Then they went out and someone told them that I was an imposter and immediately they fell away. „So I am the first to speak to you of all these things. Later the PARACLETE will remind you of My words and will enlarge on them in detail. And you will no longer be afraid, because you will remember that I gave you the first seed. Allow yourselves to be led by the HOLY SPIRIT. If My hand was kind in guiding you, His light will be gentler still. He is the love of GOD. So I am going away happy because I know that He will take My place and will lead you to the knowledge of GOD. You do not know Him yet, although I have said so much to you about Him, but it is not your fault. You are in need of the Fire," the HOLY SPIRIT! ... „And I leave you the Friend, the PARACLETE. He will guide you. I pass your souls from My light to His Light, and He will accomplish your formation." I believe I need to say no more to it. Amen!

Relationship with GOD The Unknown HOLY SPIRIT

My beloved, I welcome you wholeheartedly to this holy high feast of Pentecost. Here we celebrate the third Person in GOD: the HOLY SPIRIT. Today I should actually only preach about the HOLY SPIRIT and yet I find it necessary to talk about something else, which is also very important. There are people who believe in GOD, but this faith is of no use, it is worth as much as paper. Because what matters is: do I really have a relationship with GOD? If two young people come to know each other, but they do not do anything together, do not talk with each other, do not even look at each other, are just together without any enthusiasm – there will be no wedding! But what about the SAVIOUR? A human being can only give you human love, more or less. But when a person is closely connected with GOD, he can surely pass on a part of Him. If people enter a church, where GOD is visibly present in the Monstrance, you can immediately see who has a relationship with the SAVIOUR and who has not. Woe, when disaster strikes and someone has no relationship with CHRIST! He will melt with fear. – You have a relationship if, on entering the church, you look at the SAVIOUR in the Monstrance: „There is my Beloved!“ Because: „Anyone who loves father, mother, wife, child more than Me is not worthy of Me," says the SAVIOUR. I do not like oversentimental love at all, you can take my word for it. You cannot produce the love of GOD by yourself, she comes through the HOLY SPIRIT. Looking at Him more and more often. With GOD it is possible. The more often you focus your eyes on Him, the more you will love Him.

Do Not Just Keep Begging

Nowadays there are so many people who have lost their faith or even have thrown it out of the window. Where you show faith the door, superstition comes in through the window. That is why today there are so many freethinkers, atheists, and so on. With GOD we should not always only say "Please! Please!" Certainly, the SAVIOUR said: „Knock and it will be opened to you!" But always just begging ... Do you not rather want to give presents to the one you love?

You could do me the greatest pleasure by making an effort to more and more foster your relationship with GOD, to frequently speak with Him, even if it was just a simple, little phrase: „SAVIOUR, I love You!" or: „Help me to love You!" But do people nowadays still know what to love means, what true love is that comes from GOD? Because everything that is called love, yet does not come from GOD, is not love! Only what comes from GOD and pleases GOD is love! He has no love, but He is love. In marriage you usually notice whether you love properly when the heart is also imbued with GOD, by not just being only "me – me – me," and only saying "Do me that! Do me this! Do me that!" to the other person, but by also showering presents on them, be they little kindnesses, joys, respect.

The Worker in GOD

But now let us turn to the HOLY SPIRIT – explaining Him will be most difficult. How am I to explain the HOLY SPIRIT? Because you can only sense Him – at first. The HOLY SPIRIT, the Unknown One, is often depicted as a tiny, little dove with tiny wings, oh no! Only once did He show Himself as a Dove at JESUS' Baptism, because the dove symbolises a great many things. But you must not think that, in Heaven, the HOLY SPIRIT is a dove. I should put it in this way so that you are more likely to believe it: the HOLY SPIRIT is supremely powerful! There is a roaring! There is the power of GOD! Because He is the Worker in GOD TRINITY. He works it! And yet again He is so gentle. No mother can be so affectionately tender as the HOLY SPIRIT. Why should He

not be loved? Occasionally, I wept as a child because of the way I heard people pray in church: „In the Name of the FATHER, of the SON," then just in a low and slurred voice: „of the HOLY GHOST. Amen!" And to think that He is the SPIRIT of the FATHER and the SON, and so powerful that He must be a Person Himself – coming forth from the FATHER. Woe, woe to him who does not now start building a relationship with GOD. But do not be startled: there is nothing more easy than to have a relationship with GOD. It has absolutely nothing to do with edginess, false piety or cramped behaviour, but if you love GOD, you can be cheerful and full of childlike confidence call out: „DADDY – ABBA! JESHUA! PARACLETE – HOLY SPIRIT!" How I wish that it were burning in the hearts! Yes, the HOLY SPIRIT will renew everything! See to it that you are also part of it.

Invoking the HOLY SPIRIT

Invoking the HOLY SPIRIT can also bring about the veneration of the HOLY SPIRIT. Of course, if you venerate the FATHER, you also venerate the SON and the HOLY SPIRIT. These Three are one, but they are three Persons. And what we need today in the world is GOD the HOLY SPIRIT. The Catholic Church, all the Christian Churches for that matter, should, at present, invoke the HOLY SPIRIT, as in the old days the Jews, most excellently Mary and Joseph, prayed to GOD for the Messiah. In our present situation, we ought to pray for the HOLY SPIRIT even three times more fervently. War is upon us, and it will be a gruesome one!

Except from "The Man-GOD" by Maria Valtorta (Volume V, ch. 631):
And now, finally, I am going to tell you what the SAVIOUR dictated to a person about the HOLY SPIRIT. From "The Poem of the Man-GOD": „There is still much that I would have to tell you about. But I have only sown the seed. The HOLY SPIRIT will make it sprout in you." Do you see how important the HOLY SPIRIT is? „I wanted to give you the seed Myself, because I know your hearts and I know how you would falter on account of spiritual and supernatural orders. The fear
