

with that the woman should be inferior to the man, because in the New Testament we have been given a new Adam and a new Eve: JESUS and Mary – they have made up for it. People also say that Adam was created first. That is simply not true. GOD did not say: „Let us make a male in our image and likeness,“ but: „Let us make man in our image and likeness.“ JESUS was not yet on earth as a human being. GOD is neither male nor female, but fatherly and motherly. And the first human being was fatherly and motherly after GOD’s image. Then GOD divided man and now there was a male and a female. And GOD said to them: „Be fruitful and increase in number, become one flesh.“ He did not make two Adams nor two Eves. To a male and a female He said: „Unite!“ Anything beyond this does not come from GOD! Amen!

Make the Sword-Bishop Known Adam and Eve

My beloved, I heartily welcome you to the Holy Sacrifice of the Mass. It is the greatest thing we have on earth – incomprehensible! A priest or bishop does what the SAVIOUR assigned His Apostles to do at the Last Supper – and then the LORD is present on the Altar! What more do we need than the SAVIOUR? Certainly, we have helpers so that we may come to GOD even more easily. We have intercessors, helpers. Who knows JESUS better than Mary, His Mother, does? Is it not she, of all people, who can lead us to GOD, to the SAVIOUR so well? Wherever the SAVIOUR is, there, of course, is also the FATHER and the HOLY SPIRIT. No one can do this better than Mary. Precisely today I told the SAVIOUR whilst preparing for Mass: „Please, You know how miserable I am, You must really take possession of me because You are to shine forth from me, not I myself.“ We are always just servants – and hopefully GOD-loving ones as well. Everything else is dull.

The Love of the Sword-Bishop

Love, love, love – what is love? Now if any of you were able to love GOD and men more than I, I would be glad for GOD. But then I would try hard to also love more. I cannot be jealous if you love GOD more than I do. I do not even know whether I really love, whether it is my love; I do not think so. It is the love which GOD gives me, and this love is sometimes so powerful, which I

simply cannot understand. It is different with the Holy Sacrifice of the Mass: sometimes I also have to go through spiritual dryness, but most of the time I have to keep myself in check because GOD gives me such a powerful love! As soon as I say: „Come, HOLY GHOST,“ I become overwhelmed by emotions. It is a love of which I say: „I certainly do not deserve it!“ It is so crazy! And yet again it spurs me on to love even more. There is nothing more beautiful in all our struggles, in sorrow and grief than the love you have in these circumstances for GOD. Then come what may, it does not matter.

Although reluctantly, I will say it once again: I have five heart bypasses, ten bolts in my back, had severe surgeries, received stents and other things. I stop listing my ailments, but doctors, surgeons, physiotherapists cannot understand that I can stand – that I can walk. Many say I should be dead; others say I should at least be in a wheelchair. Is it not also a sign that GOD has some plan for me? I so much detest having to recommend myself, but when others fail to do so, I have to. People tell me to call for a prayer storm because I have 2 million listeners. But then I must tell you: „It is still too few.“ Then make me more known to the public, would you? Spread my mission! No more than 3 to 5% pass on my message. It is not about me, but about what GOD wants to give to the people through me. GOD once showed me a huge crowd of people approaching me. Do you know what I thought? „Oh, wonderful!“? No, no, no, the only thought I had was: „I would like to run away.“ Who am I anyway? You can tell from the following: How do I treat sinners? Do I condemn them? I love the Muslim, too, but not his faith. I love all people of other religions, but I cannot accept the other denominations.

At Least Believe the Deeds

Through me, GOD raised people from the dead, healed the sick, mentally disabled people were given a sane mind, an intelligence so that they graduated from college. My beloved, what more do you

need? Did the SAVIOUR not also say: „Even if you do not believe My words, at least believe the works that I do!“ Of course, not I, but He through me. But that is how it is today. I have one major concern: Quite some time ago, the SAVIOUR told me something, because I have frequently taken in people who left me as many as three, four times. We have witnesses. I have accepted them again and again, because I am only just happy that they are at one with GOD again. But GOD told me: „The time will come when you will say to them: ‚I do not know you!‘“ Then I will fear for their souls.

Suddenly All Are Endowed With Extraordinary Graces

At the moment there is something peculiar going on in the world: suddenly all are endowed with extraordinary graces. All can pray and immediately receive an answer from the HOLY SPIRIT, from the FATHER or the SON, which, however, they have cobbled together in themselves. No, this is not the way it works. Then they come to me and tell me that I am mistaken, the HOLY SPIRIT told them while they were praying that it is so and so! I could say something in reply, but it is so embarrassing for me to more or less say: „Excuse me, do you know who I am? To begin with, I am a high priest, bishop; secondly, I am GOD’s Instrument; thirdly, I have been before GOD’s throne several times, to what extent I cannot say. I raised people from the dead, healed sick people, converted sinners. What have you done? Have you ever been crying all through the night because of today’s humanity, how they are drifting away from GOD?“ No, no, no!

Adam and Eve

People say that the woman, Eve, started sinning. The first sin began through Eve, it is true, but Eve was driven to it by the highest spirit of all. Satan, once the most powerful angel of Heaven, who fell, led her astray. And Adam, the strong man? He fell – stirred up by the woman. So there, where was his strength? And besides, it is over and done
