In all the existence of the earth as it was, is and will ever be, I believe there was no human being, except for Mary, in whom GOD placed such confidence as He did in St Joseph.

To think: what did people do to GOD, to His creation? He had to cleanse the earth through the Flood. He has to stand by and watch the people destroy themselves through world wars. What belongs to Him is shot, harassed by the people. No beast of prey is as bloodthirsty as man. And yet man believes he is above the animal. It is true that he should be so, albeit not as he thinks he is, but he is above it through his soul, his spirit, through his higher station, through his saintly life, through his practice of virtues,

which the animal is not capable of. That is the only reason why he is above the animal.

Why did GOD still create all things – He, the All-Knowing One? As I mentioned before: because of His joyful anticipation of Mary, His Daughter in the Person of the FATHER, and His Mother in the Person of the SON, and His Bride in the Person of the HOLY SPIRIT. – Incomprehensible: to be the Daughter, Mother and Bride of GOD! And because GOD spiritually “gave birth to her in advance” – I cannot explain it, it is more than with a human being –, this His little dove, His delight, His pride and joy, therefore He nevertheless carried out his thoughts and created the earth. And today Mary is still His delight, His pride and joy. If this Daughter, Mother and Bride of His, this creature did not exist, GOD would have dropped us, humanity, a long time ago, and a Flood would have been nothing in comparison. I have never seen a creature so unbelievably formidable and weighty, compared to which all the mountains of the entire cosmos – not just of the earth, but of all the planets and stars together, you have no inkling at all how many there are – are, as far as can be humanly judged, a little speck of dust compared to Mary’s power, her Majesty, her absolute severity against all that is evil! And yet there is no creature as delicately strung, as vulnerable as Mary is.

Mary’s Imperial Majesty

If one could see Mary, she would show herself to each person differently. She would show herself terrible towards the wicked person as far as they are evil and hardened at heart and do not allow anything good to enter any more, if they are already half a demon. It would be to them as if all the planets intended to fall down, plunge towards them and bury them. Formidable and fearful she is to the Evil One, to hell! To those who love and venerate her selflessly, Mary is a wonderful Mother, as no human being can imagine, because GOD invented, painted and made her. I would say, she is the most excellent creature GOD has ever made and will ever make. Our “Hail

Mary” should actually sound similar. The powerfulness of Mary’s heavenly, imperial Majesty, From it you should understand the but also this wonderful motherliness of GOD. A human mother, if she loves GOD, will also receive a reflection of this motherly, divine love because GOD is fatherly and motherly. But just imagine, Mary was born by Him directly, spiritually, in His thought. And it pleased GOD to have her as Treasurer over all divine life. She is not GOD’s love, she is Treasurer of GOD’s love, and so on. And in this awareness we ought to go and stand before her. Then it would almost be impossible to say: „I am going to Mary to greet her.“ Even here one should also see her Majesty and be aware: „I go up to her, before her throne.“ If you have a childlike heart, you are allowed to say: „Hail Mary!“ If you do not have a childlike heart, you would no longer be allowed to address Mary in such a way, but you ought to say: „Have mercy on me, oh, heavenly Empress!“ She has the power over GOD’s heart. Here, too, she is the Treasurer.

We Only Exist by the Will of GOD

GOD was not in need of someone like Mary. He would not be in need of any Saints, of anything at all; He suffices to Himself alone. But He is pleased with the way He created things. And He expects us to rejoice at what He does. He demands that we should praise and venerate Him for it. He is entitled to demand this because He is our Creator. We exist only by His will. Even the atheist, who does not believe in GOD, is kept alive by GOD. He demands that we should applaud Him for what He does. And He loves to give us things which are hard to accept for a proud person, because GOD loves the humble. Only he who has a childlike heart, to whom everything is very dear what GOD the Almighty was pleased to do, will go to GOD. Such a one has no problems with humility. Go to Mary like a child. A child is humble without thinking; he only knows admiration, trust, love. An innocent child about to enter Heaven would at first be almost shattered by its splendour and look around; but as soon as he sees Mary, Mary’s eyes, he would forget all the splendour and see nothing but her love
