

devotion to Mary. Nevertheless, there are so many healings, also with Lourdes water. The majority of the doctors there – scientists who examine these healings whether they are genuine – are, I think, unbelievers, even atheists and have to admit that these healings cannot be explained scientifically. What more do you need? I would much rather say: „Just have a go at it!“ I once said to someone: „If you have the guts, then just say: ‚Mary, if You really exist, that You are as they say You are, then let me experience it! Because if it were so, I would indeed like to believe, but I cannot yet!‘“ It would be that simple. Amen!

Empress Mary Veneration of the Mother of GOD

My beloved! I have given the Mother of GOD a title that today perhaps is no longer so usual or odd: Empress, because St Brother Klaus also called her "my Empress." And I suppose that he was someone who knew what he was doing – a holy man, who has unfortunately become forgotten. To think that Pope Pius XII appointed him Patron of the world peace. In our day it would be essential to ask St Brother Klaus for help.

How am I to explain what Mary means to GOD? Do you love your father and your mother? Do you think that the SAVIOUR loves His parents less? Do you remember your parents with gratitude and love if they are deceased and were good and kind? Why is the SAVIOUR not allowed to do so likewise? Does a human being who loves his parents have more love than GOD? Should GOD not outdo us? Or can we claim that we are capable of measuring GOD's love? Impossible! He is GOD! That is saying it all. My heart must burn for GOD. First I must have the love of GOD – our Main Commandment: „You shall love the LORD your GOD with all your heart, with all your soul, with all your mind, and with all your strength.“ This is the first part of the Main Commandment, but the second one is like it: „You shall love your neighbour as yourself.“ Anyone who does not do so, is not a Christian!

Why should I not be allowed to often say the "Hail Mary," which GOD instructed the Angel to say to this Virgin after all? Is it

forbidden to repeat it? Mind you, this is not worship but a loving salutation. When Mary was pregnant, she visited Elisabeth, her relative, and greeted her with the words: „How is it that the Mother of the LORD comes to me?“ And Elisabeth blessed and praised Mary. – The Emperor Constantine venerated his mother, Saint Helena, so much so that he raised her, too, to the dignity of empress. Should the SAVIOUR, GOD, allow Himself to be outdone by a human emperor in the love towards His Mother – now that He has every opportunity to do so? If someone does not understand this, he has not yet understood GOD’s tremendous love and gratitude.

False Devotion to Mary

At pilgrimage sites people often have an entirely false devotion to Mary. A lady once told me with regard to our statue of Empress Mary: „I have so little use for her, she does not so much as look at me!“ My answer: „Egoist!“ I see something quite different: Of course, it is just a statue, but it can act as a prism – a prism to GOD or from GOD through Mary to the people. There is clear evidence of it. And I explained to the lady: „When I look at the Empress, indeed I see her hold a sceptre and rule as Empress, but she is still modestly looking up as she used to, saying: ‚My soul glorifies the LORD! My spirit rejoices in GOD, my Saviour. He has been mindful of the humble state of His servant. From now on – listen carefully – ‚all generations will call me blessed for the Mighty One has done great things for me!‘“ That is written in Holy Scripture.

By the way, Martin Luther accepted the Mother of GOD. Luther also accepted her title as “Queen of Heaven” – of course, on condition, and I agree, that people will not turn her into an idol. But there are just still people who cling to the Mother of GOD. And if Mary says: „Come, let us go to JESUS!“ they resist: „No, I would rather stay with You!“ But that, of course, is wrong.

St Luke the Evangelist often visited the Mother of GOD and frequently sounded her out. He did also want to write a great many things about the Mother of GOD. Mary, in her humility, modesty, of course, said: „First my SON must become known to the whole world!“

La Salette – The Mother of GOD Speaks

We have Fatima, Lourdes, La Salette – the latter is my most favourite site of apparition. Because in La Salette the Mother of GOD spoke quite clearly about what is going on, what is coming our way. She appeared to Melanie, a child: „Melanie, what I am about to tell you now will not always remain a secret. The priests, my SON’s ministers, by their evil life, by their irreverence, their impiety in celebrating the Holy Mysteries, by their love of money, love of honour and pleasures have become cesspools of impurity.“ – It is interesting, GOD also always tells me: „My Church has become a cesspool!“ – „The sins of persons consecrated to GOD cry to Heaven and call for vengeance. And behold, here is vengeance at their very doors! Woe to the priests and the persons consecrated to GOD, who by their infidelities and their evil lives are crucifying my SON anew! And so will GOD permit the ancient serpent to sow divisions amongst rulers, in all societies, in all families. Both physical and spiritual punishments will be suffered. GOD will abandon the people to themselves!“ because only then will they perhaps call for GOD again.

Miracles That Cannot Be Explained

I see Mary as a help, an Advocate. She has already achieved many things with GOD because GOD is love. And He said: „Honour your father and mother so that you may live long ...“ Will He Himself not keep that all the more so? Now that He sits on His throne as the almighty GOD, will He say to His mother: „Go away!“? No! Indeed, in everything He wants to show us how to do things. If I take a look at Lourdes now: The majority of the people there have a completely false
