

received this or that gift from GOD, but it is not true. They want to get in touch with us and we should then spread their cause, even the latest health advice. I am sorry, but I do not stoop to that level. Often such people want to add their own ideas to my mission! But the SAVIOUR told me again and again: „Nikolaus, no advisory board! No advisory board around you, you are My personal Instrument, My word! Listen only to Me, orient yourself towards Me alone!“ – Like a compass. Amen!

The Good Shepherd No Advisory Board

My beloved! Visualise the picture of the Good Shepherd with a large flock of sheep, amongst which many lambs. Many of them have strayed into a bad pasture. This is also the case nowadays through sins, porn magazines, television, etc. That is all poison that you swallow into yourself. When the shepherd sees this, what does he do? He takes the sheep and lambs to a meadow where there are herbs that are good for them. And herbs are usually bitter; the bitterer, the better the healing effect. If I only preach cotton candy fluff, then I am one who gives poison, but not the right medicine. But you must learn that if you are told something bitter, it can be very healing if you accept it.

Someone once wrote to me so amusingly that it made me smile: „Well, you can tell that the Sword-Bishop is full of love and wants to lead the sinners to GOD, but he can also wield his sword!“ Then take it as a healing herbs treatment because I will never ever show disgust to a terrible sinner, GOD help me, on the contrary. If someone came who had killed all the people in the whole world, one drop of JESUS' Blood would be enough to forgive this. But will he get it? If he repented of this deed and wanted to be pure again before GOD in order to be able to look Him in the eye again with the thought: „If only I had not sinned, if only I had always remained with GOD,“ then for me this would be sheer joy for GOD and the repentant sinner.

No sinner could come to me in the Confessional by his own efforts with the desire: „Please, absolve me of my sins.“ I know very well that he can only say this in the grace of GOD. GOD sent him, so I cannot reject him. Think of the prodigal son. I do not want to compare myself to this biblical father – for Heaven’s sake, no! But I have been trained by GOD and would be a total nothingness without Him.

The Last Supper and the Sacrifice of the Cross

We were at the pilgrimage site of St Michael the Archangel on Monte Gargano. There, of course, Masses were said by various priests. I do not say “Sacrifice of the Mass” now. Oh, how a bishop’s heart aches when, being in love with GOD, one has to sense: The priests do not celebrate the LORD’s Supper and the Sacrifice of the Cross, they just recite the Mass mechanically. That does not give you the strength we need today. Neither can books. Books can lead you towards GOD or to someone GOD has appointed.

We also had the opportunity to observe the pilgrim groups. I saw how the Rosary is prayed – a mere murmur of voices. At such moments, I have to take care that my sword does not start swinging. There was nothing heartfelt at all, and unfortunately not in the least with certain priests. They said Mass but did not celebrate the Sacrifice of the Mass. The Holy Sacrifice of the Mass is again the Last Supper and at the same time the Sacrifice of the Cross of JESUS CHRIST, through which He redeemed us. That does not mean that at each new Sacrifice of the Mass the SAVIOUR has to go on the Cross once again. Now I have to say something that people do not want to understand because they do not acknowledge GOD: GOD is GOD, nothing is impossible with Him! When the SAVIOUR was hanging on the Cross, He placed Himself in every future Holy Sacrifice of the Mass. The year 33 is again present on the Altar; in every Holy Sacrifice of the Mass, the same happens as happened then.

Prayer Groups

There are many different kinds of prayer groups. Most were founded with reference to a privileged soul who had a commission from GOD for their time. But beware! Nowadays, you must go to those places where sins can be forgiven, where the Holy Sacrifice of the Mass can be celebrated, because that is what is needed, otherwise the earth will perish. Without the Holy Sacrifice of the Mass, everything else is of no use, all these privileged souls are of no use. Only from the Holy Sacrifice of the Mass comes the Precious Blood and the strength man needs. Of course, some who want to come to the Sword-Bishop ask themselves: „Should I become unfaithful to those with whom I am now?“ Oh no, you will not become unfaithful by doing so! How was it in those days with St John the Baptist, one of the greatest Saints? He had his disciples who were all in favour of him. Then came JESUS and already the first three disciples left John, but they did not become unfaithful to him by doing so. The best and most faithful disciples of the Baptist went to JESUS and John was happy: „Now at last I can give my disciples to Him who was before me ...!“

Just have a look inside the prayer groups. There is so much dispute going on, even public arguments amongst themselves. I admit that you cannot live in a community and always be happy and content with everyone. Then it would not be a struggle, and we must have struggle, otherwise we grow slack in zeal. This can be seen in the mighty Roman Empire: when they had power, no longer had to fight, they indulged in idleness, grew huge bellies and were no use any more. Finally, when the enemy struck, they were no longer able to fight and were defeated.

No Advisory Board

Many interested people come to us with open hearts, want to please GOD and support the Sword-Bishop. But sometimes – excuse the word – parasites come to us. They say, for example, that they have
