

Normally, I speak Swiss German or Standard German. But when I pray, I pray in the Viennese dialect, because my mother, although not born in Vienna, grew up there and I learnt this dialect from her as a child. And it is interesting, when today at my age (almost 83 years old) I pray to GOD, I automatically instantly adopt this dialect because the event remains when I was with the FATHER, the SON, and the HOLY SPIRIT. It is called being caught away, but I do not know whether it was something like that. In any case, I was with Him up Above; it remains forever and never fades. I always struggle to keep my feelings in check whilst just saying: „FATHER!“ Well, I actually wanted to say: „DADDY!“ but then already I have to pull myself together that I do not – how should I call it? – simply begin to glow full of love. After all, it is not my love, I did not make this love – oh no, least of all me, I am as realistic as they come – but towards GOD I am a child at heart. Amen!

FATHER, SON, HOLY SPIRIT The Supremely Powerful GOD

My beloved, there is Christmas and Easter in honour of JESUS; Whitsun in honour of the HOLY SPIRIT. But why was there no feast for GOD the FATHER, although everything does originate from the FATHER? We need the FATHER! He is the One who created us for a wonderful life. But since we humans responded incorrectly to it – with sin – we have lost Heaven. And so the SON came and redeemed us from this guilt. He took upon Himself the whole guilt from Adam up to the last human being that will ever exist.

Here on the Altar Cross we can only see a Human Being who was gruesomely crucified. But think about it: we crucified GOD! We would never be able to make amends for our guilt because we offended GOD, are only human beings and not equal to Him. Therefore, a GOD would have to atone for this guilt, but that would also be of no avail because GOD did not sin, but man. It would have to be a GOD-Man. That is why GOD the SON, JESUS CHRIST, took Flesh in Mary. He sacrificed Himself for our sins with His human Body and His Divinity – out of love.

When people happen to have a pleasant feeling in prayer, a beautiful moment, they often believe that they are already almost saints. No, they have done nothing at all, it was the HOLY SPIRIT who worked it in them. You are temples of the HOLY SPIRIT. It is He who speaks in you: „FATHER!“ He gives you the opportunity to do so. Therefore, I repeat: „We should absolutely invoke the HOLY SPIRIT, just as the Israelites called for the Messiah, because

there is no person who can still change anything about this present dangerous world situation – only the HOLY SPIRIT can! If only there came, for example, an incredible warning making even the proudest person tremble and suddenly see in himself how his state before GOD is.”

You Are of Divine Nobility

From the bottom of my heart I am grateful for every single person who wants to join us here and who, if possible, has a longing for the LORD because you are all noblemen and noble women, are you not? You are of divine nobility, because the FATHER regards every single one of you as His child. Then you receive GOD the SON in Flesh and Blood; consequently, you have GOD’s Blood in you, divine descent. But since we are frail human beings, it would not be enough to go to Heaven. Therefore, GOD the HOLY SPIRIT helps us with His power. Look, what an advantage we, Catholics, certain Orthodox believers and still some others have over the evangelical and protestant and free churches. They have their prayer, which is all right, but they do not have the Body and Blood of JESUS CHRIST, because the SAVIOUR said at the Last Supper: „This is My Flesh ... This is My Blood ... Do this, as often as you shall do these things for perpetual renewal!“ The words of JESUS cannot be interpreted in any other way. You possess GOD’s nobility by receiving His Blood.

We Must Fight Against Sin

People are quick to judge someone, take a dislike to him and perhaps say: „He is a scoundrel, a mean guy!“ But if you stand before GOD the FATHER, you see His desire for this human: „Do help him that he may find Me; he, too, is My child!“ – I loathe Islam, but not the Islamist. I loathe sin in man, but not the person himself. There are many pseudo-preachers on YouTube who, in their often haughty and puffed-up way, condemn the sinners. If someone does not allow love to shine a little through in this matter, he is not from GOD.

We must fight against Satan. We must fight against sin. But we can only do so in the first place if we have fought against us, against ourselves, against our self. The battle goes on until we die. That is exactly why we should support each other. The priesthood is there to help the people in their struggle, but not with a wagging finger. You can do that to the devil for all I care; but see to it that you have a pure soul before you fight against him, otherwise he will strike back.

GOD is So Supremely Powerful

It is exactly as the Islamists say: „There is only one GOD!“ That is fine with me, that is what I am saying, too: „There is only one GOD, but in three Persons: FATHER, SON, HOLY SPIRIT!“ And if they deny this, they have no clue what GOD is like. GOD is so supremely powerful that the tiny, little sphere on top of our neck cannot grasp it at all – impossible! Even if privileged souls have once sensed or seen GOD, it is just a thousandth of a little grain of sand in the desert, and this is but a weak comparison. If GOD’s greatness were only such that we could understand Him with our human mind, how, in that case, should we be always only happy for billions, trillions, quadrillions of years, etc., in a way we could never be happy here on earth, and so for all eternity? How immensely beautiful must GOD be that we will be able to only admire Him eternally?

Being a Child Towards GOD

When I was just a child, GOD showed me the TRINITY insofar as He wanted to grant it to me. I am not one who believes to have been caught up to Heaven at the age of about 40 or 50, no, I had already been caught up to Heaven as a 9-year-old boy. From that moment on I was smitten with GOD, not from my head, but from my heart. Do become like children towards GOD, childlike. Only as a child will you say to the almighty GOD: „FATHER!“ Chiefly men may reply now and then: „Do not expect me to become childish!“ No fear, I can only become childish in my head, but never in my heart. At heart I am a child before GOD.
