

the Child, but like every father he threw Him in the air and caught Him again. And this divine Child, who was JESUS CHRIST, shouted for joy just as any child does. So let us behave a bit more natural without a wry face.

St Joseph is all-round, he can be invoked for anything, mainly also in sexual struggles. For purity I can only recommend St Joseph. He will help! St Joseph is responsible for chastity, justice, wisdom, for strength of character, obedience, faithfulness and patience. He is a lover of poverty, a model of labourers and an ornament of domestic life. So you who have difficulties in your families, go to St Joseph or also to the Holy Family. St Joseph is protector of virgins, pillar of families and comforter of the afflicted, hope of the sick and, of course, in a very special way, Patron of the dying. By the way, all Christians, in fact all people may go to St Joseph. Why? Because JESUS and Mary belong to Joseph. I see this with the "Lay Community of St Joseph," founded by Mother Paula. Its members have incredible experiences, that St Joseph steps in quickly and helps them where they least expected it. Great! So he is an all-round helper. Amen!

## **Acting as Father to GOD's SON St Joseph, All-Round Helper**

My beloved! Why do you attend the Holy Sacrifice of the Mass? Is it just because of your duty as a Christian and not because CHRIST, as GOD and Man, comes down here on the Altar? We are progressing more and more towards a time in which everyone forms their own idea of what is right. Moreover, there are quite a large number of false prophets today. How can they be recognised? If someone pretends to know more than normal about GOD, then check whether your mind is enthusiastic or your heart when he speaks. That is the best judgement.

### **Joseph Acted as Father**

What kind of human being must that be in order to be the Spouse of the Immaculate Virgin Mary, the Mother of JESUS CHRIST and to act as father to GOD's SON, to represent the position of the Heavenly FATHER? In all Heaven, there is not a single soul who had such a position as he had; it is unique! Do people actually realise that? We do know that JESUS loved His Heavenly FATHER also here on earth with an infinite love. He had such a love for Him that in the HOLY SPIRIT He called Him "DAD." And the same JESUS says to this unique human being in Heaven, to St Joseph: „Dad!“

Once I saw in my mind's eye a little image, as GOD sometimes shows us things, so that we may understand them with our human mind. I saw GOD's Throne. There were three Persons, three Thrones – and at an angle behind the Throne of JESUS stood St Joseph.

---

Then a request came up to GOD from someone who greatly venerated Joseph. To me it seemed like it used to be with the kings, who always had their advisers standing behind them, and when someone said something, they rapidly whispered something into the king's ear. With Joseph it is the same. He immediately said into JESUS' ear: „Please grant this request!“ I do not recall the words, but that is roughly what he said. How would JESUS not gladly comply with Joseph's request, who is so modest, so quiet, so that someday he may also be known on earth.

### **Equipped by the HOLY SPIRIT**

It is also evident that the HOLY SPIRIT has – although it is not the proper word – prepared this man. He fitted him out in such a way that he simply was holy, holy, holy. St Joseph was given a mystical belt of purity for this unique Spouse of the HOLY SPIRIT so that not the least desire or anything similar could arise at the sight of this unparalleled beauty, fashioned by GOD – Mary. This very fact should make people realise how holy and great St Joseph had to be and is. – What a faith of Joseph! The highly educated high priests and the whole priesthood of the Jews could not believe, not grasp that JESUS is the promised Messiah. They had indeed witnessed all the miracles! And the carpenter Joseph, this holy man, simply believed without having seen the miracles. When he died, Joseph received a great joy from the SAVIOUR. JESUS was at his bed, as was the Mother of GOD. The SAVIOUR gave him this joy of being allowed to proclaim to the patriarchs and to all who were already waiting for redemption in the hereafter: „You will not have to wait long!“

### **Joseph was Mary's Guardian, Protector and Helper**

He was barely on the shady side of sixty when he died and about a little over thirty when he married Mary. Both actually did not want to enter into marriage but wanted to remain virginal, giving themselves only to GOD. But GOD had a different view: they were to be bride and groom, yet without carnal union. That ought to actually be logical. All these mean remarks stating that Joseph had already been

married before and had already been an old man are of the devil. Such people have no clue! They should be silent about theology in the first place, not talk about the Bible! Through the HOLY SPIRIT Mary gave to the almighty GOD in the Person of JESUS human flesh. And it was impossible that this womb, which had brought forth such a one, could afterwards still be used for something else. Mary loved Joseph above anything else. That became also obvious when he died. Mary wept and sobbed heavily because, after all, he was her Guardian, Protector and Helper. And in no other human being could Mary have such complete trust than in St Joseph.

### **St Joseph is an All-Round Helper**

Look, Joseph is a Helper and Patron, not like the Saints in general – with the exception of Mary, of course –, but he has the patronage over everything, because on earth he was the representative of GOD the FATHER over JESUS CHRIST. They say, when you enter Heaven, it will be even lovelier for you than on earth. Therefore, one cannot say of Joseph: „Well, you have done your duty, you can rest now.“ No! GOD works and showers us in Heaven all the more with His gifts in His divine fullness. The SAVIOUR still regards St Joseph as His acting Father, whom He loves more than anything. He loved him above all else right here on earth, how much more so now in Heaven! And how could He deny Joseph a wish, who lived such a modest, such a quiet life? It is not true that Joseph did not speak at all on earth, as I have recently read somewhere. When the Holy Family stayed in Egypt, scattered Jews also lived there, who had, of course, lost part of their faith because they lived among the gentiles. And Joseph called them together, taught them, renewed their faith, while Mary was present full of joy from the bottom of her heart to see how expertly Josef managed to do so.

Joseph is not as you see him here and there, with a slouched posture or seemingly holding the CHRIST Child with one hand. No, he was a carpenter. He was strongly built. Of course, in Bethlehem he hardly dared to take the Child in his arms at first because he knew who the Child was. Mary had to encourage him two or three times to take the Child because He would love to come to him. Later he not only caressed
