

Pastoral Letter of the Sword-Bishop

GOD's Personal Instrument for the Coming Turning Point in History

My beloved! Now comes something that kept me awake many nights, perhaps I slept for only an hour or two, even at the age of 88, because GOD urges me to say something that I well know to be true, and still, I cannot yet understand it.

Many cannot understand my mission from GOD, and so even good and pious people criticise me. You see, I have to understand them, too. I am not angry with them, it just hurts – hurts so much as only GOD knows. It is not my pain, but GOD's pain. I have not been called by GOD to save the present Church, but to reshape her from the ground up for the future age of the HOLY SPIRIT! We had the age of GOD the FATHER, the Old Testament. Then came the age of His SON JESUS CHRIST, the New Testament. Now comes the age of the HOLY SPIRIT, the Church of Love. What the Church of Love is will only be understood when everything is over, when the HOLY SPIRIT will start anew and rekindle all hearts. Only then will mankind understand what love is, especially towards GOD. The HOLY SPIRIT will not establish a Church conceived by human intellect, but a Church inspired solely by GOD Himself! The new will emerge from the rotten stump. As GOD once said to me: „With children, cripples, old people and sinners, I will rebuild My Church!“ The HOLY SPIRIT is capable of doing so.

At present, there is only chaos in the Church. She was remodelled according to human thinking and pleasure! This way, the dragon of chaos was able to sneak into her. The HOLY SPIRIT was increasingly ignored in her in favour of human logic and thinking. This was evident in the priest training course by the elimination of sacred mysticism. For in mysticism I can hear and see, not in my mind, but in my heart. It is precisely in mysticism

that we can recognise the HOLY SPIRIT in our hearts and sense GOD's desire.

Now is the time for the HOLY SPIRIT to arise. First, as is His way, He will make everything new! The HOLY SPIRIT does not do patchwork! The old will be radically removed – everything new! But this requires that everything that is not pleasing to GOD must be eradicated, either by the Angels of Heaven or also by the most terrible creatures of hell! This will be horrific! No human being could bear this sight. Think of Lot's wife, who did not bear the holy wrath of GOD and was turned into a pillar of salt. The best thing to do is to cover the windows for as long as this lasts. But before that, GOD will give mankind a worldwide warning for a short time. This opportunity will give people the chance to decide: for or against GOD! Everyone must make a decision. Those who are against Him will go to hell! Let us pray that as many people as possible will still have the grace to escape hell.

But GOD always prepares everything in advance, or rather, He has already planned everything from time immemorial. And it has always been GOD's particular way of sending a human instrument prepared by Him in such times. This Instrument will not so much have the manner of a Prophet about him, but will be prepared for the new age of the HOLY SPIRIT! This Instrument of GOD will be ground to dust by GOD through constant contempt and humiliations on the part of mankind. Only with such a selfless person can the HOLY SPIRIT work. This person is nothing! All success does not come from him, but from GOD Himself through him. However, this Instrument must be recognisable by something which extraordinarily connects him to GOD: In him GOD's love must be present – the Main Commandment! This love must be recognisable in him by applying to everyone: whether friend or foe, regardless

of their faith or nationality. The ability to do so is granted to him through his boundless love for the Triune GOD, the FATHER, the SON, the HOLY SPIRIT! And absolutely never can such love be acquired through his own merits, but she exists solely in GOD's plan! Hardly anyone will be able to follow or understand his manner of action, as this Instrument must already be geared towards the future age of the HOLY SPIRIT. For this Instrument, the ecclesiastical structures and other things apply only to the extent that it is pleasing to GOD for the new, coming age!

GOD Himself, the HOLY SPIRIT, will lead and guide the first future. And His Instrument will only be His Instrument. JESUS once said to this Instrument: „You will still live to see the new age, but another one will reap the harvest.“ And now, my beloved: Who is this Instrument chosen by GOD? It is the Sword-Bishop!

Writing and announcing this has cost me quite some years of tearing myself apart, as Mother Paula repeatedly mentions. I have known ever since being caught up twice before the three divine Persons, the FATHER, the SON, the HOLY SPIRIT, that I will be and am him. Nevertheless, it is incomprehensible to me. Why me? I really see myself as the absolutely most incapable person for this! I would prefer to hide in a desert and contemplate GOD. But my boundless love for Him and my trust in Him make me say: „Let it be as You will, and not as I will!“ During my first being caught up as a child, I received the knowledge, I would say about the coming Church of Love, because there I was being inebriated by the love of GOD. At my second being caught up, I had to feel GOD's righteousness, and I would like for the Official Catholic Church and everyone to be able to once see this – GOD's righteousness! Then everyone would convert on the spot!

Something dreadful is coming our way, but afterwards we will have a Paradise. GOD is

simply taking delight in someone being there who already carries the new Church in his heart. This has nothing to do with me, He simply took me – I wanted to say from childhood, but He said: much earlier than that. Satan senses that GOD has plans for me for the coming Church. GOD gave me a spiritual armour because He said: „Hell and men will fight against you – and cruelly so.“ As otherwise it would have been impossible to endure all the battles that Satan waged and wages against me. Often it was hell that pulled out all the stops with me. For how should I understand you if I do not go through such myself? Physical ailments, the worst slanders, it is all part of it. If you do not have that, it is not real.

I cannot tell you how much time still remains until this terrible thing happens, but it is very close at hand. I ask GOD to give me the opportunity to warn you all. Everybody will feel the warning, whether they are on the moon or anywhere else. This will be the time of grace in which everyone can decide: for GOD or for Satan. Either yes to GOD, and you have Heaven – or no to GOD, and you have the damned hell. There are those who are sealing cans for this time; however, what happens then, the howling of hell outside is so terrible that people lie shaking on the ground and pray and no longer think about food, but will fast for three days. And then comes something that I am very, very much looking forward to: Then comes the Mother of GOD! For what you will see on earth after the three days of darkness is chaos – everything smashed to pieces. GOD wants to allow it to happen through the Mother of GOD: that she will spread her hands, and chaos will become a Paradise for about 1000 years.

Since the Pope has officially taken away two titles from the Mother of GOD, I said that we will consecrate this new year 2026 to the Mother of GOD, namely to her as Victress in all of GOD's battles! Amen!

**Be blessed by GOD TRINITY,
the ✚ FATHER and the ✚ SON and the ✚ HOLY GHOST. Amen!**
